

The Almighty Dragon General

The Almighty Dragon General Chapter 6111-Truett turned around and said while smiling, “Lyla didn’t want to come!

This one guy should be enough, James! Although he consumed a lot of elixirs to improve, he’s still at the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation, after all.” James watched Yunleiv shouting from within the Hudde Passage and said disappointedly, “I was hoping that either Xachary or Gladwin showed up.

“Oh well. This guy is Xachary’s son, right? With him here, Xachary will come pretty soon. When he shows up, we’ll imprison him in the Forladtt Land and slowly torture him.”

James turned to the group behind him and asked, “Who wants to go first?

Those with a bigger gap in strength aren’t allowed though.”

Rebella looked at James and asked, “Me. Although I’m only at the First Marciais Combat Form, I’m a cultivator at the Yuraeceon Daelm Rank’s Ninth Tribulation uppergrade. My body, bones and soul have reached the same rank. I can use some practice.” “Alright. If you can defeat an opponent at the Yuraeceon Daelm Rank’s Ninth Tribulation upper grade, then you should be able to improve to the peak with our help.”

James raised his hand, and then a black-and-white light approached the Hudde Passage’s barrier to open a gap.

Rebella immediately rushed into the Hudde Passage. Then, the gap closed behind her. She hurriedly launched ferocious attacks at Yunleiv at lightning speed.

Three shining ice needles shot out.

Yunleiv, who was still furious, could not avoid it in time, and the three ice needles pierced into his body.

He screamed, turned around, and thrust out his palm. However, Rebella quickly neutralized his Genesis.

Yunleiv was knocked away by the airwaves and had a look of horror on his face.

When he saw that the person who attacked was Rebella, his face lit up with joy.

“It’s me, Rebella!!! Don’t you recognize me?” Rebella said coldly, “Of course, I recognize you, Yunleiv. You’re the son of the Timaheus Sect’s Leader.”

Yunleiv frowned after noticing the hostility within Rebella’s voice.

“You want to kill me?” Rebella slowly raised her three silver needles and replied, “I don’t want to dirty my hands with your blood. However, I do need some practice.”

After speaking, Rebella took a step forward and threw out her ice needles.

Yunleiv dodged and instantly drew a long, shining golden sword. He slashed out, and countless golden Sword Energies permeated the Hudde Passage.

Under the terrifying attack, Rebella immediately entered the First Marciais Combat Form. However, the golden Sword Energies still injured her, soaking her body in blood.

Rebella narrowed her eyes and said, “The Primary Sword? It’s a waste for you to have this weapon.” She stepped forward and quickly reached for Yunleiv.

Faced with the majestic Qrohm, Yunleiv’s expression suddenly changed.

He quickly stepped backward and quickly unleashed a few palm attacks.

However, Rebella easily blocked his attacks.

Yunleiv retreated to the entrance of the Hudde Passage. He bumped into the barrier and was enveloped by a burst of Quasar Lightning, which caused his body to tremble.

Rebella immediately snatched the Primary Sword from his hand, thrusting it through his body.

Yunleiv let out a miserable scream and a terrifying light emerged from his body, knocking Rebella away. Then, he immediately broke free from the Quasar Lightning.

Rebella, who had balanced herself in the distance, snorted coldly, "I didn't expect your father to have given you the Hadswift Art. Even so, you're still a weakling that will die."

Just when she was about to deal the final blow, James sent her a telepathic message. "It'll be useful to keep him. The others still need to practice, so don't kill him."

The Almighty Dragon General Chapter 6112-Rebella sighed softly, then thrust out her palm. Her Genesis immediately sent Truett away into the distance. Then, she quickly appeared at the Hudde Passage's entrance.

James unleashed a ray of light and created a gap for her to leave.

Rubella said disdainfully, "He wasn't even an opponent. He was just a punching bag."

already. Do you want to try to take him on?" could join forces against him."

"Alright!" James nodded.

against Yunleiv.

James had purposely planned for their practice session. The Forladtt Land was mysterious, so he used it to their benefit. He deliberately created a magical phenomenon with colorful lights, hoping to lure some of the Timaeus Sect's powerhouses to the Forladtt Land.

Once their curiosity takes over and they enter the Hudde Passage, they cannot leave, regardless of their cultivation rank.

James never expected the Timaeus Sect's Saint to be their first capture. He was looking forward to Xachary and Gladwin showing up.

