

## The Almighty Dragon General

The Almighty Dragon General Chapter 5876-In a certain forbidden area of Mount One, there was a stunningly beautiful woman wearing a white robe sitting atop a snow-white lotus.

Her eyes were closed, and white inscriptions surrounded her body. At the same time, there was an oval-shaped light shield around her.

She had a calm expression and radiated with an exceptional aura. Thick Tribulation Clouds gathered above her head, and lightning flashed through them.

The Timaeus Sect's Saintess was trying to enter the Yuraeceon Xaelm Rank.

The Timaeus Sect had made many preparations to ensure she overcame her tribulation. They cleared a vast forbidden area and had four elders protect her.

Countless elixirs were placed before the Timaeus Sect's Saintess to help her through the tribulation.

The Tribulation Clouds were full of energy, but the lightning never struck.

One of the elders with gray hair stood in the void and suddenly exclaimed, "What is that?"

The other three elders raised their heads simultaneously, and horror immediately flashed on their faces.

The Quasar Tribulation Clouds floated over and instantly devoured those above the Saintess' head.

The gray-haired elder shouted, "This is bad! The Quasar Heavenly Tribulation is devouring the Saintess' Heavenly Tribulation! There's a powerhouse with evil intentions within our sect! Set up a formation and protect the Saintess!"

When he finished speaking, seven colorful lightning strikes fell from the sky.

Boom!

Bang!

Seven consecutive rumbles resounded, and the Saintess was trapped within the flashes of lightning. Then, her body slowly rose into the sky.

“Saintess!” the gray-haired elder called out frantically and leaped forward.

Before he could get close to the Quasar Heavenly Tribulation, he was struck by a supernatural force.

“Elder Brecken!”

A female elder jumped into the air and caught the white-haired elder.

The white-haired elder spat out a mouthful of blood, and then he pointed at the Saintess with a trembling finger.

‘The Quasar Heavenly Tribulation is trying to kidnap the Saintess! We must stop it!’

The female elder said helplessly, “We can’t stop it. That’s a Heavenly Tribulation.”

The elders watched helplessly as the Quasar Heavenly Tribulation took the Saintess away.

The Quasar Heavenly Tribulation spread out throughout the Timaeus Sect. At one end was James, and at the other was the Saintess.

The two of them were shrouded by the dense lightning of the Quasar Heavenly Tribulation. The two sat in similar positions and looked like lovers separated in distance but still closely connected.

The Quasar Heavenly Tribulation represented the yearning for each other.

From the outside, the two did not seem disturbed by the Quasar Heavenly Tribulation. However, they were actually under constant torture. The power of the Quasar Heavenly Tribulation was far beyond a normal one.

James, who had gone through painstaking effort to enhance his physical body, struggled under the Quasar Heavenly Tribulation. His bones were exposed, but he still endured the tribulation.

His meridians and bones were in great pain from the Quasar Heavenly Tribulation. Even so, James did not give up. With his strong perseverance and senses, he detected Thea's aura.

After locating her, James' will to survive and overcome the Quasar Heavenly Tribulation grew stronger.

'Thea! It's Thea!'

James suddenly opened his eyes. He moved his limbs and separated a portion of his soul.

His soul traveled along the Quasar Heavenly Tribulation and headed toward the Timaeus Sect's Saintess.

The Almighty Dragon General Chapter 5877-The Quasar Heavenly Tribulation constantly attacked James' soul. It stumbled and fell but got up again and never stopped running toward the Saintess.

The powerhouses of the Timaeus Sect watched in shock.

"Can you do something like that while going through a Heavenly Tribulation?"

"His soul is running toward the Saintess."

"My goodness. I've lived for so long, but this is the first time I've seen someone do that during a tribulation."

"Find out who is going through the tribulation in Mount Martialis!"

"If this continues, will our barrier be able to withstand the tribulation?"

"We must intervene. Although it's a Heavenly Tribulation, we can't allow it to destroy our sect!"

"Intervene? How do we intervene? Even Elder Brecken, who is in the Yuraeceon Daelm Rank's Ninth Tribulation, can't get close. How will we intervene?"

