

The Almighty Dragon General

The Almighty Dragon General Chapter 5991-James ignored their bickering and walked ahead. At that moment, a woman entangled in vines shouted, "Save us! Please save us! I'll be your slave! I don't want to die!"

James looked over, and his brows furrowed. A few women were suspended in the air by some vines and were already exhausted. Among them, there was one he recognized.

"Xitaly?" James looked at the beautiful woman, who was silently trying to resist the vines.

"James?" When Xitaly noticed James, she saw hope. "Please save me, James!"

The lustus Sect and I will never forget your saving grace and will repay you!"

James replied calmly, "I saved you last time, but you never repaid me."

Xitaly said while struggling, "You're right! I haven't repaid you. I hope you can give me the chance to!"

James smiled, turned to Truett and asked, "Do you need a beautiful wife?"

Surprised by the question, Truett raised his head. Then, he said, "Isn't that the saintess of the lustus Sect? I've heard a lot about her."

Annoyed, James said, "Stop wasting time. If you want her, it's your chance to be her knight in shining armor. If you're not interested, let's go."

Truett did not reply but quickly leaped into the air and raised his massive sword, slashing at the vines around Xitaly.

However, Truett's Sword Energies exploded before reaching the vines.

Suddenly, a voice resounded.

"Who said you could save her? Do you have a death wish?"

James' group turned around and saw dozens of cultivators in black robes walking toward them. In the lead was a young, elegant man with thick eyebrows.

Truett hovered in the air and asked coldly, "Were you the one who blocked my Sword Energies?"

The man replied nonchalantly, "Yeah. Are you trying to play a hero to my woman? You must want to die so badly."

Truett landed on the ground, held a giant sword, and looked at the young man.

Then he said, "So you want to fight me?"

The young man smiled and said arrogantly, "I know you guys are from the Timeaus Sect. In the past, your sect was able to dominate. However, the Timaeus Sect will no longer be the best once we leave the Fordlatt Land. You guys will be nothing but ants."

Thea immediately stepped forward and said, "You're quite arrogant, aren't you?"

Which sect are you from?"

The moment the young man set eyes on Thea, his eyes lit up. He looked at her lustfully, touched his chin and said smilingly, "I never expected the Timaeus Sect to have such a beauty."

"How about following me, beautiful? I guarantee you'll be unscathed in the Forladtt Land and will gain many treasures."

Thea frowned at his flirtatious remarks. She waved her slender hand, and a snow-white lotus wrapped in potent force darted at him.

"The Genesis Lotus?" The young man laughed and said, "So you're the Timaeus Sect's Saintess? Today is my lucky day."

After speaking, he reached out to grab the Genesis Lotus. However, it suddenly slowed down.

Truett immediately swung his giant sword, unleashing a Sword Energy.

Suddenly, a phantom figure appeared behind the young man and blocked the Sword Energy.

Startled, Truett took two steps backward.

“You’re at the Yuraeceon Daelm Rank’s Third Tribulation. How did you bypass the Yorean Wind?”

The man did not answer Truett’s question.

The Almighty Dragon General Chapter 5992-The young man used his Genesis to play with Thea’s Genesis Lotus, acting arrogantly in their faces.

In just a short moment, Thea had fallen into his hands. Her face looked anxious and painful. Her Genesis could no longer support the lotus to unleash any more attacks. However, she could not retract it either. Just when she was reaching her limits, a shadow cast over her.

James appeared before her, grabbing the man with an illusory hand and lifting him off the ground.

Thea immediately withdrew her Genesis Lotus. She staggered a few steps, and her beautiful face paled.

The powerhouse beside the young man shouted, “Young Master!”

Before he could intervene, James’ Genesis had already enveloped his young master.

James reached out his palm, covered in a black glove, and suspended the man in the air.

The elderly powerhouses said surprisedly, “Genesis Suppression? Are you also a powerhouse at the Yuraeceon Daelm Rank?”

James ignored his question and raised the young man higher into the air.

“How dare you touch my woman? You must have a death wish.”

The young man tried to break free, but his Genesis had been completely suppressed, and he could not move.

The elderly powerhouse roared, "Let him go! Otherwise, I won't hold back."

James ignored him again and turned to Truett, saying, "Hurry and go save her."

Truett gritted his teeth and jumped into the air once again. His giant sword let out a dazzling light, and the vines entangling the group of women were sliced apart.

The women screamed as they fell. Truett rushed over, caught Xitlaly in his arms, and landed on the ground.

The elderly powerhouse said, "This is just a misunderstanding. Please let our young master go."

James glared at the man in his hand. At that moment, he activated his golden body and wrapped Quasar Lightning around the young man.

The elderly powerhouse said anxiously, "Quasar Lightning? A-Are you the person who robbed Yaquis Sect?"

James asked authoritatively, "Tell me your name and sect."

The elderly powerhouse gritted his teeth and said with hostility, "Sure! I'll tell you! Listen carefully. We're from the Behaterm Sect. The man in your hand is our young master, the son of our sect leader, Salach Quayle."

James narrowed his eyes and said, "Salach? He's an animal."