Meanwhile, Xachary was in seclusion in a mysterious place of the Timaeus Sect. Ever since he was severely injured from dropping in cultivation rank, he had stayed in the area trying to recover.

Although he was protected by the two ancestors of their sect and managed to keep his cultivation rank at the peak of the Yuraeceon Daelm Rank's Ninth

Tribulation, he was still unable to accept that he had dropped from the Quasi Daeclon Rank.

Fortunately, he still had his secret art. Even though he could not immediately return to the Quasi Daeclon Rank, he was not too far behind.

At that moment, a black figure broke through his restrictive barrier and approached him. After seeing Xachary still sitting with his eyes closed, the figure knelt on one knee.”

“What happened, Lyla?” asked Xachary.

Lyla raised her head with a complicated expression, then said, “I have a proposal.”

Xachary sighed, “You still don’t want to marry him? You two were childhood friends, so why are you so against...”

Lyla said stubbornly, “The debt I owe will be repaid after I save him.”

Xachary immediately opened his eyes and asked, “What happened to him?”

Lyla said solemnly, “He entered the Forladtt Land. Now he is sealed inside.”

When these words came out, Xachary immediately appeared before Lyla and asked, “Why is he inside the Forladtt Land? That idiot!”

Lyla stared at him and said, “If I rescue him, I want the marriage canceled and for it to never be brought up again.”

Xachary squinted and said, ‘You’re becoming bolder, don’t you think, Lyla?’

The Almighty Dragon General Chapter 6113-Lyla did not respond but stared at Xachary coldly.

Their eyes met, and Xachary felt like the powerhouse at the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation he had raised was so unfamiliar and ruthless.

The Lyla who had always obeyed him and would go through the fire with his order, had completely disappeared.

Xachary squinted and said, "You're not the only one at the peak of the Yuraeceon Daelm Rank's Ninth Tribulation. I could ask Gladwin..."

Lyla interrupted him, saying coldly, "Yunleiv will die if you ask him."

His body trembled in shock, and he asked, "What do you mean?"

Lyla looked directly into Xachary's eyes and said, "Must you force me to tell you before being willing to compromise?"

Xachary's face darkened, and he said with hostility, "Do you want to rebel, Lyla?" Lyla sneered, "Rebel? Ask yourself, Master. Since you picked me up when I was six years old, you've thrown me into the Daemon Prison. When have you ever cared about my life? I relied on myself to reach my current achievements."

"It wasn't until I entered the Yuraeceon Daelm Rank's Ninth Tribulation three epochs earlier than my peers that you noticed me and gave me the title of a low-ranking member."

Xachary was taken aback by her words and said furiously, "You..."

Lyla ignored him and continued, saying, "You never expected me to have reached the Yuraeceon Daelm Rank's Ninth Tribulation upper grade so fast. It was only after I entered the peak of the Yuraeceon Daelm Rank's Ninth Tribulation that you and Gladwin started fighting over becoming my master."

Xachary shouted furiously, "Lyla..."

Lyla interrupted again, saying, "Even so, I was grateful because you brought me back and raised me. Hence, I chose you as my master. Since entering your sect, I've helped you conquer and destroy countries' forces. I helped you acquire at least half of the Timaeus Sect's territory."

Lyla looked at Xachary, who had a darkened face, and said, "Yet, everything seemed like a matter of course for you, and you took me for granted. I didn't mind that you didn't reward me, but how could you plant Deadgory Bugs in me?"

"I know you weren't willing to appoint me as the sect's law enforcement elder but had to because the Grand Patriarch could not bear with your ways and intervened."

Xachary could no longer stand the provocation and grabbed Lyla by the collar.

“Do you really think I won’t kill you-“

Lyla said calmly, “Do you have the strength to do so? You’re no longer at the Quasi Daeclon Rank. We’re both at the Yuraeceon Daelm Rank’s Ninth Tribulation’s peak.”

Xachary felt as if he was struck by lightning. His eyes and jaw widened after Lyla mentioned his cultivation rank.

‘Impossible! This is impossible! How does Lyla know about this? Our sect’s two ancestors are the only ones that know. Gladwin only knows I’m injured ‘Oh, right. There’s the Dark Heavenly Path. Could it be that Lyla has already colluded with her?’ Xachary glared at Lyla, then laughed furiously, “I see how it is, Lyla. You’ve colluded with the Dark Heavenly Path and spread rumors in an attempt to take over the Timaeus Sect? You’re very ambitious!”