While the powerhouses discussed, James' soul traveled through the Quasar Heavenly Tribulation and arrived in front of the Saintess.

“Is it really you, Thea?” James’ separated soul said with a trembling voice.

The Saintess suddenly opened her eyes and was stunned to see the soul before her. ‘Who are you?’

James’ soul chuckled and said, “I know you don’t remember me, but I’m glad to have finally seen you again. Now I’m confident about bringing you back!

“I hope I win your heart back, and we’ll stay together forever!”

After shouting his final words, James’ soul was obliterated by the Quasar Heavenly Tribulation.

The Saintess watched confusedly. She was just trying to overcome her tribulation and improve her cultivation rank. Yet, a guy pursuing her went to great lengths to express his love. She found the man to be insane.

Meanwhile, James felt that his wild actions were worth it. Even though he risked his life and soul to do something so bold, it was good for his soul to be certain about his love for his partner.

James, who was still enveloped by the Quasar Heavenly Tribulation, finally moved.

He dragged his meatless body and stood up within the Quasar Heavenly Tribulation. He stretched out his hand, and a powerful force emerged from his body.

The force slowed down the Quasar Heavenly Tribulation’s attacks and also quickly gathered the Genesis Cores around the Saintess.

James opened his mouth and rotated in place to devour the Genesis Cores floating around him.

Immediately afterward, his flesh immediately grew back.

Boom!

Bang!

Loud rumbles erupted from the sky again. The Quasar Heavenly Tribulation was attacking James again. This time, it was more potent and kept suppressing him.

James' newly recovered body was injured all over again. He quickly swallowed a few more Genesis Cores, and his wounds healed up. However, the Quasar Heavenly Tribulation's attacks immediately shredded his flesh apart.

The same scenario replayed over and over again. James managed to survive with the same tactic.

Ultimately, the Quasar Heavenly Tribulation above the Saintess' head disappeared.

The Quasar Heavenly Tribulation above the Timaeus Sect gradually shrank as James resisted the waves of attacks.

The powerhouses watched in amazement.

After all, they were top powerhouses who had experienced countless Heavenly Tribulations. Yet, they had never seen a tribulation like the one James was going through.

At that moment, James' body was enhanced by the Quasar Heavenly Tribulation. He turned around, and suddenly, his body turned golden.

James had activated his trump card-the Marciais Combat Form's Divine Form.

The Almighty Dragon General Chapter 5878-A spectator exclaimed, "W-What is that?!" "A Golden Body? How is a cultivator trying to make a breakthrough into the Yuraeceon Xaelm Rank capable of using a Golden Body?"

"Who is that guy?"

"Mount Martialis is about to make a name for themselves now that they have such a powerful disciple."

The Timaeus Sect's Leader squinted as he listened to the powerhouses' discussions. The others were oblivious, but not him. He could tell that James had activated the Marciais Combat Form's Divine Form. He was surprised that apart from the founder, there was another who had mastered the Second Marciais Combat Form. He murmured to himself, "Could he have returned?"

Meanwhile, James had caught the Quasar Lightnings with his bare hands.

When several more Quasar Lightnings fell, James suddenly roared, "Break!"

His deafening voice spread throughout the sky, and a powerful force emerged from his golden body.

Instantly, loud rumbles came from the sky, and the Quasar Lightnings shattered.

James' terrifying force also soared into the sky above Mount Martialis and shattered the Timaeus Sect's formation.

The mountains and grounds began to tremble. The space cracked, and a gush of evil aura swept throughout the Timaeus Sect.

The powerhouses spectating were taken by surprise and hurriedly mobilized their powers to resist the aura.

The Timaeus Sect's Leader was the only one who remained motionless in the strong wind with his hands behind his back.

After the evil aura had passed, the surroundings returned to silence.

The Quasar Heavenly Tribulation that shrouded the Timaeus Sect and the Quasar Tribulation Clouds also vanished.

The golden hue on James' body also disappeared and returned to normal. His bruised and injured body fell from the sky.

Perthacus, who had witnessed everything, hurriedly leaped into the sky and caught James' unconscious body. Then, he landed steadily on the ground.

"You do indeed have the skills to back up your arrogance."

