

THE ALMIGHTY DRAGON GENERAL

Chapter 6191

Chapter 6191

At this moment, Adair covered her eyes quickly.

Then, she used another hand to cover Xatia's eyes.

How could female living beings witness such a scene? Yancy was attacking Wylie recklessly but was suddenly stopped.

“Sir Yancy, please calm down.

We will discuss this later after I'm done dealing with these two tempting men.

As for the two female living beings, they seem fun too.” Wylie's coy voice made the other living beings shudder.

When she stopped attacking, she looked at Xatia and Adair lewdly.

She licked her lips and said, “They are both [novelebookdotcom](#) outstanding living beings.

Keep them in one piece.” Wylie laughed.

She raised her hand, and two pieces of red fabric flew out.

With magnificent Genesis Power, they flew toward James and Truett.

Boom! With aloud boom, James' Amethyst-Gold Power shattered the two red fabrics, and countless

torn pieces of red fabric filled the sky.

Wylie laughed, surprised.

“You're only at the peak of the Yuraeceon Daelm Rank's Eighth Tribulation.

You're quite powerful.” James said to Truett, Xatia, and Adair, “You guys should return to my soul

space.” “No,” refused Truett.

“James, although our cultivation ranks are low, we can...” Before he could finish his words, James

raised his hand, and Xatia and Adair were placed into his soul space.

Truett was stunned.

“James...” “The situation has changed, so have our opponents.” Coldly, James said, “Female living

beings aren't suited for this battle.” Just then, Wylie suddenly flew out.

The aura of the peak of the Yuraeceon Daelm Rank's Ninth Tribulation filled the area.

Suddenly, the entire premise was engulfed in red as the fragrant wind swept over.

It was as if they were in Red Purgatory.

“It's poison.

Cover your face,” reminded James.

“James, let me test her strength.” Truett waved his hand, and a shield engulfed his body.

Then, he activated the Marciais Combat Form and headed toward Wylie.

Immediately, James looked over and saw Wylie holding a black lute in the sky.

She looked enchanting.

The lute made a melodious hum.

Each note plucked one's heartstrings.

It was as if it could touch one's soul.

Right then, Truett, who had just gathered dozens of golden swords in the sky along with the

magnificent gray power, swallowed the sound waves.

Wylie's body flashed.

She appeared beside Truett, who had fallen into a trance.

She raised her hand, and a Soundproof Barrier engulfed him.

At that instant, Truett returned to his senses.

He saw James resisting Wylie's [novelebookdotcom](#) Demonic Sound Blades and heading toward her.

"What a strong Demonic Sound attack." Truett snorted before pulling out a black fabric.

He used it to cover both his eyes and ears.

Then, he summoned dozens of golden swords toward Wylie.

Facing James and Truett's joint attack, Wylie, who had thought she was in control, was forced to back

away after a few rounds of fighting.

Chapter 6192

Suddenly, following the flash of James' powerful gray Sword Light, the black lute in Wylie's hand

shattered, causing her to panic.

Just as she was about to escape, she was engulfed by a huge formation.

James and Truett did not attack her.

Instead, she was attacked by an almost two-year-old baby.

The baby was ghost-like.

She rushed toward Wylie and broke the latter's Genesis Divine Light.

Then, with a spin, she turned into a fiery red Sword Light and pierced through Wylie's body.

"what a strong spiritual body," Wylie exclaimed.

"But, it's nothing amazing." Then, Wylie's body exuded an even more dazzling red light, and the

wounds on her physical body were immediately healed.

However, before Wylie could fight back, she was trapped by the Quasar Lightning and Multicolored

Flame in the formation.

Instantly, two violet - gold evil spirits suppressed Wylie from both sides.

Upon sensing the terrifying death aura, Wylie shouted in fear, "Sir Yancy, please save me." Sadly,

James had added the Soundproof Barrier in the formation.

Thus, her cry for help could not be heard.

While the two evil spirits attacked Wylie, Lesia, Lea, and Fennec also attacked her.

She was entirely restrained.

Right then, James appeared before Wylie and smirked.

"You just reached the peak of the Yuraeceon Daelm Rank's Ninth Tribulation.

Why are you so arrogant? You're just a toy to us." Upon hearing that, Wylie said in a hurry, "Please

don't kill me.

