

The Almighty Dragon General Chapter 5896

The Almighty Dragon General Chapter 5896-At the mention of that, regret flashed across his face. 'To be honest, when I agreed to bring you guys to the Timaeus Sect, I only wanted to let you find your wife who reincarnated. I didn't think much of it.

"Now, it seems that I have brought you guys to a fire pit. Everything will be dangerous from now on.

"We chose this path ourselves. You don't need to blame yourself for this."

Vexed, James looked at Truett. 'You helped us get into the Timaeus Sect. I will always be grateful to you.'

'You've met my father, right?' Truett stared at James. "He's intelligent. He should know about this. However, after he returned, he asked me to continue learning Curse Magic from you."

Upon hearing that, James smiled. "Since that's what he wants, I won't be stingy."

Seeing that James did not want to explain further, Truett smiled. "Forget it. With my father as your support, the Timaeus Sect won't do anything to you for now.

Let's find an opportunity to rescue your wife. Then, we'll run away immediately."

"Run away?" James snorted. 'We finally got into the Timaeus Sect and put in so much effort to get the Elders' prestige. Why should we run away?'

Once Truett heard that, he was stunned.

James had cultivated the rare Golden Body and had the Supernatural Power of absorbing other people's Genesis Powers. Could he be more troublesome than Truett?

At that moment, Xzavion, standing to the side, looked at Truett. "Mr. Truett, if I heard correctly, you kept emphasizing 'below the Yuraeceon Xaelm Rank's Seventh Tribulation'. Why?"

Xzavion liked to learn about stuff. Hence, he was sensitive to such information.

As he wanted to learn about this world, he needed to know everything.

Glancing at Xzavion, Truett smiled. "Since you asked this question, you guys probably didn't join any great forces before this.

"I'll just explain to you guys up front. The Yuraeceon Xaelm Rank is different from other cultivation ranks. The Seventh Tribulation is an obstacle.

'The cultivation ranks below the Yuraeceon Xaelm Rank are known as the six fake tribulations. There are no changes to the physical body and Genesis Divine Light. Only the cultivation is improved, and the Genesis Power becomes purer and more powerful.

'The cultivation ranks above the Seventh Tribulation are known as the three real tribulations. After one goes through the Heavenly Tribulations, one's Genesis Power will become stronger. Aside from that, deriving from the Genesis Divine Light, one can attack quicker, and one's defense ability will become more powerful.'" 'What's the Genesis Divine Light?" Stephen was curious.

With a smile, James sat down on the steps. "It's the round shield he created to send me flying so he could escape from my Golden Body's electricity just now."

"That's right." Truett nodded. "That is the Genesis Divine Light. It's also known as the Genesis Shield. If a living being's cultivation rank is lower, the Genesis Divine Light will make them fly away. They can't come close at all.

"Even if you're facing a living being in the same cultivation rank, it can prevent sneak attacks and increase your protection.

"In the three real tribulations of the Yuraeceon Xaelm Rank, also known as the second physical body, the body won't be destroyed as long as the Genesis Divine Light isn't broken."

After hearing Truett's explanation, everyone present took a deep breath.

No wonder Truett said that James would not have any matches under the Yuraeceon Xaelm Rank's Seventh Tribulation with his Golden Body and cultivation.

As for the living beings above the Yuraeceon Xaelm Rank's Seventh Tribulation, they had Supernatural Powers similar to the Genesis Divine Light. With James' cultivation, he could not even get close to them, let alone attack them.

It seemed that the higher the cultivation rank, the more detailed the division would be. One's cultivation and Supernatural Power would also be stronger and more diverse.

Thinking for a while, James suddenly asked, "All living beings who enter the Yuraeceon Xaelm Rank's Seventh Tribulation will have the Genesis Divine Light?"

'Yeah.' Truett nodded. 'The Genesis Divine Light is the symbol of entering the Yuraeceon Xaelm Rank's Seventh Tribulation, but this tribulation is too difficult.

It's harder than all of the previous tribulations. If your foundation isn't solid, you have a weak physical body, or you lack talent, you won't be able to enter it.'

Then, Truett smiled mysteriously at James. "Do you know how many disciples have entered the Seventh Tribulation among the trillions of disciples in the Timaeus Sect?" "How many?" James frowned.

□

The Almighty Dragon General Chapter 5897-"Less than fifty thousand." With a smile, Truett said, "The number of powerhouses who have entered the Daelm Rank from the Xaelm Rank is less than eight thousand.

