### The Almighty Dragon General Chapter 6135 -

The Almighty Dragon General Chapter 6135-Suddenly, the gray Tribulation Cloud in the sky disappeared. Only Tai Chi was left behind. It was still in mid-air, covering the entire sky of Forladtt Land.

At this moment, aside from Rebella's beautiful face, her body had turned into bones. She did not look terrifying. Instead, she looked comical.

Upon seeing that, the living beings who were in the first layer of Forladtt Land heaved a sigh of relief.

Meanwhile, Rebella gradually ascended while sitting in a lotus position. A pure golden Genesis Divine Light appeared.

At the same time, countless universes around her rotated and entered her body before disappearing.

the Yuraeceon Daelm Rank's Ninth Tribulation."

"She has succeeded." Xatia quickly nodded. "She went through the tribulation safely. Although she lost her physical body, she can cast it again any time."

On the other hand, Truett smiled. "It seems we think alike. Don't be shy. Let's gather for a hug."

"Who do you want to hug?" Evilly, Xitlaly stared at Truett. "Do you want to hug Rebella?"

Upon hearing that, Truett panicked. "No, that's not what I meant... I..."

Before he could finish his words, Xitlaly pinched his ear. "I think you deserve a beating."

Then, she beat him up and kicked him away.

mouths.

By then, James had safely landed on the ground. His Ultimate Golden Body was covered with an ordinary physical body.

Looking at Rebella who was still recuperating, he sighed and said, “She finally succeeded.”

“She has gone through the tribulation. What about you?” Suddenly, Lyla asked, “Are you going to stay at the peak of the Yuraeceon Daelm Rank’s Eighth Tribulation forever?”

James was taken aback. Then, he smiled. “Like what I said, Heavenly Tribulations exist so living beings can go through them. Although they’re tough, there’s a chance for success.”

“How slim is the chance?” Helplessly, Lyla sighed. “Tai Chi mentioned the Destruction Heavenly Tribulation but didn’t explain the legendary Bone-crushing Heavenly Tribulation and Annihilation Heavenly Tribulation. These three Heavenly Tribulations are known as the most terrifying tribulations. No powerhouse has emerged from them successful before.”

James smiled at Lyla. “Other people might not succeed, but I might.”

Lyla was at a loss for words.

Seeing that James was flying toward a mountain nearby, Lyla went after him.

“Did you realize something just now?”

“What?” Confused, James asked.

The Almighty Dragon General Chapter 6136-“Heavenly Tribulations are for people who want to go through tribulations.” In a soft voice, Lyla said, “Whoever interferes will be struck by the Heavenly Tribulations with the might of the same cultivation rank. However, when we helped Rebella and resisted the terrifying Haloed Heavenly Tribulation just now, no one got hurt.”

“I saw that.” James smiled and said, “Everyone worked together and formed a golden halo. I blocked half of the Haloed Heavenly Tribulation’s might. As for the other half, you guys blocked it with the golden halo. The last bit was resisted by Rebella herself.”

“How was the golden halo formed?” Confused, Lyla asked, “Can it be replicated?”

Upon hearing that, James was stunned. “Do you plan to do the same when I go through a tribulation?”

Lyla nodded. “It’s just that the requirements for this will be quite high. Such power can only be formed when everyone works together.”

James had his hands behind his back as he smiled. “I’m confident that my friends will work as one. I have more faith in that than them increasing their cultivation rank.”

Seeing how confident James was, Lyla bit her lip. “Since Rebella needs time to craft a physical body now, can you answer one question?”

“Do you want to ask why I have such potent power?” James smiled and looked at Lyla. “I can only tell you that it’s because I’m the Lord of Forladtt Land.”

With bright eyes, Lyla said, “I saw you summon dozens of powerhouses in the Quasi Daelcon Rank. All of their powers were at your disposal. Where did they come from?”

James raised his eyebrows before pointing at the void.

“Are they from Forladtt Land?” Lyla stared at James. “Are they from the fourth layer? Can you bring me there?”

James grabbed Lyla’s arm and disappeared.

In a flash, they appeared in the fourth layer of Forladtt Land.

The fourth layer was at a higher level than the battlefield where James reached the Yuraeceon Daelm Rank’s Ninth Tribulation last time.

In that layer were eighty-nine living beings’ main selves above the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation.

Lyla was shocked when she saw the lifelike statues.

When she walked toward a red-haired, middle-aged powerhouse, she exclaimed, “Sir Xaiden?”

“Who is he?” Confused, James asked.

“Xaiden Caddell is one of the two Timaeus Sect’s Grand Patriarchs.” In a hurry, Lyla said, “I didn’t expect his main self to be here.”

