

The Almighty Dragon General Chapter 5928

The Almighty Dragon General Chapter 5928-“Forty-nine from Mount Martialis? How is this possible?”

Suddenly, the sound of gnashing teeth came from behind Thea.

Thea turned around and saw Whitaker, who had been the center of attention and praise moments ago. He had clenched fists and a furious expression.

James, a nobody from Mount Martialis, upstaged his great accomplishment of a six-star rating in the second assessment. He felt nothing short of a humiliation.

Initially, he thought his only competition would be Skynet’s Young Master, Truett.

Whitaker gritted his teeth and shouted tremblingly, “I can’t accept this. There must be something wrong! This trash must’ve consumed a Genesis Core...”

Irritated, Thea interrupted him, saying, “That’s your problem. Do you think everyone else is weak just because you’re a genius? If all our disciples are narrow-minded and arrogant like you, then the Timaeus Sect is doomed.”

After hearing Thea’s words, Whitaker’s anger grew stronger. He raised his head and growled, “Do you have a death wish?”

Thea looked at Whitaker and replied disdainfully, “You want to fight me? Go ahead and try.”

“You.” Before Whitaker could finish his sentence, 81 flashes of lightning suddenly fell from the gray clouds above Beauregard.

Boom! Bang! Boom!

The lightning quickly struck the living beings outside of Beauregard.

Painful cries immediately resounded throughout the area, and it was a chaotic sight.

At that moment, 36 golden light rays soared into the sky from all directions, forming an oval protective barrier above the area to block the clouds.

The 36 powerhouses at the Yuraeceon Daelm Rank's Ninth Tribulation had taken action simultaneously.

Two illusory figures flashed out from Beauregard, quickly moving the living beings out of the range of the gray tribulation clouds.

Boom!

With the loud rumble, thousands of lightnings fell from the sky again. The protective barrier was shattered, and Beauregard was destroyed.

Suddenly, a man emitting a colorful glow emerged from the ruins, holding the Yuraeceon Genesis Bell. He jumped into the sky and landed on the star pillar that was still unscathed.

James' whole body radiated with colorful light rays, and electrical currents surrounded him. Similarly, the Yuraceon Genesis Bell glowed brightly as it accepted the baptism of the dense gray lightning.

The 36 powerhouses at the Yuraeceon Daelm Rank's Ninth Tribulation surrounded him and cast various Supernatural Natural Powers to resist the lightning from spreading out.

Those rescued to a safe distance watched silently with their jaws dropped.

Everyone wondered whether the sight before them was a Heavenly Tribulation or a baptism. It looked nothing like a tribulation but was somehow much stronger.

They were more surprised that the supposedly weakling from Mount Martialis held up the Yuraceon Genesis Bell on the star pillar, completely unaffected by lightning.

The Almighty Dragon General Chapter 5929-James held up the Yuraeceon Genesis Bell, the most precious treasure of the Timeaus Sect.

The 36 powerhouses at the Yuraeceon Daelm Rank could not stop the disaster and had to take on the rule of protecting the others.

However, nobody was prepared for the next scene.

James held up the dazzling Yuraceon Genesis Bell and was surrounded by lightning.

Suddenly, the Yuraceon Genesis Bell duplicated- from one to two, then two to four, until it reached over ten thousand. The bells rotated around James and let out beautiful chimes.

At that moment, everyone in the void fell into a trance and entered a dreamlike state. Even the 36 powerhouses at the Yuraeceon Daelm Rank surrounding James wore expressions of disbelief.

James was like a musician, hypnotizing the souls of the surrounding living beings with bell chimes and creating satisfying hallucinations.

Xachary stood at the Timaeus Sect main hall's entrance and stared solemnly at the dazzling light in the distance.

Lyla, who was accompanying him, had a shocked expression. She exclaimed, "Is that the guy who can activate the Third Marciais Combat Form, Forty-nine?"

Xachary took a deep breath and said, "Yeah, that's him. I never expected the Yuraceon Genesis Bell to acknowledge someone as its master."

Lyla said coldly, "That's our sect's important treasure. If we just let him take it..."

Xachary shook his head and said, "After a treasure acknowledges a master, there's nothing anyone can do to stop it. Beauregard is useless now."

Lyla turned to Xachary and asked surprisedly, "Are we just going to let that nobody have it?"

