

The Almighty Dragon General

Chapter 6175

The Almighty Dragon General Chapter 6175-The lusus Sect's headquarters, which had been demolished, was erected again.

Mattaniah invited Gladwin and Yaquis into the headquarters as guests.

With two leaders of the strongest alliances visiting, the lusus Sect felt like they were facing a formidable enemy. After all, they had just experienced the incident of Quartne/s rebellion. Even the Grand Patriarch, Mattaniah, was very careful with the two guests.

Faced with the two guests with unfriendly expressions, Mattaniah smiled and raised his hand, saying, "Please have some spiritual tea." Gladwin picked up the teacup and sneered, "Of course. I'll enjoy it."

However, a certain somebody might not have the guts to drink it. After all, it'd be over for him if he is infected with Deadgory Bugs."

Opposite him, Yaquis, who had already taken a sip from his teacup, immediately spat out the spiritual tea.

Gladwin raised his head and burst out laughing.

Furious, Yaquis unleashed a Sword Light and shattered the teacup in Gladwin's hand.

Gladwin stood up and snorted, "Do you have a death wish?" Yaquis sneered, "You can't kill me. Get Xachary to join forces with you and try me."

Gladwin was infuriated. He raised his hand, and a giant dragon emitting gray power manifested. Then, it immediately darted at Yaquis.

"Is that all you have?" Yaquis roared, then raised his palm. A terrifying palm attack clashed with the giant dragon.

The two terrifying forces confronted each other but were at a standstill. None of them were capable of outpouring each other.

Mattaniah got up and was about to stop them but was suddenly interrupted by a burst of laughter from outside the hall.

The three powerhouses in the hall looked outside and saw James and Yegor slowly approaching with their hands behind her back.

Yegor raised his hand, and a burst of force shot out. It immediately destroyed the two forces still confronting each other, causing a loud bang.

Yaquis and Gladwin were instantly knocked away by the aftermath and stared at Yegor in fear. Neither of them had expected Yegor to be so powerful.

Yegor said smilingly, "Why are you two so angry? This isn't a battle, but the main hall of the lusus Sect."

Gladwin and Yaquis stood in place, completely at a loss.

Mattaniah walked down the stairs and then approached Yegor. He winked at Yegor as if he had grabbed a life-saving straw and said, "Didn't I already tell you I'll take care of this matter? Why did you come in person?"

Yegor smiled mysteriously and said, "With such a happy event happening, how could I not come? What if my old friends complain about it?"

After briefly being stunned momentarily, Mattaniah laughed and said, "You're quite humorous. Come, have a seat."

With that said, Mattaniah pulled Yegor over to the highest seat.

James laughed inwardly as he watched the two of them pretending to be friendly with each other.

Yaquis and Gladwin were simply no match against Yegor and Mattaniah.

Yegor sat down and looked at Yaquis and Gladwin, who were still stunned.

Yaquis and Gladwin looked at each other and then sat down angrily.

Gladwin finally noticed James and said, "I haven't seen you in a long time. I wasn't expecting to see you here."

James smiled faintly, clasped his hand, and said, "Good to see you, Great Protector."

The Almighty Dragon General Chapter 6176-Gladwin nodded, saying, "Mhm. You're one of the best of the younger generation. The Timaeus Sect..."

Before he could finish speaking, Yaquis, who had just sat down beside him, suddenly reached out to James with a potent Genesis.

Boom!

James quickly swung his fist, and his Amethyst-Gold Power mixed with a black and-white force instantly shattered Yaquis' attack.

The hall began to shake, and the aftermath instantly shattered the surrounding furniture.

The powerhouses present were surprised.

Yaquis, on the other hand, was especially confused by the situation. He was surprised a powerhouse only at the Yuraceon Daelm Rank's Eight Tribulation's peak had blocked his attack.

Mattaniah stood up and shouted, "What do you mean by this, Yaquis?!!"

Gladwin said sarcastically, "Bullying someone weaker than you again? You haven't changed."

Yaquis snorted, "This guy cursed my son and his current whereabouts are still unknown. We've got irreconcilable grievances."

Mattaniah was surprised by his words.

Gladwin gloated as his eyes swept over Yegor and James.

Yaquis pointed at James and said, “Hand over my son immediately, or else I’ll obliterate your soul today!”

James looked at the powerhouses present and said, “Do you want me to expose your background in front of everyone here?”

“How dare you speak to me so arrogantly?” Just when Yaquis was about to take action, he saw three dazzling lights rushing into the hall. Immediately afterward, Rebella, Lyla and Xitlaly appeared before James.

The three of them were at the peak of the Yuraceon Daelm Rank’s Ninth Tribulation. They released the Qrohms at Yaquis.

Their Qrohms caused the chair and small square table beside Yaquis to explode into pieces.

Yaquis spun in the air and landed on the ground. He had activated his Quasar Genesis Divine Light, but his face was still full of horror.

He never expected three powerhouses at the peak of the Yuraceon Daelm Rank’s Ninth Tribulation to have suddenly appeared before James. He began wondering what kind of mysterious existence James was.

Gladwin was also surprised to see the powerhouses who had appeared. Not only did Lyla appear, but even Rebella, whom he was the most reluctant to see sacrificed.

What was even more shocking was that the Rebella, who was only at the upper grade of the Yuraceon Daelm Rank’s Ninth Tribulation, had reached the peak.

Mattaniah and Yegor cast each other a glance.

Yaquis felt humiliated and shouted furiously, “Presumptuous! Since you guys are so keen on dying, I’ll grant your wishes!”

Just before he took action, Mattaniah shouted, “Yaquis! This is the lusus Sect’s main hall. Please think twice before doing anything.”

Yaquis turned to Mattaniah and questioned, “Are you standing up for him, Mattaniah?”

Mattaniah’s face darkened, and he said coldly, “James is a distinguished guest of ours. It would be an embarrassment if our sect can’t even protect our guests.”

Yaquis frowned after sensing the warning from Mattaniah’s words.

Xitlaly raised her hand and summoned the Tempest Scepter, immediately illuminating the hall with a dazzling light.