Upon hearing that, James frowned. “Does that mean the Timaeus Sect has two Daeclon Rank powerhouses stronger than Xachary and Gladwin?”

“I don’t know if they’re in the Daeclon Rank.” Lyla shook her head. “But, based on the power exuding from their main selves, they should be above the Quasi Daeclon Rank.”

“There’s no such thing as the Quasi Daeclon Rank.” James sighed and corrected her. “There’s only the peak of the Consummation Yuraeceon Daelm Rank’s Ninth Tribulation.”

Upon hearing that, Lyla was taken aback. “What does that mean?”

“It comes from cultivating the purest form of Genesis Power and deriving some Historial Power.” James smiled and explained, “The Quasi Daeclon Rank is a ridiculous rank. A true powerhouse in the Daeclon Rank doesn’t use Genesis Power. Instead, they use Historial Power, which is stronger than Genesis Power.”

When Lyla heard that, she took a deep breath. “Does that mean you used Historial Power when you fought against Yang governor?”

“No.” James smiled and said, “Not only did I use Historial Power, but I also used the Marciais Combat Form Power.”

The Almighty Dragon General Chapter 6137-Lyla found it hard to believe. “Just like that, you defeated Yang governor?”

“I was lucky,” James said. “I defeated Yang governor because he became the Tai Chi Tribulation Envoy and only has ten percent of his power. If he were at his peak, he would take my life easily.”

Upon hearing that, Lyla was shocked. “I see. With only ten percent of his power, he’s already a powerhouse in the Daeclon Rank. How terrifying would he be if he had his full power?”

“There’s no end to cultivation.” James sighed and said, “Take it slow. Cultivation can’t be rushed.”

James looked at Lyla. “You’ve reached the border of the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation. You’re only one step away from the peak of the Consummation Yuraeceon Daelm Rank’s Ninth Tribulation. However, you might need to cultivate for more than an entrapoch to cross this step.”

“I’m not in a hurry.” Lyla shook her head. “With my current cultivation rank, I can still survive in the Three Thousand Great Genesis Worlds and countless Micro Genesis Worlds for now. Your cultivation is more important...”

“I’m not in a hurry either.” James smiled and shook his head. “I don’t want to use Genesis Power to increase my cultivation rank again.”

“What are you going to use then?” Confused, Lyla asked.

“Historial Power and the Marciais Combat Form Power.” With a smile, James said, “I have the Golden Bones. I can turn all Genesis Powers into these two powers. My cultivation rank may not increase as quickly as others, but I’m not weaker than them.

“Besides, I still want to look for the Fourth Marciais Combat Form. Otherwise, it will be really hard for me to enter the Yuraeceon Daelm Rank’s Ninth Tribulation.”

“You have increased too much of the Eternal Calamity.” Feeling bad, Lyla looked at James. “People are selfish, so why are you.”

“Are you guys selfish?” James smiled and said, “If you guys were, the golden halo wouldn’t have appeared to protect Rebella.”

Lyla was taken aback. Just as she was about to speak, she heard Tai Chi’s voice coming from the void. “James, I have gained a lot from meeting you guys today. For that, I will make an exception for you. If you kneel and bow to me thrice, I will dismiss the Eternal Calamity that you’ll need to go through to enter the Ninth Tribulation from the Eighth Tribulation. What do you think?”

When James heard that, he frowned. “I didn’t hear you clearly.”

“Tai Chi is having mercy for you.” Excitedly, Lyla pulled James. “Hurry up and bow to him thrice. It’s a great providence.”

James did not kneel. Instead, he stared at Lyla as if she were a fool.

“Don’t be stubborn.” Anxiously, Lyla said, “All of us worship Tai Chi.”

Then, she knelt on the ground, facing Tai Chi. “Sir Tai Chi, I will bow to you on his behalf...”

Before she could finish speaking, James pulled her up.

“What are you doing?” Lyla was anxious.

“I won’t stop you from kneeling, but I won’t let you kneel on my behalf,” said James coldly.

Lyla said, “You.”

“Tai Chi.” James looked up at the void to see the white-and-black gas. “Are all supreme beings like you so hypocritical?”

“No living being in the countless worlds has ever disrespected me.” Slowly, Tai Chi said, “You’re the first. Do you know the price of disrespecting me?”

“Are you threatening me?” James squinted his eyes.

The Almighty Dragon General Chapter 6138-A voice sounded from the void. “Whether you take it as a threat or advice depends on your attitude.”

“Kneeling and bowing to you? You mean an attitude of surrender?” James snorted.