The elderly powerhouse anxiously watched Salach, trembling and wailing within the Quasar Lightning. He pleaded, "Can you let him go now?"

James said nonchalantly, "Don't be impatient. My friend mentioned you're a powerhouse at the Yuraeceon Daelm Rank's Third Tribulation. How did you bypass the detection of the Yorean Wind?"

The elderly powerhouse with sideburns gritted his teeth, clenched his fists, and replied, "That's our sect's secret..."

"Argh!!!"

Before the elderly powerhouse could reply, he was interrupted by Salach's miserable cries.

The Almighty Dragon General Chapter 5993-The elderly powerhouse waved his hand and said anxiously, “D-Don’t torture him, please! I’m telling you! Nobody from the Timaeus Sect will be able to leave.

The lustus Sect, Tempestara and Sword Alliance, who also refuse to submit to our new alliance!”

James said calmly, “With just your strengths? What makes you think that’s possible?”

The elderly powerhouses said determinedly, “Of course, it’s not just us. Our new alliance consists of five major forces. We’ve all sent the Yuraeceon Daelm Rank powerhouses into the Forladtt Land. Anyone who crosses US will have their souls destroyed!”

Truett sneered, “You’re quite confident, still, you haven’t answered our question.

How did you bypass the detection of the Yorean Wind?”

The elderly powerhouse said coldly, “No comment. I’ve spared you guys some words because you’re talents from the Timaeus Sect. I’ll not take your lives as long as you let our young master go and obediently follow US. Or else I will kill all of you!”

“You’re only at the Yuraeceon Daelm Rank’s Third Tribulation, but do you think you can kill us?” Truett replied, then sprung into action. However, James stopped him.

James looked at the elderly powerhouse playfully and said, “Leave it to me.

They are like living elixirs at the Yuraeceon Daelm Rank to me.”

Afterward, James tossed the young man in his hand to Truett.

“The Yuraeceon Daelm Rank’s Third Tribulation? I could use your strength to improve my cultivation base.”

After speaking, James raised his hand, and a streak of Quasar Lightning fell on the elderly powerhouses. Accompanied by the loud bang, the elderly

powerhouse was instantly trapped by the Quasar Lightning and began to tremble.

The next moment, James appeared before him and landed a powerful punch that consisted of the strength of his Marciais Combat Form. His powers formed into thousands of lightsabers and destroyed the elderly powerhouse's Genesis Divine Light.

James went all out, attacking numerous times. In total, he landed about a thousand punches on the elderly powerhouses.

The elderly powerhouse was dumbfounded. He was powerless in the face of the attacks, and his body was soon riddled with injuries.

Suddenly, James' black gloves released the loud chimes of a bell.

At that moment, everyone around him fell into a dreamlike state. Even the elderly powerhouse was unable to resist it.

James seized the opportunity and transformed his black gloves into the Yuraeceon Genesis Bell. Then, he trapped the elderly powerhouse within it.

He quickly leaped onto the Yuraeceon Genesis Bell and began hitting it rapidly.

The bell rang repeatedly, and the elderly powerhouse who was trapped inside let out shrill screams. The Genesis was absorbed into James's body, causing his blood energy to churn.

James had not noticed that the red plants around him had also fallen into dreamlike states when the bell chimes permeated the area.

The whole place was at a standstill.

The bell rang, and the elderly powerhouses' Genesis slowly drained away. His cultivation rank dropped from the Yuraeceon Daelm Rank's Third Tribulation to the Second Tribulation and then the First Tribulation. Eventually, he dropped out of the Yuraeceon Daelm Rank...

Then, Lesia's voice came from within James.

"You've already reached the peak of the Yuraeceon Xaelm Rank's Seventh Tribulation. If you continue, it'll attract a Heavenly Tribulation.

“You’ll be seeking death if you go through a Heavenly Tribulation here. Not to mention, your friend and wife are here with you.”

Hearing Lesia’s reminder, James quickly stopped striking the bell and raised his head.

When the bell stopped ringing, everyone around them snapped out of the dreamlike state. Everyone looked at James sitting on the Yuraeceon Genesis Bell in shock.

James jumped to the ground and transformed the Yuraeceon Genesis Bell back into a black glove.

The Almighty Dragon General Chapter 5994-Under everyone’s astonished gaze, James pulled up the elderly powerhouse curled into a fetal position. “Answer my question, or else you’ll end up worse.”

The feeble elderly powerhouse’s face was pale. “Y-You’re actually able to absorb Genesis from others? You’re a demon!”

James slapped him and said, “Old man, you should appreciate the chance I’m giving you. Do you want to go through it again?”

The elderly powerhouse had a bleak face. He sighed and replied, “We consumed elixirs that can suppress our cultivation base and seal our cores. We calculated and predicted the Forladtt Land’s opening time to avoid the Yorean Wind’s detection.”

James turned to Truett and asked, “Is it the same as your situation?”

Truett walked over, looked at the elderly powerhouse and said, “If you ate an elixir to suppress your cultivation rank and core, it would take about an entrapoch for your strength to recover. Did you guys start planning for this so early in advance?”