I can bring you endless happiness.

I can promise you..." "I don't need that." With a smile, James interrupted her.

“I don’t like women who doll up excessively and who don’t cherish themselves.” While speaking, he raised his hand.

Countless dark Curse Inscriptions engulfed Wylie.

Instantly, she cried out in fear.

At this moment, Yancy suddenly shouted, “Wylie, you're at the peak of the Yuraeceon Daelm Rank's

Ninth Tribulation.

Why are you taking so long to deal with two living beings? Is your vigor affected after just one month of

messing around...” Before he could finish his words, the formation in the void dispersed.

Wylie fell to the ground, clutching her head.

She rolled on the ground while crying.

It was obvious how much pain she was in.

“Is that Curse Magic?” Yancy frowned.

“Among the two living beings, is one of them the descendant of Franciscus?” While mumbling, he

looked toward the void in shock.

He noticed that James and Truett, who dealt with Wylie, were unscathed.

“James, what are you doing? I haven’t had enough fun.

Why did you stop?” Truett complained.

“How else would you like to have fun?” James glanced at him.

“ Don’t forget that you have a wife.” Truett felt awkward as he laughed.

“Sir Yancy, it should be your turn now.” James looked down at Yancy.

“How arrogant.

Interesting.” Yancy snorted and said, “You guys aren’t worthy of fighting against me.” Then, he

gathered his Genesis Power and shouted, “You two from the Sanctum Sect, your Sect Leader has

been cursed.

Are you guys going to keep watching without doing anything?" Immediately after that, two shadows

appeared at the back mountain of the Sanctum Sect.

They stepped on the void, accompanied by a terrifying gory wind.

Seeing the scene, James and Truett could not help but frown.

They watched as the shadows turned into a man and a woman.

They had appeared out of nowhere.

The man had a head full of white hair, but his skin was glowy.

He looked handsome.

On the other hand, the woman was stunning and enchanting.

Chapter 6193

Looking at them, Truett suddenly snorted and said, "I didn't expect the two evil-doing Yin and Yang

Demons to appear in the Genesis World and become the Grand Patriarchs of the Sanctum Sect.

How strange." The man and woman were taken aback.

It seemed that they did not expect Truett to recognize them at first glance.

"The Two Demons of Yin and Yang?" James pursed his lips.

"Is their reputation worse than mine?" Truett burst out laughing.

"James, if you compare yourself to them, you're insulting yourself." "you two," The female powerhouse

suddenly shouted, "How dare you come and cause trouble in the Sanctum Sect? Are you tired of

living?" The male powerhouse had a twisted smile as he said, "Since one can recognize us at first

glance, they must be enemies.

Kill them!" Staring at them, James said, "You guys stole my status as the Demon Lord, of course I have

to kill you!" As he spoke, he raised his hand and threw a punch.

A terrifying Amethyst-Gold Power headed toward the Two Demons of Yin and Yang.

At that moment, the Galeat Wind, Quasar Lightning, and Curse Inscriptions filled the sky.

The colorless flame with Genesis Power and gray Historial Power changed the color of heaven and earth.

Upon sensing how powerful and terrifying the power was, the Two Demons of Yin and Yang dared not face it directly.

Instead, they dodged simultaneously.

Boom! With aloud rumble, the Amethyst-Gold Power broke through the sky.

Instantly, the main hall of the Sanctum Sect collapsed, along with the mountain range behind it.

Witnessing such a terrifying might, Yancy's expression changed.

"He's only at the peak of the Yuraeceon Daelm Rank's Eighth Tribulation.

How can he control the Historial Power? Did he disguise his rank? He must be in the Quasi Daeclon

Rank." While he was still in shock, the Two Demons of Yin and Yang as well as James and Truett had

already begun fighting in the void.

The Two Demons of Yin and Yang let out the gory wind along with countless black and white skeletons.

The wind gushed rapidly.

Wherever it passed would be filled with eerie cries.

It engulfed James and Truett.

On the other hand, Truett used the golden sword and the Yuraeceon Genesis Bell James lent him to

resist the crazy attacks of the countless skeletons.

James entered the Third Marciais Combat Form.

Using his Ultimate Golden Body, he blocked the black and white skeletons and attacked Yang Demon.

The four of them fought in the sky, their shadows intertwining with one another.