He let go of Lyla, took a few steps, and said, “I’ve always wondered how the Dark Heavenly Path’s Genesis Black Lotus came to be.”

□

The Almighty Dragon General Chapter 6114-“With your strength, you could crush most cultivators at the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation. You should’ve been able to stop the Genesis Black Lotus.

“Now that I think about it, everything makes sense. You helped the Dark Heavenly Path merge with the Genesis Black Lotus, allowing her to reach the Yuraeceon Daelm Rank’s Ninth Tribulation peak and bring chaos upon the Genesis Worlds.”

Lyla was disappointed by Xachary’s absurd words to incriminate her. She said, “You’re stubborn, arrogant, and distrusting. Not only that, you never own up to your mistakes. You’re also scheming and exploiting everything you can. That’s the person you are.

“You used the same trick to punish the elder who opposed you. Afterward, you did the same to Forty-nine.

'You're only concerned with cultivation, interests, and power. But have you ever trusted anyone in your life? Have you ever reflected on your mistakes?'

Xachar/s lips twitched in anger after Lyla blatantly exposed him. "So you figured out my cultivation rank dropped and think you can challenge me now?"

"I'm warning you, Lyla. Don't think you can do as you please just because you've experienced countless battles and can beat the other cultivators at the Yuraeceon Daelm Rank's Ninth Tribulation. I won't even have to fight you.

Gladwin will destroy you with my word."

Lyla glared at him and sneered, "So you do have someone you trust? It's a pity the person you trust is planning to take away your position." Xachary's eyes widened in disbelief. He thought to himself, 'Gladwin? Was he the one who snitched? Then how did he know my cultivation rank dropped?' "Master," Lyla sighed and said, it's the last time I'll call you this. To thank you for leading me onto the path of cultivation, I'll do this one last thing for you. After this, we won't owe each other anything. As for the marriage, I am not worthy of your son."

After speaking, Lyla turned around. Just as she was about to leave, Xachary reached out and shouted, "Lyla..."

Lyla halted in her steps but did not look back.

Xachary said nervously, "I see how it is. Gladwin tried to win you over to overthrow me, right?!!

"Please, seeing that we've been master and disciple, save my son. I'll cancel the marriage, but I need you to keep my cultivation rank a secret."

Lyla slowly raised her head, closed her eyes, and said, "After I save your son, I'll leave the Timaeus Sect. Your affairs will no longer have anything to do with me."

After speaking, Lyla stepped into the void and disappeared from the barrier.

Xachary slumped to the ground with a loud bang as if his soul had been sucked away. He had lost an important pawn, one that could suppress countless powerhouses. However, that was not the worst news.

Soon, he would face countless obstacles, and his position as the Timaeus Sect's leader would be in jeopardy.

For Xachary, who valued power more than life, his next challenge was tough.

However, he must face it even if it costs his life.

"Lyla, Gladwin...Do you two really think it's possible to escape my grasp?"

After a while, Xachary slowly stood up, and a ball of light emerged from his palm. Countless bugs squirmed together and looked terrifying.

□

The Almighty Dragon General Chapter 6115-Lyla appeared at the Hudde Passage and stood at the entrance. She observed the seal for a while, then poured her Genesis into it. "Come out and see me, Forty-nine!"

However, she did not receive a reply.

Lyla took a deep breath and said again, "Release Yunleiv! I'll take his place instead. I'm at a higher cultivation rank and have a stronger Genesis. I'll be a better option if you want to improve!"

Her calls were unanswered, and she began to get anxious.

"I know you can hear me, Forty-nine! stop pretending to be inscrutable. I know you've already become the Forladdt Land's master! Come out here!"

Lyla grew impatient and cursed, "Bastard! Didn't you create such a big scene to lure me here? Now that I've arrived, why are you ignoring me?"

"Damn it! You're the reason for everything! Are you not even going to see me one last time?"

Just as she finished speaking, she realized someone was watching her. She immediately unleashed her Zen and saw a dark figure nearby.

The figure sat on a boulder on a mountain peak and ate cores at the Yuraeceon Daelm Rank's Ninth Tribulation like candy. He looked leisurely and nonchalant.

However, Lyla found his demeanor really annoying.

