

The Almighty Dragon General

The Almighty Dragon General Chapter 6131-“You really don’t know anything.” Lesia snorted. “Why don’t you try again if you’re brave enough?”

At once, Yang governor became furious. “You...”

“Master, get rid of him.” Lesia looked at James. “Although he’s the famous Yang governor, he’s now the Tai Chi Tribulation Envoy. So, most of his ability has been compressed. Now, he’s only slightly stronger than a powerhouse at the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation.”

“Even if he was in the Daeclon Rank, I’d fight him to death today.” With Murderous Energy, James said, “Besides, he’s only in the Xaeclon Rank.”

While speaking, he suddenly waved his hand. The tower of Forladtt Land appeared in his hand. A ray of light flashed, and James absorbed all the Genesis Powers in Forladtt Land.

At that moment, James’ Ultimate Golden Body manifested. Two rays of light, one in black and the other in white, engulfed his entire body. He stepped onto Tai Chi, and his aura was so powerful that it could destroy the world.

His cultivation also increased to the lower, middle, and then upper grade of the Yuraeceon Daelm Rank’s Ninth Tribulation from the peak of the Yuraeceon Daelm Rank’s Eighth Tribulation. It only stopped increasing when it reached the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation.

Upon seeing that, Yang governor’s expression changed. “You.”

In the next second, dozens of statues exuding terrifying auras appeared around James. Each statue looked realistic.

James rotated in the void quickly, and several rays of white and black light started spreading everywhere. The statues were unsealed simultaneously. The Historial Power and Marciais Combat Form Power from the surrounding area entered James’ Ultimate Golden Body.

All of a sudden, James was engulfed by two rays of gray light. His cultivation rank reached the Xaeclon Rank.

Upon sensing James' terrifying aura, Yang governor panicked. "How dare you bypass the Heavenly Tribulation and use the Quasi Daelcon Rank powerhouse's main self's power to increase your cultivation rank? Aren't you afraid you'll increase the Eternal Calamity and never break through the peak of the Yuraeceon Daelm Rank's Eighth Tribulation?"

"Are you scared?" James' mocking voice sounded from the void. With a superior demeanor, he said, "Kneel and bow to me then."

While speaking, he raised his hand. The Historial Power and Marciais Combat Form Power gathered in his palm and headed toward Yang governor rapidly.

Yang governor was horrified. The terrifying Historial Power erupted from his body. Thousands of hands crept out from his body. They shattered the palms that attacked him.

Right then, James charged toward Yang governor. The two were in the sky among the eighty-one layers of gray Tribulation Clouds. They exchanged countless moves.

Suddenly, the powerful Historial Power and Marciais Combat Form Power filled the void. The aftermath spread throughout Forladtt Land. Truett and the others, who were in the first layer of Forladtt Land, quickly flew upward and dodged the aftermath. All of their faces were pale.

At the same time, Rebella, who was sitting in the void with her legs crossed and waiting for the Deti Heavenly Tribulation to strike, was calm.

She was ready to die. Nonetheless, the Tribulation Clouds above her did not strike. She was puzzled.

"It's James. He's above the Destruction Tribulation Cloud, fighting against the Tai Chi Tribulation Envoy," Xitlaly pointed at the void and exclaimed suddenly.

Then, the other living beings looked up. All of them were stunned.

Lyla covered her mouth and exclaimed, "What kind of monster is he? How could he fight against the Tai Chi Tribulation Envoy?"

"He has to be in the Quasi Daelcon Rank at least." Xatia widened her eyes.

Truett said, “He isn’t in the Quasi Daelcon Rank. He’s a powerhouse in the Daelcon Rank.”

“Isn’t Master at the peak of the Yuraeceon Daelm Rank’s Eighth Tribulation? Rank?”

“I get it now.” Lyla took a deep breath. “He’s the Lord of Forladtt Land. He can use all the resources within Forladtt Land to assist him and increase his cultivation rank temporarily. However, he will also increase the Eternal Calamity.

He might never enter the Yuraeceon Daelm Rank’s Ninth Tribulation.”

The Almighty Dragon General Chapter 6132-Hearing Lyla’s words, the living beings present were shocked, especially Rebella, who was below the Tribulation Clouds. She felt pity.

How could James be so stupid?

If he increased the Eternal Calamity, it would be harder for him to enter the Yuraeceon Daelm Rank’s Ninth Tribulation. Would that not make his Golden Bones and Ultimate Golden Body which he put in so much effort to cast useless?

Upon thinking of that, Rebella flew up. However, she was suppressed by a terrifying restriction. She could not break through it.

“Rebella, you’ve ruined his life. Your life isn’t important. You dragged him down.”

Anxiously, Rebella slapped her forehead.

At that moment, Lyla suddenly shouted, “Rebella, if you choose to end your life, everything he did for you will go to waste. He will never enter the Yuraeceon Daelm Rank’s Ninth Tribulation again. You owe him. Do you think everything will be fine if you die?”

