

## The Almighty Dragon General

The Almighty Dragon General Chapter 5895-Truett was already an ominous living being no one could offend. He could injure even the Grand Priest of the Timaeus Sect.

Yet now, he had injured himself against a living being in the Yuraeceon Xaelm Rank's First Tribulation without the latter making a move. It was his first embarrassment.

The Young Master of Mount Skynet unexpectedly embarrassed himself.

At this moment, Truett, who was in the void, called the Genesis Powers and healed his arm that was burnt from the colorful electricity.

Then, with a straight face, he glanced at the Mount Martialis disciples below.

"Why are you staring at me with wide eyes? Did you guys see something?"

Upon hearing that, the Mount Martialis disciples closed their eyes and shook their heads.

They had experienced such interrogations many times. Each time, they would be punished differently. The living being who punished them was Truett.

Now, they had learned from the past. They could only escape from punishments by being blind, deaf, and mute.

"Not bad." Playfully, Truett smiled and said, "Leave now and go to Memoria Pavilion. Erase your memory of today. Leave what should be left and erase what should not be left. Otherwise, you will face consequences."

His words frightened the Mount Martialis disciples. One by one, they disappeared from the place.

Then, Truett got rid of the Genesis Shield and descended from the sky.

When he saw James walk over to him, he hurriedly waved his hands and stepped back. "Let's stop playing around."

Please stay away from me. I surrender!"

Upon hearing that, James laughed. "If I said I didn't do it on purpose, would you believe me?"

"Of course." Perplexed, Truett said, "Anyway, I'm the one who was embarrassed today, not you."

Xzavion could not resist laughing as he asked, "Is this why you threatened the Mount Martialis disciples to erase their memory?"

"Do you think I can't think of the bigger picture?" Truett glanced at Xzavion. "I'm helping Forty-nine to keep it a secret."

Upon hearing that, James frowned. "What do you mean?"

Truett scanned his surroundings before waving his hand. A mysterious inscription formation engulfed James and the others.

Then, Truett heaved a sigh of relief. "The Golden Body you cultivated is extremely rare. No one has ever heard about it. Even I, a living being in the Yuraeceon Daelm Rank's Fifth Tribulation, have never seen it before."

"But, didn't you notice the evil part of this Golden Body? It can absorb other people's Genesis Powers."

"I only got away from you because my cultivation rank is a lot higher than yours."

"If a living being below the Yuraeceon Xaelm Rank's Seventh Tribulation touches you, the outcome will be very bad. His Genesis Powers will be absorbed entirely, and his cultivation base will be gone."

Upon hearing Truett's words, James and the others were shocked.

James did not realize the Golden Body could absorb other people's Genesis Powers. Was this a loophole formed by the countless Genesis Cores?

At this time, Quattro widened his eyes. "Does that mean Dragon General no longer needs the Genesis Cores to increase his cultivation rank? Are you saying he can use this Golden Body to absorb other people's Genesis Powers and increase his cultivation rank?"

“Yeah.” Truett nodded before looking at James. “With this Supernatural Power, you won’t have any opponents below the Yuraeceon Xaelm Rank’s Seventh Tribulation.

“However, absorbing other people’s Genesis Powers is prohibited in the Genesis Worlds. It’s a great taboo. Only the Dark Genesis World’s Leader would use such sinister tactics.

“Currently, you’re in the Timaeus Sect. It’s the leading force of the Ancient Genesis World and the leader of justice.

There are powerhouses everywhere. The elders are even more powerful.

“If someone else here finds out that your Golden Power is evil, it’ll be disastrous for you.

“So, if possible, try not to use your body’s Supernatural Power of absorbing Genesis Powers.”