The elderly powerhouse shook his head and said, “We’ve obtained an arcane art that allows US to manipulate the seal time of our cores.”

Truett was shocked. He knew what it meant for one to be able to modify the sealing of one’s core at will.

Even the Timaeus Sect had not mastered such a skill. For the Behaterm Sect to have acquired such a skill meant someone extraordinary was out there.

“How many more powerhouses like you are in the Forladtt Land?” asked James.

The elderly man sighed softly and said, “I don’t know, but there should be quite a few.”

James turned to Xitlaly and asked, “Did you fall into the trap, or were you chased into it?”

Xitlaly sighed and said, “We were being chased. Our group was the first to enter the Forladtt Land. We encountered the powerful Galeat Wind, and many of the lustus Sect’s participants died. After that, the Yaquis Sect besieged us. We desperately fought to escape.”

James frowned and asked, “The Yaquis Sect? Who was leading the team?”

Xitlaly answered, “The Yaquis Sect’s Young Master, Nando Brown. I could sense the group following him were all at the Yuraeceon Daelm Rank. I didn’t expect them to have played such a dirty trick.”

James let out his Zen and searched for the Curse Inscription. He discovered Nando was in an unfamiliar place, entangled with a beautiful woman.

‘He really is trash,’ James thought, then activated his Curse Magic.

In an instant, countless Curse Inscriptions emerged from his Zen.

Thea approached James and asked, “What should we do with these guys, Forty-nine?”

Before James could reply, Truett sprung into action.

His giant sword unleashed thousands of Sword Energy and darted toward the group of disciples from the Behaterm Sect, imprisoning them on the spot.

Truett was a powerhouse that had reached the Yuraeceon Daelm Rank’s Fifth Tribulation. Even though he had suppressed his cultivation base, he was still very powerful.

Xitlaly suddenly said, "They should be killed, otherwise, they will inform their sect, and we'll be chased down again."

The Almighty Dragon General Chapter 5995-On the first level of the Flordtt Land, Nando covered his head and was screaming in pain on a particular fiery red mountain.

Next to him was a beautiful woman with messy hair. She was completely stripped naked, and her face was full of tears. She hurriedly picked up her clothes on the ground, put them on, and ran down the mountain.

Then, a dozen living beings with powerful auras appeared around the mountain.

The moment they landed, they intercepted the beautiful woman.

"How dare you, Javerigh Sect's Saintess! Your cultivation rank has been sealed, but you still attacked our young master. I'll make you pay!"

A middle-aged man wearing a robe belonging to the Yaquis Sect grabbed the woman by the neck and dragged her back.

"Young Master! What's wrong?" A young man rushed over to Nando and picked him up.

Nando pushed him away, sending him flying.

The man got up and saw that Nando had already sat in a lotus position on the ground. His eyes were closed, but his face was tensed.

The Yaquis Sect's powerhouses were stunned. They wanted to intervene but could not muster the courage.

After a while, Nando relaxed and opened his eyes.

"Young Master!" The man who was knocked away approached tentatively.

"It's over for the Behaterm Sect." Nando sighed.

The man frowned and asked, "The Behaterm Sect's Salach has a powerhouse at the Yuraeceon Daelm Rank. How is it over for them?"

Nando took a deep breath and said, "You should leave, Seneca. It's not easy to reach the Yuraeceon Daelm Rank. I know of your loyalty to US."

Seneca said surprisedly, "We agreed to capture the Timaeus Sect's Saintess.

How will I explain to the sect leader if we go home empty-handed?"

Nando thought to himself, 'Capture the Timaeus Sect's Saintess? With James here, even a powerhouse at the Yuraeceon Daelm Rank's Ninth Tribulation might not even be able to help, let alone someone at the Yuraeceon Daelm Rank's Fifth Tribulation.' Nando sent James a telepathic message, saying, "If he doesn't leave, I can only give him to you."

"Let's proceed according to plan."

Nando opened his eyes, which were full of despair. He was the Yaquis Sect's dignified young master, yet he had become a slave to someone else because of a curse. Although unwilling, he did not have what it took to resist.

James recalled his Zen and looked at the trapped disciples from the Behaterm Sect.

"Collect all their valuable things and kill anyone who tries to resist."

James drew his Judgment Scythe and killed the elderly powerhouse who had dropped to the Yuraeceon Xaelm Rank.

Salach screamed in horror, "I'm the young master of the Behaterm Sect! My dad is a powerhouse at the peak of the Yuraeceon Daelm Rank's Ninth Tribulation! If you kill me, he will never forgive you guys."

James slowly walked over under everyone's gazes.

"You've seen something you shouldn't have. Only the dead can keep secrets, especially those without a chance to be reincarnated."

After speaking, James slashed at Salach's neck.

Salach was beheaded, and his lifeless body fell to the ground.

The other disciples from the Behaterm Sect, from whom Truett was collecting valuable possessions, watched in horror.

They never expected the group from the Timaeus Sect to be so ruthless and daring enough to kill their young master.

Xitlaly and the other women also watched in utter shock.