“Are you deaf, Forty-nine?” Lyla’s pretty face darkened.

James looked at her and teased, “I was waiting for you to cry. I heard you’re about to marry Yunleiv. Are you here to save your husband to proceed with the wedding ceremony?” Lyla’s face filled with anger, and she snarled, “Nonsense! I’ll never marry a hypocrite like him!” James said smilingly, ‘Then this doesn’t make any sense. You know the situation in the Forladtt Land, but still came rushing to die? Are you bored of being a powerhouse at the Yuraeceon Daelm Rank’s Ninth Tribulation?’

Lyla took a deep breath and said, “I owe a life and came to repay it. If you let him go, I’ll do whatever you want.” James looked at her thoughtfully. Her behavior was bizarre and did not fit her previous character. It was evident something had happened.

After concluding, James looked at her again and said, instead of that, I’d like to hear about your story.”

Lyla said impatiently, “I’m no storyteller. If you can’t trust me, I can go there before you release Yunleiv.”

James thought to himself, ‘Something is definitely wrong!’ He stared at Lyla and said meaningfully, “Are you really going to do whatever I ask?” Lyla sighed, “Yes. I’ll do it, whether it’s a curse or soul contract.”

Since he saw that Lyla was pretty firm, James did not continue wasting time. He raised his hand and unleashed some Curse inscriptions.

Lyla stood motionlessly in place, allowing the inscriptions to wrap around her.

As the first inscription submerged into her, James thrust his hand forward and poured his Genesis into her body.

After a brief moment, Lyla could not help bear the pain. Her arms wrapped around her head, and she fell to the ground, letting out miserable screams.

Seeing her in such a pitiful state, James could not bear to continue. Suddenly, he thought of everything that happened in the Timaeus Sect.

The Almighty Dragon General Chapter 6116-Lyla always appeared to be cold as ice and unsympathetic. However, she had always unconditionally fulfilled his request.

Looking at her firm and tenacious attitude, James could not help but find her cute. He recalled the time when they last parted ways. Lyla had every chance to kill him in the Forladdt Land and destroy his soul. It was the first time he saw her so helpless and reluctant to make a decision. Ultimately, she could not bring herself to kill him and sealed the Hudde Passage instead.

She was initially a contemptuous and arrogant person. However, she changed and began to have feelings. Even so, there was nothing she could do about it.

After all, her love was unrequited.

Although James had no intention of loving another woman, he could not stop them from harboring feelings for him. He simply could not bring himself to torture someone who had treated him well.

After a while, Lyla slowly got up from the ground and asked, "Is that Franciscus' Curse Magic? It seems you haven't mastered it yet."

James replied coldly, "I'll give you one last chance. Either you go back or continue to accept the curse. The pain will only get worse."

Lyla asked, "Is it more painful than death?"

James thought, 'Does she want to die? Has she already gone mad? I should find out why she's doing this.' He slowly closed his eyes and struck Lyla with Dark Inscriptions.

Gradually, Lyla's soul appeared in his mind. He checked her memory and saw a large circle of silver light.

Inside the silver light were a bunch of bugs multiplying and growing. It seemed they could devour her soul at any given moment.

From the Curse Magic inherited from Franciscus, James found out these were Deadgory Bugs.

Deadgory Bugs could parasitize and devour one's soul. Although very rare, they could reproduce rapidly after being planted into the soul of a living being.

Regardless of cultivation rank, reincarnating would be impossible if one had their soul destroyed by Deadgory Bugs.

‘Who was so vicious to have planted such a thing in Lyla’s soul?’ James did not explain and immediately activated his Curse Magic to the fourth extreme to devour the Deadgory Bugs.

Shortly after, two thumb-sized bugs were exposed.

“Haha! So it’s you guys.”

James was overjoyed. He maximized the Curse Magic, then summoned his Historial Power and Marciais Power to pick out the bugs.

Lyla, who was surrounded by Curse Inscriptions, let out a scream and fell to the ground.

Immediately afterward, a bizarre silver light emerged from her body and was pocketed by James.

James reached out, and terrifying Curse Inscriptions burst out from his body and surrounded him.

The surrounding Genesis was absorbed into his body, and the Curse Inscriptions around him gradually became purple-gold.

‘The Curse Magic’s fifth extreme.’

James immediately absorbed the Deadgory Bugs.