“I’m the supreme being of all living beings,” Tai Chi said. “I’m in control of the Law of Tai Chi. I can’t allow anyone to go against the law.”

“So, Mr. Franciscus was eradicated by you.” Coldly, James said, “But, did you fulfill your promise to him?”

All of a sudden, Tai Chi became silent. It was obvious that Franciscus was his weak point.

“Although I don’t know what deal you had with Mr. Franciscus, I can guess that it’s related to the living beings from the Dark World of Yin’s Void.

“Mr. Franciscus destroyed Tai Chi World, forming the current Three Thousand Great Genesis Worlds and countless Micro Genesis Worlds. It’s a humiliation toward the Law of Tai Chi and your authority. You had an agreement with Mr.

Franciscus, but you still held a grudge against him!”

Tai Chi fell silent.

“Actually, Mr. Franciscus knew about this.” Leisurely, James said, “Even though he chose to sacrifice himself to protect millions of living beings, he never trusted your deal. Otherwise, he wouldn’t have asked you to give him Yin’s Void and created an independent exotic space.

“I understand it now. Yin’s Void and Forladtt Land must be places where the Law of Tai Chi has been compromised or where you dare not act recklessly.”

Tai Chi remained silent.

“However...” James became serious. “You could take revenge on the Dark World’s living beings from the Three Thousand Great Genesis Worlds and countless Micro Genesis Worlds. You let the Orthodoxes and sects bully them and turn them into servants. You even let them be killed. All of this was done out of your hatred for Mr. Franciscus.”

“So, are you complaining on his behalf?” Tai Chi’s voice suddenly became cold.

“Do you want to be the second Franciscus? Let me tell you this. His cultivation, ability, courage, and intelligence are greater than yours, yet he isn’t as arrogant as you.”

“That’s why I’m not Mr. Franciscus. I don’t want to be like him either.” James continued. “Ever since I began my cultivation, I’ve never thought about being at the top and controlling the Law of Paths.

“My aim is to find my wife. Due to other forces, I had no choice but to reach where I am now.

"I know that it will be hard for me to advance after I leave Forladtt Land because of our confrontation, but I will never admit defeat. I won't lower my head.

"In any world, no matter how my cultivation is, aside from my wife, no force or living being can control me. I won't kneel to any force or living being, even deities.

"Since I won't kneel to you, you can use everything you have to suppress me.

Nonetheless, if I grab a chance, I will take revenge. I won't offend those who don't offend me. However, I will kill those who do."

Tai Chi did not say anything, but the black-and-white gas in the sky of Forladtt Land started rotating at a high speed. It was obvious that he was angry.

Standing next to James, Lyla was so terrified that her face turned pale. Quickly, she pulled James. "Are you crazy? How could you challenge Tai Chi's authority?"

"Authority?" James stared at Lyla. "You guarded the Demon Region for the Timaeus Sect in the past. You should know how they treated the living beings from the Dark World who had turned into humans by cultivation. Where was this authority back then?"

The Almighty Dragon General Chapter 6139-"I entered the Timaeus Sect to find my wife. Because I was born in the Dark World, I was plotted against in every possible way. I was also tricked into entering Forladtt Land. They planned to annihilate my soul and make me face eternal tribulations. Where was this authority at that time?"

Lyla was at a loss for words.

"Are the living beings from the Dark World not living beings?" Coldly, James said, "They have blood and flesh too. They have souls and emotions. They didn't cause any harm. So, why were they treated in that manner? They were known as the Dark Demons. Is it a sin for them to live in this world?"

Then, James looked up at Tai Chi in the sky. “Don’t forget that the living beings from the Dark World used to be a part of Tai Chi World. They occupied half of Tai Chi World.

“In the past, they also worshipped Tai Chi and respected the Law of Tai Chi.

However, because of Mr. Franciscus who destroyed Tai Chi World, everything changed.

“They could no longer enjoy the same treatment as the living beings from the Three Thousand Great Genesis Worlds and countless Micro Genesis Worlds.

They could no longer have fair competition and obtain the same cultivation qualifications. Instead, they became other living being’s prey and toys. They were no different than beasts without souls.”

After that, James said, “Isn’t all of this because of your revenge and anger toward Franciscus? Where was your authority back then? Where was the Law of Tai Chi you mentioned?”

The gas of Tai Chi in the sky above the Forladtt Land rotated even more quickly, but Tai Chi was still silent.

“Authority comes from being rational and following the rules.” Enunciating each word, James continued, “It also comes from being virtuous, impartial, and treating everyone equally. That way, even if the authority were power-oriented, it would be respected.

“But, if one seized the will of all living beings in the world based on one’s likes and dislikes, that’ll make one an authority that’s shameless and despicable and must be eradicated.”