Xachary said solemnly, "He's not just a nobody. He is an unprecedented catastrophe that our sect has never faced since its establishment."

"..."

Xachary pointed at Lyla and said, "Remember never to let him go to the Daemon Prison, no matter what. Once he discovers the place, kill him even if he doesn't have wicked intentions."

Lyla watched as Xachary turned around and returned to the main hall, hesitating to speak.

Meanwhile, an older man with long white hair and a graceful temperament sat in one of Timeaus Sect's forbidden areas. He murmured, "Dense gray clouds and the chimes of ten thousand bells. The Marciais Combat Form that surpasses Genesis Power.

"What else was written on the Jadhea Tablet, Sylas?"

The man named Sylas had red hair. He replied, "Golden bones and a body emitting colorful light rays. Pure cultivation power and great achievements."

The white-haired man looked into the void and said, "It's already been a hundred entrapochs. Perhaps the person we've been waiting for has finally appeared."

Sylas opened his eyes, and red light rays shot into the sky.

"His cultivation rank is still too weak, and his Golden Body had just formed.

Moreover, he has experienced very few tribulations and is trapped by love. He still has a long way to go. We might have to wait a much longer time."

After hearing this, the white-haired man closed his eyes and murmured, "Can we afford to wait?"

"Everything is up to fate

The Almighty Dragon General Chapter 5930-James sat down on the star pillar above the ruins of Beauregard. His body was surrounded by Quasar Light. The bells still chimed around him, and the dense gray clouds hovered above him.

Even though numerous lightning flashes were falling around him, James remained unscathed. Instead, he used the Yuraeceon Genesis Bell's power to improve his cultivation base.

James instantly went from the Yuraeceon Xaelm Rank's Second Tribulation to the Fifth Tribulation. Then, his cultivation base gradually stabilized.

More importantly, James had borrowed the strength of the Yuraeceon Genesis Bell and his improving Zen to peek into the fantasies the surrounding living beings were seeing and learn of their desires.

His Zen wandered the area and ultimately locked on the elegant woman who had placed a bet on Mount Martialis.

James' heart pounded when he saw the woman writing 'I hope I win your heart back, and we'll stay together forever' in her dreams.

'Thea!' The elegant woman is none other than Timaeus Sect's Saintess, Thea, who had changed her appearance to participate in the assessment.

James was overjoyed by the discovery and tried to enter her dreams with his Zen. However, his Zen was deflected by a mysterious external force.

"The Yuraeceon Genesis Bell has chosen you as its master, and there's nothing I can do about it. However, you'll be seeking death if you try to take the saintess." A cold female voice rang in James' ears.

'Who exactly is this female spirit? Her Zen is so strong. Is she protecting Thea or monitoring her? Either way, I shouldn't get close to Thea now. Otherwise, I might get into big trouble.' James' brows furrowed.

At that moment, the tribulation in the sky dispersed, and the lightning disappeared.

The Yuraeceon Genesis Bells merged and transformed into shining armor on James' body, continuously providing him with Genesis. The Yuraeceon Genesis Bell was an extraordinary item. It had been serving as the Timeaus Sect's protective treasure. After it chose James as its new master, it had retired from its duty. Now, it served as a defensive mechanism for James and supplied him with Genesis.

found that he had reached the Yuraeceon Xaelm Rank's Second Tribulation to the Fifth Tribulation.

At that moment, the surrounding living beings snapped out of their dreams.

Some of the boys woke up with drool down their lips. They either dreamed about eating delicious food or had the time of their lives with their crushes. Truett, Xzavion and Stephen were also part of this group.

Meanwhile, Thea looked at James with admiration. Her interest in him had grown stronger after the dream.

“The material of the star pillar is pretty good. It would be a waste to leave it here.”

James suddenly pulled the pillar out of the ruins.

The star pillar flew into the air, transformed into a colorful and shiny sword about 10,000 meters long, and fell into James’ hand.

“Not bad! It’s pretty strong,” James said, then brandished the sword.

The sword slashed through the void and caused a huge crack.

Everyone at the scene was shocked and questioned whether he had come for the test or to destroy Beauregard.

Yuraeceon Genesis Bell had become James’ treasure. Now, he even transformed the star pillar into a mighty long sword.

James’ strength was terrifying.