Perthacus turned around and was about to leave with James when a shadowy figure flashed through the void and stopped before him.

It was none other than the Timaeus Sect's Leader.

Perthacus immediately knelt with James in his hands and greeted the Timaeus Sect's Leader, "Sir."

The Timaeus Sect's Leader ignored Perthacus' greetings. He squatted and stroked James' face. Then, he said, "It's a miracle."

The Timaeus Sect's other powerhouses also arrived at the scene. Everyone gathered around, curious to see the man who had caused such a huge scene.

"He looks so young."

"What a bizarre case."

"Why do I sense a terrifying aura from him?"

"Have you just recruited him recently, or have you been training him for some time, Mr. Wulte?" "He's a very interesting cultivator. Could you let me take him to Mount Weapon?"

"How could we let such a talented young man go to Mount Weapon? If he's going anywhere, it should be Mount One."

Perthacus felt frustrated by the chattering of the surrounding powerhouses.

However, Mount Martialis was the weakest in the Timaeus Sect, so he did not have much say in matters.

The Almighty Dragon General Chapter 5879-After the group of powerhouses discovered Mount Martialis had such a talented disciple, they wanted to snatch him away.

Perthacus found them to be unreasonable. He hugged James tightly in his arms, stood up, and shouted, "He's an elder of Mount Martialis! Nobody is allowed to take him!"

Immediately afterward, the other powerhouses began to ridicule and mock Perthacus.

Meanwhile, the Timaeus Sect's Saintess, who had also overcome her Heavenly Tribulation, watched from a distance and did not join the crowd. Her eyes were fixated on James as she recalled the words his soul had told her during the tribulation.

"I hope I win your heart back, and we'll stay together forever!"

The Saintess was the only one who knew that apart from the first wave of the Quasar Heavenly Tribulation, the subsequent tribulations had nothing to do with her.

She wanted to know what kind of person withstood the tribulations to ensure she entered the Yuraeceon Xaelm Rank unharmed.

In the past, she had experienced numerous Heavenly Tribulations. The Timaeus Sect's elders had always protected her, yet she had never had such an easy but thrilling tribulation before.

The Saintess was curious about the mysterious man's identity and origin, wondering why she had never seen him in the Timaeus Sect before.

Subconsciously, the Saintess became intrigued by James.

An elder with long sideburns suddenly said, "Do you not want to head down and take a look?"

The Saintess shook her head and said, "There's no need. Let's head back, Elder Webb."

After speaking, the Saintess disappeared into the void with the several elders.

Meanwhile, a meeting took place on Mount Martialis. The Timaeus Sect's Leader ordered to keep everything that had happened a secret. Whoever leaked a word would not be leniently spared.

The Timaeus Sect's Leader's words were absolute and could not be refuted.

After the other powerhouses were sent away, the Timaeus Sect's Leader turned to Perthacus and asked, "What's his name?"

"I don't know." Perthacus shook his head in fear.

The Timaeus Sect's Leader frowned and asked, "Isn't he your elder?"

Perthacus' legs went rubbery, and he knelt to the ground, saying, "Spare me, sir!"

Afterward, Perthacus explained how Truett brought James and his friends into Mount Martialis.

The Timaeus Sect's Leader nodded in response, seemingly having a clearer picture of the situation.

"Take good care of him, and don't let him know we were here. We'll have to investigate him before deciding what to do with him."

Perthacus raised his head and asked hurriedly, "What about his elder position..."

The Timaeus Sect's Leader replied, "Let him keep it, and treat him respectfully."

He is exceptionally talented. He will be our greatest pillar or worst enemy in the future. You should know what to do."

Perthacus immediately kowtowed and said, "Understood! Please rest assured, sir."

The Timaeus Sect's Leader turned around with his hands behind his back. After taking two steps, he said, "Mount Martialis will be given an addition of three stars. You'll be ranked right after Mount Weapon."

After speaking, he disappeared from the spot.

"Three stars? Ranked right after Mount Weapon?" Perthacus straightened up, unable to believe his ears. "M-Mount Martialis went from ranked the last to the top three of the Timaeus Sect?"

After mumbling to himself, Perthacus suddenly burst into laughter.