Two red lights shot out from his eyes, and he immediately thrust his palms forward. The four violet-gold evil spirits broke through the restrictions and appeared around Lyla.

Lyla stood up with a pale face. When she saw the evil spirits around her, she was startled.

The Almighty Dragon General Chapter 6117-The evil spirits emitted Qrohm that had reached the Yuraeceon Daelm Rank’s Ninth Tribulation middle grade. Lyla was curious to find out what cultivation rank James had reached.

However, before she could speak, a black-and-white force struck the four violet-gold evil spirits, causing them to rotate rapidly.

Lyla watched in shock as the four evil spirits gradually merged into one.

The combined evil spirit slowly enlarged with a dazzling red light and did not stop until it reached hundreds of thousands of meters tall.

Faced with the behemoth, Lyla could only watch with widened eyes. She asked, 'The Yuraeceon Daelm Rank's Ninth Tribulation upper grade?'

James said slowly, "I probably won't be able to defeat you since you're at the Yuraeceon Daelm Rank's Ninth Tribulation's peak. However, I'd like to try.

Regardless of the outcome, I'll agree to your term."

Lyla frowned and asked, "You want to fight me?"

James nodded and replied, "You can go all out. I'm prepared to be injured and defeated."

Lyla stared at James and questioned, "Are you not afraid I might kill you?"

James said smilingly, 'You won't! I know you won't bear to kill me.'

Lyla was silent. Then, she said, 'You're shameless! I don't understand Curse Magic, but I know you've already planted a curse on me. We live or die together.

What a bastard. Did he do all this to use me as a training partner? I better show him a lesson and vent a little."

She stretched her arms and leaped into the air. Then, her golden Genesis immediately erupted from her body. She was prepared for battle.

James smiled calmly, then urged the evil spirit to move.

As soon as he raised his hand, the sky filled with Quasar Tribulation Clouds and lightning flashed across the area.

Lyla swiftly moved around to avoid the lightning while being protected by her Genesis Divine Light. Then, she summoned two golden dragons.

Initially, she thought it would be easy to penetrate the evil spirit's body. To her surprise, her golden dragons were swallowed up by the evil spirit's body.

"It's that strong?" Lyla murmured and took off into the void again. However, the evil spirit suddenly let out a giant roar, causing her scalp to go numb.

"Die!" Lyla shouted, then unleashed countless palm attacks at the evil spirit from different directions.

Suddenly, the evil spirit's body shrank and evaded all her attacks.

"How cunning." Lyla descended to the ground.

At that moment, James transformed into a Sword Light and darted straight at Lyla.

Growl!

As two golden dragons emerged from Lyla's body, they let out deafening roars.

The dragons collided with James and caused a loud explosion.

Lyla thought the battle was already over. However, James was still charging at her after her dragons were shattered.

She hurriedly dodged, and the Sword Light darted passed her, accompanied by the sound of breaking wind.

"His Qrohm is so powerful," Lyla exclaimed. Before she could recover, a restrictive barrier was inching close on her. In the blink of an eye, she was trapped within the formation.

The next moment, the sky was covered with Tribulation Clouds, and dense Quasar Lightning struck in her direction. At the same time, Wraithflames rose from the ground and surrounded her.

Lyla was caught off guard by the various attacks.

The Almighty Dragon General Chapter 6118-"Begone, Genesis Divine Light!"

Suddenly, a child-like voice resounded. Immediately afterward, Lyla's Genesis Divine Light exploded. Without her protection, her whole body began to tremble within the Quasar Lightning. Even her soul felt numb from the powerful energy waves passing through her body.

Lyla was about to launch a counterattack when she saw two spiritual bodies, one red and one blue, rushing toward her from both sides.

She raised her hand, and dozens of golden dragons emerged from her delicate body, then quickly dashed at the two spiritual bodies.

Unfortunately, Hemera and Fennec destroyed her golden dragons were destroyed almost instantly. Then, they began their series of attacks.

The scorching flames and violent winds put Lyla at a significant disadvantage.

"Damn it!" Lyla roared, then summoned a shining golden sword.

Hemera pounced on her but was instantly knocked away by the sword.

Fennec, who noticed the danger, quickly retreated. Then, he attacked with a wave of wind arrows.

Lyla could not evade the attacks and was injured everywhere. At that moment, she was furious.