'The Timaeus Sect is the biggest force in the Ancient Genesis World, the Three Thousand Great Genesis Worlds, and countless Micro Genesis Worlds. Based on this, it can be seen how precious the three real tribulations of the Yuraeceon Xaelm Rank are.'

Upon hearing that, James nodded meaningfully.

Was this the so-called pyramid?

The higher the cultivation rank, the fewer the powerhouses. Perhaps there were only a few hundred powerhouses at the top of the pyramid at the peak of the Yuraeceon Daelm Rank's Ninth Tribulation.

It was part of the law, the Heaven's Law. All resources were limited. Talented and lucky living beings were also limited.

The living beings at the bottom of the pyramid who worked hard in cultivating were to be pitied. They might not ever be able to move forward in their entire life. Cultivation was cruel.

Along that line, if Earth's Spiritual Energy had not been restored, James would only be standing at the top of Earth's ancient martial world's pyramid.

After so many years and countless tribulations and encounters, James finally reached where he was now.

According to Truett, he and his friends were at the top of the pyramid. However, they could only look at the peak. They were far away from it.

A while later, Xzavion suddenly looked at Truett and asked, "Mr. Truett, since you know so much, do you know how to hide his Golden Body?"

"Yeah." Quattro echoed, "If Dragon General can't hide the Golden Body, not only will it conceal his good looks, but it will also affect our safety. Anyone who touches him will be burnt."

Stephen glanced at Quattro. Then, he said to Truett, "Mr. Truett, please think of a way."

Truett was taken aback. Dejectedly, he said, "Do I need to teach you this? Use your Zen to change the body. Do you not even know this? Did you guys reach the Yuraeceon Xaelm Rank right away?"

Once Truett said that, the three were surprised. Then, they looked at James strangely.

'That's right! Teacher, you can use your Zen to change your body!'

“As expected. Those uninvolved in the situation see things more clearly.”

“Dragon General, you’re too stupid. I think the Quasar Heavenly Tribulation damaged your brain. You should see a doctor. You don’t seem as bright as you used to be.”

James was speechless.

He used his Zen, and his Golden Body was instantly engulfed in Quasar Light.

Then, his normal body covered the Golden Body, and it recovered to a human’s body.

Upon seeing that, Quattro approached James. Just as he was about to touch the latter, Stephen scared him. Terrified, he fell to the ground.

Everyone laughed at him.

On the other hand, Stephen pointed at Quattro and joked,” Quattro, look at how you’re lying on the ground. You’re making me crave pork.”

“Kill him. He’s big enough.” Stephen pulled out a knife.

Unexpectedly, Xzavion pounced on Quattro and pressed him down.

Then, the entire group pounced on Quattro. Like a gymnastic formation, they stacked on Quattro one after another, making Quattro cry in pain.

However, unbeknownst to them, their actions were being watched by someone else.

The Almighty Dragon General Chapter 5898-In the Priestess Hall of Mount One, the Grand Priestess sat on a white lotus.

She looked at the huge Genesis Energy in the void ahead. There was a smile on her beautiful face, and she looked envious.

The scene of James and the others playing around was displayed in the huge Genesis Energy.

Although the Grand Priestess could not hear what they were talking about because of the mysterious inscription formation Truett had set up, the scene felt warm.

‘They’re quite interesting.’ A while later, the Grand Priestess could not resist laughing. “Look at how that piggy is being bullied.”

Upon hearing that, Lyla Moran, who was standing to the side while holding a black longsword, looked at the scene disdainfully. “They’re too playful. They’re becoming more and more unruly.”

“Lyla.” The Grand Priestess turned to look at Lyla. “Don’t you find the Timaeus Sect overwhelming since they have too many rules?”

Upon hearing that, Lyla was stunned. She turned to look at the Grand Priestess.

‘Thea, you’re the Grand Priestess of the Timaeus Sect. Your words and actions represent the Timaeus Sect’s rules and reputation.’

“Can’t I do without the rules and reputation?” Helplessly, Thea sighed. “I don’t want the identity of the Grand Priestess. I want to be like them. I want to be free.”

“No.” Lyla shook her head. “You’re the Grand Priestess.”

“I don’t want to be the Grand Priestess.” Frustrated, Thea said, “I don’t want anything. I’m even willing to be kicked out of the Timaeus Sect.”

Lyla shook her head again. “Nothing can be changed since you’re the Grand Priestess.”

Thea was about to go insane. Every time she talked to Lyla, the conversation ended the same way. Lyla would always respond with those words.

Even though Lyla cherished and treated Thea well, the former’s attitude and emotional intelligence drove Thea mad.

The two stunning women stayed quiet for a while. In the end, Thea broke the silence.

