

The Almighty Dragon General

The Almighty Dragon General Chapter 5891-“It’s a matter of life and death now.” James squinted his eyes and said, “Just think about the identity of Truett’s father. Won’t he cause a commotion if he comes to the Timaeus Sect in person?”

“Besides, he can retrieve my soul at will and invade my soul space. That means he has seen my physical body.”

Upon hearing that, Xzavion, Stephen, and Quattro were taken aback.

Hurriedly, Stephen asked, ‘Teacher, do you mean Truett’s father is acknowledged by Mount Martialis’ Master? That’s why...” “Mount Martialis’ Master is nothing.” Xzavion interrupted Stephen and said, “Even Truett could befriend him. If Truett’s father comes, Mount Martialis’ Master may need to kneel to welcome him.”

“He’s the leader of the Timaeus Sect.” Stunned, Stephen asked, “Teacher, are you saying that we have alerted the leader of the Timaeus Sect?”

James nodded thoughtfully.

“Entering the Yuraeceon Xaelm Rank results in a colorful Heavenly Tribulation that has never been seen before.” Xzavion sighed and said, “It’d be difficult not to stir the attention of the senior authorities of the Timaeus Sect.

“Besides, the colorful Tribulation Clouds swallowed the Tribulation Cloud of the Timaeus Sect’s Grand Priestess. Miraculously, James even used inscriptions to create the Golden Body to get through the tribulations.

‘The senior authorities of the Timaeus Sect can’t ignore all this.’

While speaking, he looked at James. “Perhaps we’re being watched now. We may even be imprisoned.”

Upon hearing that, Quattro said, “Are you saying that we won’t even have the chance to run away if we’re surrounded by a group of powerhouses?”

‘That’s why I said we’re between life and death.’ Seriously, James said, “Now, I need to restore the Golden Body. With the Marciais Combat Form, Curse Magic, and Judgment Scythe, I may be able to help you guys escape.”

Then, he sighed. “It’s just that it’ll take a long time for me to see Thea.”

Hearing that, Xzavion, Stephen, and Quattro felt helpless. All of a sudden, they felt like they had been hindering James.

Without the three of them, and considering James’ overall strength, he would definitely do great things in the Timaeus Sect if he had come alone. That way, he could reunite with Thea after being separated for such a long time.

A while later, Quattro waved his hand. Countless Genesis Cores appeared around James.

Upon seeing that, Xzavion and Stephen were surprised.

James also could not help but frown.

“Demon General!” Quattro choked up and said, ‘This is all I have. There are three thousand six hundred and eighty-five Genesis Cores. Take them and restore the Golden Body.

We’re still waiting to get rich with you and travel the world.”

Watching Quattro’s strange actions, the three were astonished.

Quattro was greedy. He would always take more than he needed. Why was he acting this way?

Not only did he take out the Genesis Cores, but he also gave everything he got.

Nevertheless, James understood Quattro’s thoughts.

Quattro had always been nice. Although he seemed to be greedy, he was loyal.

James was certain that Quattro would stay with him even till death.

Upon thinking of that, James grabbed Quattro’s mane and placed his forehead against his.

“Why are you crying? This isn’t the end. We haven’t had enough fun.”

Upon hearing that, Quattro laughed.

Xzavion and Stephen approached Quattro from the side. Standing beside him, they pulled him up.

“Hey, what are you doing? Are you bullying me again?” Quattro shouted.

Xzavion and Stephen laughed. “We’re bullying a piggy.”

James also laughed. At the same time, he thought, ‘With friends like this, what more can I ask for?’

The Almighty Dragon General Chapter 5892-n and flesh were restored. The gold color spread to the entire body, forming a tall and robust Golden Body.

At this moment, in the main hall, James’ physical body that had been still suddenly got up.

Slowly, he raised his golden arms and saw colorful electricity hovering over his palms. A magnificent power filled his body as if it wanted to burst out of it.

“With the Golden Body and the Yuraeceon Xaelm Rank’s First Tribulation, my combat power should be on par with the Yuraeceon Xaelm Rank’s Fifth Tribulation, right?”

Mumbling to himself, James waved his hand, releasing Xzavion, Stephen, and Quattro.

When they saw James’ Golden Body, they were stunned.

“Is this the Golden Body?” Quattro rushed forward and reached out to touch James’ Golden Body.

Upon touching James’ Golden Body, he was engulfed by terrifying colorful electricity.

Immediately, he trembled and cried out in pain. His face was contorted due to the pain.

“Pull back,” shouted Stephen immediately.

James was bewildered.

“I can’t. I’m stuck.” Quattro shouted, “Can’t you save me?”

At once, Xzavion pushed Quattro away, sending him flying. At last, Quattro was saved.

His head crashed into the wall filled with Genesis Powers. His entire body turned black. He got up and stretched his hands out before him.

He saw that both of his hands had been burnt. There was still black smoke emitting from them. Even his mane was gone from the electric shock.

Now, not only was he in a bad situation, but he also looked funny. He became a bald piggy without a mane, and his face was black. Only his eyes could be seen. He looked pitiful.

Upon seeing this, Xzavion and Stephen could not hold back their laughter.

Innocently, James shrugged and said to Quattro, “I didn’t do it on purpose!”

“You did it on purpose.” Quattro complained, “You ruined my looks so you can look better. When we meet beautiful ladies, you guys will get all the opportunities.”

M W The three ignored Quattro and began studying James’ Golden Body.

It was their first time seeing a physical body upgrade to a Golden Body.

The Golden Body was formed by countless Genesis Cores. If these Genesis Cores were used to boost a living being’s cultivation rank, they would reach the Yuraeceon Daelm Rank’s Ninth Tribulation.

Now, these powers were all gathered on James’ Golden Body. Its power was incredible.

Staring at James’ Golden Body, Stephen mumbled, “I heard that copper skin and iron bones were impenetrable. Is this what they’re like?”

“Copper skin and iron bones are nothing.” Xzavion smiled and said, ‘This is a Golden Body. It’s made out of the Martial Path’s colorful Tribulation Clouds. It’s a lot stronger than our physical body.’”

Upon hearing their conversation, James slowly got up. “How about we get someone to test it out?”