The Genesis Powers, golden Sword Energies, Amethyst-Gold Power, and black and white skeletons

complemented each other as they collided.

The aftermath of the battle was the destruction of all architecture, plants, and mountains around the

Sanctum Sect.

The lower-ranked living beings of the Sanctum Sect were also affected.

There were countless casualties.

It was a ground-shaking and terrifying battle.

All kinds of power attacked without mercy and slaughtered many souls.

Under this catastrophe, the Sanctum Sect was shaken and fell into darkness.

“James, I can’t hold for any longer,” said Truett after having used several Sword Energies to attack the

skeletons.

James raised his hand, and two violet-gold evil spirits appeared beside Truett.

They helped the latter resist the skeletons’ attacks.

What the Two Demons of Yin and Yang did not expect was that the two violet-gold evil spirits were

swallowing the skeletons.

They thought the evil spirits would attack and blast away the skeletons.

Now, however, the spirits were growing increasingly powerful with each skeleton swallowed.

“yin, his evil spirits are consuming our power.” The moment Yang Demon lost focus, he was hit by

James.

The terrifying power caused Yang Demon to exude a stinky, metallic smell as countless wounds

appeared on his physical body.

Seeing this, he flew away, screaming in fear.

Chapter 6194

James launched a follow-up attack, using Curse Inscriptions to engulf Yang Demon.

Immediately, a huge evil spirit appeared and grabbed Yang Demon before consuming him.

In the next second, the huge evil spirit exuded a red light.

Its size multiplied, and its aura also became more terrifying.

“The peak of the Yuraeceon Daelm Rank’s Ninth Tribulation,” James exclaimed.

“Has the Historial Great Curse succeeded?” Suddenly, the evil spirit with a great aura turned around.

It raised its hand and consumed the countless skeletons around it.

“Holy crap!” Truett exclaimed.

“James, did you obtain a fortune again?” James smiled.

With a flash, he appeared beside Yin Demon, who was shocked.

“You should go too.” Then, he sent Yin Demon flying toward the terrifying evil spirit.

Yin Demon screamed as she was swallowed.

Then, the evil spirit exuded a terrifying, fiery red light again and consumed the other evil spirits.

“It has broken through the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation,” Truett exclaimed.

“James, it’s going to become a monster.” “Tt isn’t a monster but a demon.” James raised his hand and

combined himself with the evil spirit.

All of a sudden, the heavens and earth turned red.

Redness engulfed the entire world, planting great fear in the living beings.

Countless living beings of the Sanctum Sect were shocked by this terrifying scene.

1 They were already stunned that James could defeat three powerhouses at the peak of the Yuraeceon

Daelm Rank's Ninth Tribulation.

Now, James could even destroy the heavens and earth.

The living beings could not help but worship him.

Among them were powerhouses at the peak of the Yuraeceon Daelm Rank's Eighth Tribulation.

Nevertheless, compared to James in the sky, they were nothing.

James stood in the void, his hands wrapped with countless fiery red Curse Inscriptions.

They spread out quickly.

Wherever the inscriptions passed, all living beings would kneel on the ground.

The living beings dared not even breathe.

"It's the Historial Great Curse," Yancy widened his eyes and exclaimed.

"It's Franciscus' Historial Great Curse..." After speaking, he saw a thread of magnificent fiery red Curse

Inscriptions heading toward him.

"How dare you," roared Yancy.

He thrust his palms forward.

Two great Genesis Powers shattered the countless red Curse Inscriptions.

Then, the Genesis Divine Light surrounded his body.

With a leap, he headed toward James in the sky.

Looking at Yancy coming over with a great aura, Truett was about to attack with his sword when he

was placed into the soul space by James.

That was because James knew that Yancy was his true enemy.

The previous ones were just practice.

Yancy flew toward James.

He did not stop a distance away.

Instead, with his powerful aura, he used his killer move right away.

He thrust out countless palms, sending great pressure toward James.

James had no choice but to give everything he got.

Yancy was a powerhouse at the peak of the Yuraeceon Daelm Rank's Ninth Tribulation.

His ability should be similar to Lyla's.

However, compared to Wylie and the Two Demons of Yin and Yang from before, he was a lot more

powerful.

Upon facing such a powerhouse, James could not afford to be careless.

He activated the Marciais Combat Form and the Ultimate Golden Body at the same time.