“Lyla, I don’t want to argue with you. I don’t want to disappoint those who treat me well.

“If you don’t want me to go to Mount Martialis, let Uncle Xachary arrange a trial.

The participants can only be living beings below the Yuraeceon Xaelm Rank’s Seventh Tribulation.

“I have already entered the Yuraeceon Xaelm Rank’s First Tribulation. It’s time for me to go out and practice.”

Upon hearing that, Lyla stared at Thea. “You’re gonna run away!”

“I’m only in the Yuraeceon Xaelm Rank’s First Tribulation.” Frustrated, Thea said, “Even if I want to run away, can I get away from the Timaeus Sect’s turf?

Besides, won’t you guys watch me from the dark?” Lyla stayed silent.

“Lyla.” Thea jumped off the lotus and walked over to Lyla. Hugging her arm, she said cutely, “I know you treat me the best in the Timaeus Sect and cherish me the most. Please help me. I’m about to go insane from cultivating in this sanctuary.”

While speaking, Thea pulled out a brocade box and handed it to Lyla. “Lyla, here are a few Genesis Cakes that I spent a lot of time making for you. Since you’re always guarding the Daemon Prison, you can eat them when you’re hungry.”

Thea’s cuteness and bribery might not work on the Sect Leader, but they were lethal on a foodie like Lyla.

Looking at the clear cakes that exuded Genesis Power in the brocade box, Lyla sighed helplessly. “Promise you won’t cause trouble?”

“I promise.” Thea put her hands together and said seriously, ‘I swear by Uncle Xachary’s hair and Great-grandfather’s beard.”

The Almighty Dragon General Chapter 5900-“You should change what you swear on.” Lyla could not help but roll her eyes at Thea.

“Alright.” Thea raised her hand. “I swear by our friendship. I won’t cause trouble, and I won’t run away.”

It was only then that Lyla accepted Thea’s brocade box and put it in her storage.

Then, she looked at Thea affectionately, ‘Thea, there’s something you must answer me truthfully.’ “What is it?” Thea nodded obediently.

Lyla squinted her eyes. “When the Quasar Tribulation Clouds swallowed your Tribulation Clouds and the living being’s soul entered your Tribulation Clouds, what did he say to you?”

Upon hearing that, Thea became silent.

“Are you going to hide this from me too?” Lyla stared dead in Thea’s eyes.” To be honest, the Sect Leader wants to know about it too. I can only answer him if I know the truth.”

Thea bit her lip. After hesitating for a while, she said, “He said that we met in our previous lives before.”

Upon hearing that, Lyla was stunned. “Did he come to the Timaeus Sect to find you?” “I don’t know.” Hurriedly, Thea turned around. “I don’t remember him. I’ve never seen him before.” ‘That’s strange.’ Lyla took a deep breath. “He’s only in the Yuraeceon Xaelm Rank. How dare he attract the Quasar Heavenly Tribulation? He doesn’t even care to defend it. He risked his life and came to find you.”

Lyla appeared doubtful. Seeing this, Thea shrugged her shoulders helplessly. “I don’t know. Someone that stupid actually exists in this world. Men are terrifying.”

‘Terrifying?’ Lyla turned around and stared at Thea. “I don’t think you find him terrifying. Instead, I think you find him peculiar.”

Thea was speechless. She hurriedly shifted her gaze away from Lyla.

“Forget it. You have your personal affairs.” Lyla sighed. “As long as you can solve them. But, you must always remember that you’re the Grand Priestess of the Timaeus Sect.”

Then, she turned around to leave.

“Lyla,” Thea called out. “About my practice...”

Lyla, who had reached the exit, did not turn back. Instead, she took a deep breath. “I’ll inform him about it. Whether or not it gets through depends on your fortune.”

Seeing that Lyla had opened the door and left, Thea jumped up excitedly.

She knew that as long as Lyla was the one to inform the Sect Leader about anything, the Sect Leader would agree. It was because Lyla was the youngest Timaeus Sect’s Elder. She also guarded the most mysterious place of the Timaeus Sect-Daemon Prison.

The Chief Elder of the Timaeus Sect and the Peak Master of Seven Mounts ‘ identity and status could not be compared to hers.

However, Thea had not figured out the reason to carry out this trial.

Inadvertently, she looked at the Genesis Energy ahead and realized that James and the others were gone. A little upset, she withdrew the Genesis Energy.

“I wish to win a person’s heart and stay with them no matter how old we get.”

Thea pursed her lips and mumbled, ‘The words are strange, but why do they make me feel warm?’

Then, she held the Genesis Energy and lay on the lotus again.