Unfortunately, it was not over yet. A large bell, emitting a gray light, appeared in the sky and came crashing down at her with terrifying power.

Lyla gripped her sword and leaped into the air. She went head-on against the Yuraceon Genesis Bell and pushed it higher into the sky.

Her Genesis spread in all directions, causing the Daemon Prison to shake and collapse.

At that moment, Hemera and Fenne jumped onto the Yuraeceon Genesis Bell.

After gathering their powers, they forced the bell back to the ground.

Lyla opened her palm and resisted.

Another pure Genesis soared into the void.

“As expected of a peerless powerhouse who had gone through countless battles.”

James descended from the sky with his hands behind his back and approached.

Seeing her holding up the Yuraeceon Genesis Bell with both hands and her body emitting a golden light, James playfully reached out to her armpits.

Lyla was distracted and could not focus her strength on resisting the Yuraeceon Genesis Bell. At that moment, she was suppressed again.

Lyla shouted angrily, “Shameless!”

James replied calmly, “What do you mean shameless? It’s a battle. It’s not like I ambushed you.”

Lyla blushed and pouted, “Get your hands away from me.”

After a brief confusion, James suddenly realized his palm was in the wrong place and quickly retracted.

“Sorry! That was the wrong place.”

Lyla was embarrassed and angry, so she swung her leg at him. However, James quickly withdrew his hand and caught her leg.

A gray and black force swept through Lyla’s body, causing her to tremble.

Lyla exclaimed, “You’re absorbing my Genesis.”

James eyes widened and he asked, “Really? So I can do that? Well, let me absorb some of your Genesis.”

Lyla immediately did a 180-degree turn and swung her leg at him again.

Immediately afterward, she quickly pushed the Yuraeceon Genesis Bell upward.

Then, she slashed out her golden sword at the formation.

Hemera, Fennec and the evil spirit within the formation were instantly knocked away.

James' formation was shattered unexpectedly.

At that moment, Lyla hovered in the void of the Forladdt Land like a goddess.

James quickly flashed over to her with a Tai Chi below his feet. "Warm-up is over."

The Almighty Dragon General Chapter 6119-Lyla said coldly, "You haven't used full strength yet? It seems you've indeed grown very powerful. An ordinary cultivator at the Yuraeceon Daelm Rank's Ninth Tribulation's peak won't be able to do anything against."

While speaking, Lyla slashed out her giant sword. In an instant, a Sword Formation consisting of tens of thousands of Sword Lights emerged. Numerous golden dragons surrounded the formation, giving it a very extravagant look.

James pointed at her and said, "You've got a bad temper. It's time I extinguish that burning rage in you."

Then, James activated the Third Marciais Combat Form, and his body emitted a gray light.

At the same time, the Tai Chi below his feet began to rotate and move toward Sword Formation.

Soon enough, the Sword Formation was destroyed.

James got close to Lyla and attacked a few thousand times. His Amethyst-Gold Power combined with black and gray forces then enveloped Lyla.

The Galeat Wind roared, and the Wraithflame, as well as Quasar Lightning, struck at Lyla.

Lyla's face paled. She quickly unleashed a golden light, and several dragons emerged to circle her. Faced with James' attacks, she could only keep slashing out her sword while retreating. The two exchanged a few hundred thousand moves in the void in just the blink of an eye. However, the winner had yet to be determined.

James became more aggressive with his attacks. An infant about a year or so appeared and also began launching attacks at Lyla.

His Genesis and Amethyst-Gold Power intertwined, and the aftermath of their confrontation spread in all directions. The tens of thousands of universes at the Hudde Passage were instantly destroyed.

Quasar Lightning filled the Forladdt Land, and Wraithflames blazed into the sky.

Countless golden dragons roared and soared through the air.

The Daemon Prison trembled, and mountains began to collapse. At the same time, the millions of barriers set up in the area also began to shatter.

Lyla's golden light and James' black and white Tai Chi intertwined in the air.

Boom!

After a golden Sword Energy and Amethyst-Gold Power clashed, a loud explosion permeated the area. The sky dimmed, and the rumbling sounds echoed for a long time. Then, the surroundings began to collapse.

The millions of barriers in the Daemon Prison were destroyed. Countless Dark Beings quickly leaped into the air.

At that moment, a giant golden net fell from the sky and covered the Daemon Prison, instantly killing the Dark Beings that had tried to escape.