Even after doing so, he still needed to use his Supernatural Powers to match up to Yancy.

Chapter 6195

On the other hand, the more Yancy fought, the more frightened he became.

Initially, he gave up confronting James using Genesis Power to avoid the latter's Historial Great Curse.

However, he did not expect James' Marciais Combat Form to be so powerful.

James' movements were strange, and his attacks were powerful.

His speed and strength were on par with Yancy's.

Yancy could not let James live.

Otherwise, the latter would be a threat to the world in the future.

At that thought, Yancy struck James again with countless palms, enlarging the distance between them.

Then, he shot a colorful signal into the void.

After dealing with the palms, James mocked, “Are you calling for help because you can’t win?” “Kid,

you hid your ability well.” With a cold voice, Yancy said, “ You’ re the descendant of Franciscus.

I’m sure you’re at the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation, yet you pretended to be

at the peak of Yuraeceon Daelm Rank’s Eighth Tribulation.

You’re a liar.” Upon hearing that, James laughed.

“You’re slandering me because you can’t defeat me.

Is this how an upright person acts?” “Don’t be so arrogant.” Yancy snorted and said, “I’m injured from

the previous battle, and my ability has weakened.

If not, do you think you could resist even ten moves from me? “Don’t you dare think of running away.

My sect has eighteen powerhouses at the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation in the

Sanctum Genesis World.

Once they arrive, you’ll be annihilated.” “Is that so?” James raised his eyebrows.

“I’m looking forward to it then.

Let’s see if your help will arrive earlier than mine.” Upon hearing that, Yancy’s expression changed.

He could not sense the dozens of powerhouses at the peak of the Yuraeceon Daelm Rank’s Ninth

Tribulation hiding in this world.

Did they leave, or were they killed? They could not have been killed.

They were all powerhouses at the peak of the Yuraeceon Daelm Rank's Ninth Tribulation.

They could walk freely in the entire Genesis World.

Unless they encountered a powerhouse in the Quasi Daeclon Rank, they would not die so quickly.

Right then, in the southern part of the void, a tall and beautiful figure appeared.

"Lyla?" Yancy's expression changed.

Looking at Lyla, James smiled.

"You're quick, as expected." Lyla hummed in response, confused.

Then, she turned to look at Yancy.

Facing her sharp gaze, Yancy could not help but shudder in fear.

After all, Lyla used to be the Law Enforcement Great Elder of the Timaeus Sect.

At the same time, she was the Law Enforcement Great Elder of the entire Righteous Alliance.

She had killed more than thousands of Sect Leaders and Lords.

She fought for most of the Genesis Regions of the Timaeus Sect.

She was a powerhouse at the peak of the Yuraeceon Daelm Rank's Ninth Tribulation.

However, she did not rely on cultivating in sanctuaries or cultivation resources.

Instead, she became a powerhouse from fighting battles.

Although Yancy was injured and had not recovered all his ability, even if he were at his peak, he might

not be able to defeat Lyla.

Moreover, there was James, whose ability was unknown.

Yancy had zero chance of winning.

As a Sect Leader, his reputation would be tarnished if he ran away now.

Yancy pointed angrily at Lyla.

“Aren’t you the Law Enforcement Great Elder of the Timaeus Sect? How could you be with the

descendant of Franciscus? You...”

Chapter 6196

“you’re placed second among the powerhouses at the peak of the Yuraeceon Daelm Rank’s Ninth

Tribulation in Genesis World,” Lyla interrupted coldly.

“I’ve always wanted to challenge you, but I couldn’t find a chance to.

Now’s the time.” “Lyla.” Yancy panicked.

While stepping backward, he shouted angrily, “Since I’m injured, you’ll definitely win.

You...” However, just as Lyla was about to attack Yancy, a terrifying aura manifested in the eastern part

of the void.

Under the aura, countless rifts appeared in the void.

The void collapsed instantly.

James and the others turned to look at the void.

They saw Yaquis Holiness and dozens of powerhouses at the peak of the Yuraeceon Daelm Rank’s

Ninth Tribulation walking over.

Upon seeing that, Yancy, who had been terrified, laughed freely.

He now had a chance of survival.

“My help has arrived.

Today will be your doomsday.