The black-and-white Tai Chi gas in the sky above the Forladtt Land rotated at a rapid speed. Furious laughter erupted from it.

“You’re the inheritor of Franciscus and the chosen one of Paths. Since you’re so unruly, you have to bear the consequences.

“Don’t think that you’ve entered the Daeclon Rank just because you cast the Ultimate Golden Body coincidentally. You still have a long way to go. Without my acknowledgment, you will never break through the peak of the Yuraecheon Daelm Rank’s Ninth Tribulation. Your Ultimate Golden Body will be useless.”

Noticing that Tai Chi was being serious, Lyla quickly knelt on the ground. “Sir Tai Chi, please have mercy. He said those things because he isn’t in his right mind...”

“He’s in his right mind,” Tai Chi interrupted. “He’s more ambitious than Franciscus. His hatred is also deeper than Franciscus’.

“Although Franciscus was unhappy with the Law of Tai Chi, he followed it. On the other hand, this man is different. He wants to subvert the Law of Tai Chi, the rules of the worlds, and me.”

Then, an illusory figure, formed by the black-and-white gas, appeared and landed.

“Tai Chi has descended!” Upon seeing that, Lyla bowed in a hurry. “Forty-nine, kneel.”

However, looking at the black-and-white figure with a powerful aura, James stayed still.

“No living being has dared to act in this manner aside from Franciscus.” Tai Chi looked at James. “You’re more interesting than Franciscus. I’ll play with you then. How about we have a bet?”

The Almighty Dragon General Chapter 6140-“What’s the bet?” James asked.

Tai Chi answered, “In two entrapochs, if you can break through the peak of the Yuraeceon Daelm Rank’s Eighth Tribulation and enter the Yuraeceon Daelm Rank’s Ninth Tribulation, I will admit defeat. If you can’t, you lose.”

James raised his eyebrows. “What are the stakes?”

“If you win, I will dismiss all the Heavenly Tribulations below the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation for you.” Enunciating each word, Tai Chi said, “If you lose, you will face eternal tribulations.”

“I don’t accept the bet.” James rejected decisively.

Tai Chi asked, “Are you afraid?”

“The stakes are too small.” With a snort, James said, “You’re at an advantage no matter the outcome.”

Coldly, Tai Chi questioned, “What do you want to bet then?”

“If I lose, I will face eternal tribulations,” responded James. “If I win, dismiss the Heavenly Tribulations for all living beings from the Dark World. You can’t interfere with Froladtt Land. In the future, we will go our separate ways and never interfere with each other.”

Upon hearing that, Tai Chi laughed. “Don’t you think you’re being too arrogant?”

“I haven’t activated combat mode.” James said, “This is my most gentle state.”

“Alright.” All of a sudden, Tai Chi raised his voice. “You only have two entrapochs. Once the time is up, you have to admit defeat. By then, I will take your life. It will be fair.”

Then, a black-and-white light shot out from his body. It formed a golden wager contract in the void.

James used his Zen to scan it. After that, he said, “On the contract, it should be stated that you can’t harm me and my friends during the two entrapochs. That includes all living beings from the Dark World.

Otherwise, you will suffer from being corroded by demons.”

“What do you take me as?” Tai Chi was furious. “I’m the supreme being of all living beings. How can I do such a despicable thing?”

“It’s best you write it down.” Persistently, James said, “In case you cheat in the future.”

“You...” Tai Chi was angry, but James was still calm.

Thus, Tai Chi shot out two rays of light, one in black and the other in white. He formed another wager contract.

The wager contract in the void turned into a ray of white light and flew up to the sky. The contract was now valid.

Upon seeing that, Lyla felt despair.

In her opinion, it was impossible for James to win since his opponent was Tai Chi. Tai Chi controlled the Law of Tai Chi. It was easy for him to kill James.

Staring at James, Tai Chi said, “You can walk out of Forladdt Land without worries. Go and fulfill your wishes. Don’t leave behind any regrets. But, if you still want to resolve your previous grudges against Yin governor, you can dream on.”

After saying that, he turned into two balls of gases—one in black and one in white—before heading into the large Tai Chi in the sky.

Then, the black-and-white Tai Chi gas in the sky rolled slowly and disappeared.

James heaved a sigh of relief. “I don’t know if you’re my father-in-law or mother in-law. No matter which one you are, we must have a showdown. I’ve had enough of being the dutiful son-in-law. I won’t allow you to bully me.”

After that, he turned around and looked at Lyla, who was worried. He sighed.

“Do you not have faith in me?”

“You have no chance of winning.” Lyla raised her head. “He’s Tai Chi.”