Meanwhile, countless planets began spinning rapidly and colliding with each other.

The shock waves permeating the air blasted James and Lyla into the distance.

Both of them were startled by the situation.

After a while, Lyla frowned and asked, "So, who's the winner?"

James said calmly, "It should be a tie, right?"

Lyla stared at James and said, "You don't look like someone at the Yuraeceon Daelm Rank's Ninth Tribulation. Yet, the strength you've shown is above an

ordinary cultivator who has reached the peak of the Yuraeceon Daelm Rank's Ninth Tribulation."

James clasped his hands and said, "You're flattering me. I'm only at the peak of Yuraeceon Daelm Rank's Eight Tribulation."

His words dumbfounded Lyla.

James said truthfully, "It's the truth. I won't lie to my kind."

Lyla rolled her eyes and asked, "Be serious. What's your cultivation rank?"

James sighed and said, "I'll say it again. I'm at the peak of the Yuraeceon Daelm Rank's Eight Tribulation."

Lyla appeared in front of James and grabbed his hand.

"Hey! What're you doing? Aren't you a little aggressive?" James wanted to pull back, but Lyla quickly placed her slender jade fingers to examine his meridian.

After checking his for a while, she found nothing unusual.

She looked at James' innocent face and barked, "Is telling the truth going to kill you?"

The Almighty Dragon General Chapter 6120-James was speechless. Lyla simply could not believe that he was a match against her while only at the peak of the Yuraeceon Daelm Rank's Eight Tribulation. After all, she was a powerhouse at the peak of the Yuraeceon Daelm Rank's Ninth Tribulation.

Lyla stared at James for a while, then suddenly lifted his arm and bit down.

However, James could not feel anything.

Lyla gave up. She swung James' arm away, then flew to a collapsed mountain range and sat down. She hugged her legs and appeared to be discouraged.

She pondered whether James was truly only at the peak of the Yuraeceon Daelm Rank's Eight Tribulation. If he were telling the truth, the battle's results would greatly humiliate her. However, oddly enough, she could not find out James' cultivation rank.

“Gray clouds and the chimes of ten thousand bells. The Marciais Combat Form that surpasses Genesis Power. Nirvana Golden Bones and a body emitting colorful light rays. Pure cultivation power and great achievements.”

Lyla raised her head and asked, “You know the contents written on the Jadhea Tablet?”

James walked over, folded his arms, and said while smiling, “Alright, I’ll tell you the truth. If we only compare cultivation rank, you’d be able to kill me at least tens of thousands of times. However, I have the Ultimate Golden Body.”

Lyla jumped to her feet and stared at James in disbelief. After a while, she asked dumbfoundedly, “Really?”

James did not answer to her question. Instead, he spread his hand and summoned the Tai Chi, which emitted gray light.

“That’s Historial Power.” Lyla sensed the terrifying power, and her face paled.

“I also have this.” James raised his other hand, and a black Tai Chi appeared in his hand. Lyla asked, “What’s this?”

“Marciais Power,” James replied with a smile.

“You’re already at the Quasi Daeclon Rank?” Lyla clicked her tongue and stared at James.

James waved his hand and said, “If you’re not going to believe me, then I won’t bother explaining anymore.”

At that moment, a loud chuckle came from the void.

“Wonderful! That was an amazing sight. As expected from the two of our sect’s most talented powerhouses.”

Lyla and James were both shocked to hear the void.

James immediately pulled Lyla and rushed into the colorful lights within the Forladtt Land.

Gladwin, who watched them escape, was stunned. After a while, he rubbed his nose embarrassedly and said, “Why are you two running away? Am I that scary?”

After speaking, he approached the Hudde Passage's entrance, which was already full of collapsed rubble. "Don't be afraid. I just want to chat."

James replied, "What do we have to talk about? The Quasi Daeclon Rank?"

"..." Gladwin smiled and sat down in the void. He slowly raised his head and said, "With your talent and intelligence, it's only a matter of time before the two of you reach the Quasi Daeclon Rank?"

James sent a telepathic message to Lyla, saying, "He thinks there's a Quasi Daeclon Rank? It doesn't exist and was made up to satisfy their egos. There's only a Xaeclon Rank and Daeclon Rank."

Lyla replied, "He's the Great Protector of the Timaeus Sect. I'm afraid he didn't come with good intentions."
