

The Almighty Dragon General Chapter 5960

The Almighty Dragon General Chapter 5960-The Flamme Genesis World was ranked seventh among the Three Thousand Great Genesis Worlds.

The universe at the border of this world had the third biggest alchemy place of the Yaquis Sect—the Hadeon District.

At this moment, on the spiritual mountain at the peak of the Hadeon District, a middle-aged living being in a purple robe was sitting in a lotus position.

His body was surrounded by halos formed by inscriptions, making him look sacred.

Suddenly, he opened his eyes. Astonished, he asked, “Is Renee back so soon?”

No one answered him.

The middle-aged living being frowned. “Is the battle about to start in the Ancient Genesis World? Is the Timaeus Sect about to take action against US with the excuse of Zephyria World and Franciscus’ matter?”

Nobody answered.

The middle-aged living being sighed. “Our leader is great, but he’s too lenient with his son. Letting him fight for Franciscus’ inheritance is humiliating the Righteous Alliance and the Timaeus Sect.”

No one responded.

The middle-aged living being found it strange. At once, he turned around to take a look but was stunned.

Behind him was a young man in a black robe. He sat on a rock with a playful smile.

“Wh-Who are you?” The middle-aged living being’s expression changed. “How dare you barge into the Hadeon District?”

“You’re Hamish, right?” The young man in a black robe continued, “You’re the Elder of the Hadeon District’s Violet Pavilion. You’re in the beginner grade of the Yuraeceon Daelm Rank’s Second Tribulation.”

Upon hearing that, Hamish, the middle-aged living being was shocked. “Wh□Who are you? How did you get into the Hadeon District?”

The young man in a black robe smiled. Slowly, he got up. “I’m Lesia!”

Lesia?

Hamish never heard of him before.

He stared at the young man in a black robe suspiciously. He was shocked.

The young living being seemed to be in the Yuraeceon Xaelm Rank’s Fifth Tribulation. How did he pass through the barrier of the Hadeon District?

He also passed through it secretly. He had come close to Hamish, a powerhouse in the Yuraeceon Daelm Rank’s Second Tribulation, yet Hamish did not notice him.

If he launched a sneak attack on Hamish, even if the latter, who was amid cultivation, would not get severely injured, he would suffer heavy losses.

Upon thinking of that, Hamish shuddered in fear.

Looking at the young man in a black robe, he squinted his eyes. “Why did you come to the Hadeon District?”

“To kill you!” The young man in a black robe answered frankly.