Upon hearing that, Rebella was stunned.

At this time, she heard an overbearing roar coming from above the Destruction Tribulation Cloud. “Kneel!”

In the next second, the mountains in the surrounding area cracked. Under the aftermath of the Historial Power and Marciais Combat Form Power, everything in Forladtt Land collapsed.

Then, a huge fist that contained terrifying Dark Power appeared in the Destruction Tribulation Cloud. It suppressed a young living being in torn clothes.

Suddenly, it struck the ground.

“Save me!” In despondency, Yang governor shouted.

Upon landing on the ground, he was forced to kneel.

At that moment, James’ huge fist formed by the Marciais Combat Form Power was only an inch away from Yang governor’s head.

“In Forladtt Land, I’m God,” James shouted from the void. Then, the rotating Yuraeceon Genesis Bell headed toward Yang governor rapidly.

However, at that moment, irresistible rays of black and white light landed in the void, turning into a Tai Chi pattern that engulfed Yang governor. At the same time, the Yuraeceon Genesis Bell was flung away.

Upon seeing that, not only were Lyla and the other living beings shocked, but James also could not help but frown.

Suddenly, a faint voice sounded from the void. “Kindness of the Paths. Since you have become the leader of this place, why are you raging?”

When James heard that, he looked up to the void. He saw a huge Tai Chi formed by two auras—black and white—rotating. Each aura was filled with divinity that incited worship.

“Tai Chi, you’ve exceeded my expectations,” said James coldly.

“You should take action only when necessary. If you can forgive someone, you should do that.” Tai Chi sighed and continued, “Yang governor is stubborn by nature. Just teach him a lesson. There’s no need to take his life.”

James snorted and said, "He has control over the Heavenly Tribulations. He used his position to take personal revenge and kill living beings. How do you think he should be dealt with?"

"That's on him!" Tai Chi said, "I will punish him severely and discipline him.

However, you increased the Eternal Calamity for temporary strength. That's a grave loss."

"I simply summoned my weapon in the face of an enemy. There's no such thing as a loss." James enunciated each word. "Ever since I started cultivating, I've met more than a million enemies. Anyone who holds a grudge against me is free to come at me. However, the moment they touch my family and friends, they become lowly beings who've crossed my line.

"Even if I'm not currently their match, I will still fight. As long as my soul is intact, there is always a tomorrow. I'll eventually defeat them. Whoever dares to touch my friends, I'll hunt them down until I die, and I'll do so with every reincarnation."

Hearing that, Tai Chi fell silent. Meanwhile, Lyla and the other living beings on the ground were stunned.

They knew that this was James. This was their friend and master. He was clear about grudges and grace, and he was determined. He was a kind man, but he could also be ruthless. He was a hero who was decisive in killing.

The Almighty Dragon General Chapter 6133-At this time, the living beings looked at James in admiration and fear. Even Lyla, who had the combat power of a powerhouse at the peak of the Yuraeceon Daelm Rank's Ninth Tribulation, felt a rush.

After a while, Tai Chi sighed. "Perhaps this is your belief!"

"You are Tai Chi. If you choose to personally rescue him, I know I can't stop you." James pointed at Yang governor, who was kneeling on the ground. "But, I have three conditions."

Tai Chi asked, "What are they?"

“First!” Coldly, James said, “From now on, the living beings of Forladtt Land do not need to go through Yang governor’s Heavenly Tribulations. If you still want to control the living beings here, that job will have to go to someone else.”

Tai Chi responded, “Sure!”

“Second,” said James dully, “The Tai Chi Tribulation Envoy that will be sent to Forladtt Land shouldn’t exploit his position to take personal revenge. Everything should go by the rules. Otherwise, I won’t hold back from taking action. Today is just the beginning.”

Tai Chi answered again, “Alright!”

“Third.” James frowned. “How big is Rebella’s Eternal Calamity? Does it reach the level of the Destruction Heavenly Tribulation? Please answer.”

This time, Tai Chi pondered for a while. Heaving a sigh, he said, “It isn’t at the level of the Destruction Heavenly Tribulation. At most, it’s on par with the Haloed Heavenly Tribulation.”

“I don’t get it.” James shook his head.

Tai Chi explained, “To reach the peak from the upper grade of the Yuraeceon Daelm Rank’s Ninth Tribulation, one needs to go through six tribulations. There are the Vast Heavenly Tribulation, Deti Heavenly Tribulation, Haloed Heavenly Tribulation, Genesis Heavenly Tribulation, Historial Heavenly Tribulation, and Destruction Heavenly Tribulation.”

“I got it now.” James squinted his eyes. “To take revenge, Yang governor increased the tribulation by three ranks. He’s insane.”

Tai Chi became silent.

“Forget it.” James snorted and said, “Allow the Haloed Heavenly Tribulation to strike. If we emerge from it, that is our fortune; if we can’t, that’s our fate.”

While speaking, he looked at Rebella, who was restricted by the Tribulation Clouds in the void. “Rebella, since it’s a tribulation, we have to go through it. You have to be ambitious, determined, and strong-willed to survive. Under the Heavenly Tribulation, you can only survive if you aren’t afraid of falling. We will all be your support.”

When Rebella heard that, her eyes reddened. “Master, I won’t disappoint you. I will repay everything I owe you by continuing to live.”

Then, she turned around. The Genesis Divine Light activated. Her entire body Xatia also shouted, “Rebella, good luck.”

Xitlaly said, “We will assist you in going through the tribulation.”

“What are you guys shouting for? Just go.” Truett rushed toward Rebella’s left side and sat down in a lotus position.

Then, the other living beings rushed to the void. They surrounded Rebella and sat down.

When they shut their eyes, all of them exuded golden light. They became a dazzling golden halo surrounding Rebella.

When James saw that, he was pleased. Raising his hand, he withdrew the Yuraeceon Genesis Bell and black fist that suppressed Yang governor.

Yang governor, who was no longer suppressed, suddenly stood up. He wanted to attack James again, but he was engulfed by the black and white lights of Tai Chi.

“You have made a grave mistake. You can’t be forgiven. How dare you act as you wish?”

Then, Yang governor was trapped in the black and white lights. He entered the black-and-white gas of Tai Chi.

However, Tai Chi’s black-and-white gas did not disappear. It still engulfed the sky of Forladtt Land. Clearly, Tai Chi was waiting to unleash the Heavenly Tribulation for Rebella.

The Almighty Dragon General Chapter 6134-James’ body flashed. Holding the Forladtt Tower, he stopped above Rebella in the sky and sat down in a lotus position.

At that instant, a bright halo appeared around Rebella and engulfed her.

“The United Halo?” Tai Chi was taken aback. “This is a rare sight. This group of living beings is quite interesting.”

Then, following the slow movement of the black-and-white gas, seventy out of the eighty-one layers of gray Tribulation Clouds above Rebella were removed.

In the next second, in the rest of the eleven layers of gray clouds, lightning struck. Countless powerful lightning landed.

When the dark lightning struck the United Halo, it only resulted in a dazzling light. It could not pierce through the halo.

Tai Chi said, “You can accomplish anything if you work together. Why don’t you guys go through the tribulation too?”

Then, another dark lightning struck. Its density was terrifying. Its might and speed had also increased.

With a loud rumble, the United Halo formed by everyone shattered.

Nevertheless, James restored it with a wave of his hand.

At this moment, the living beings around Rebella entered a united state.

Everyone seemed to share the same destiny. They advanced and retreated together. The power they displayed by working together could resist the terrifying Haloed Heavenly Tribulation.

As the Haloed Heavenly Tribulation struck repeatedly, their United Halo was continuously shattered and restored. It grew more secure with each restoration.

Rebella, who was surrounded by everyone, slowly opened her eyes. Looking at the living beings’ calm expressions, her heart felt warm.

She had never experienced such a thing when going through a tribulation. She had gotten to where she was by doing everything herself.

Initially, she thought that cultivation would be lonely and ruthless. Members of the same sect would fight each other to death for a treasure or elixir. So, why were these living beings now advancing and retreating with her?

So many living beings from different sects had gathered to assist her in going through the tribulation. They resisted the Heavenly Tribulation with her. They would also live and die with her. They did not avoid dangers either. It stunned her. She felt the power of friendship even though her heart had long u At this moment in the sky, James, who still had the advantage of the Xaeclon Rank, had resisted more than half of the Haloed Heavenly Tribulation's attacks for Rebella.

Seeing that there was only one gray Tribulation Cloud left in the void, he said, "Let's go. Let her experience the last tribulation herself. She needs to comprehend life and death."

Following James' voice, the living beings around Rebella dispersed.

In the next second, the last gray Tribulation Cloud struck with a loud boom. A powerful lightning bolt engulfed Rebella.

At that moment, the magnificent impact and the excruciating pain made Rebella clench her fists. Nonetheless, she gritted her teeth and persevered through it.

The Genesis Power in her body spread throughout her entire body, resisting the impact.

Despite that, she could feel her physical body corroding. Countless wounds appeared on her body.

"It seems that this physical body can't survive the tribulation. However, thanks to everyone's help, my life will still be intact. I can't disappoint them. I must live up to Master's expectations."

With that in mind, she became more confident. She no longer tried to protect her physical body. Instead, she summoned the Genesis Power to protect her bones and soul. Then, she stood up and activated the Second Marciais Combat Form.

At that moment, another rumble sounded. A powerful lightning bolt struck, destroying Rebella's physical body.