Lyla, no matter how strong you are, you won't be the match of a powerhouse in the Quasi Daeclon

Rank.

“Don't worry.

I won't let Yaquis Holiness kill you.

I will only let him seal your cultivation and make you my partner in cultivation.”

Then, Yancy licked his

lips lewdly.

“I have taken a fancy to you for along time.

Now, I can be intimate with you.

Hahahahaha.” Looking at how wildly Yancy was laughing, Lyla exuded a Murderous Energy.

However, she was blocked by James.

“Calm down for now.” Lyla was speechless.

“James, long time no see.” At this time, Yaquis Holiness laughed in the outside ring of the void.

“Sir Yaquis.” James looked at Yaquis Holiness.

“Aren't you busy? Why are you so free to watch the battle?” “I have nothing to do now.” Yaquis

Holiness laughed.

“I'm interested in your battle.” Upon hearing that, James smiled meaningfully.

Yaquis Holiness was a cunning man.

There must have been a reason behind his appearance.

Then, Yancy, who was initially laughing, appeared beside Yaquis Holiness.

“Sir Yaquis, you're finally here.

This is the descendant of Franciscus.

He's a demon of the Dark World.

He's trying to get our Sanctum Genesis World.

He's openly going against our new alliance." "Also, this is Lyla, the Law Enforcement Great Elder of the

Timaheus Sect.

She has colluded with a Dark Demon.

We should apprehend her and seal her cultivation.

Then, we can summon the Genesis World and expose the Timaheus Sect." When Yaquis Holiness

heard Yancy's words, he rolled his eyes at him.

"Aren't you supposed to be recuperating in the Behatrem Sect's headquarters? You couldn't even

participate in the battle this time, so why are you here?" Upon hearing that, Yancy was stunned.

"No, Sir Yaquis.

The Behatrem Sect won this Sanctum Genesis World.

Of course, it belongs to us..." "Who told you that?" Yaquis Holiness cut Yancy off.

"Did I agree to this?" At that, Yancy did not know what to say.

At this moment, a beautiful female powerhouse ridiculed, "It seems that Sir Yancy has coveted the

Sanctum Sect because of Wylie, who enchanted everyone.

That's why he came here for recuperation." When Yancy heard that, his face darkened.

"Xaila, stop spouting nonsense.

You..." "I heard that Wylie of the Sanctum Sect is Xachary and Gladwin's partner in cultivation." All of a

sudden, James said, "But, I saw Sir Yancy hugging her with my own eyes.

It's obvious that they have become partners in cultivation." Then, James looked at Yaquis Holiness,

who had a ghastly expression.

“Sir Yaquis, it seems that the new alliance isn’t entirely together.

Sir Yancy has become partners with Gladwin and Xachary’s partner in cultivation.

Did he fall for her beauty? Was he planning on leading the Behatarm Sect to betrayal and take refuge

in the Timaeus Sect and Righteous Alliance?”

Chapter 6197

Upon hearing that, Yancy was terrified.

Hurriedly, he bowed before Yaquis Holiness.

“Sir Yaquis...” “That’s enough!” Irritatedly, Yaquis Holiness shouted, “Yancy, you must give me an

explanation.” “No, it isn’t like that.” Yancy pointed at James.

“It’s them.

They attacked the Genesis Region controlled by our new alliance.

That’s why...” “Didn’t you receive Sir Yaquis’ order?” The beautiful female powerhouse, Xaila Jennings,

interrupted Yancy.

“All forces of the new alliance must retreat from the Sanctum Genesis World and the Xyndaros Genesis

World.

How dare you ignore the order?” Hearing Xaila’s words, Yancy felt as if an explosion had gone off in his

head.

He was bewildered.

Then, Yaquis Holiness looked at James.

“James, our agreement was via the soul contract.

I have followed the terms of the agreement, but I didn’t expect my subordinates to be so bold.

I can't believe they caused so much trouble." "No worries." James smiled and said, "Anyway, the

Sanctum Sect no longer exists.

You can just continue following the agreement." "Of course." Yaquis Holiness sighed and said, "But, the

three powerhouses under you have tied up eighteen Behatarm Sect powerhouses at the peak of the

Yuraeceon Daelm Rank's Ninth Tribulation.

Shouldn't they be released now?" Eighteen powerhouses? James was stunned as he turned to look at

Lyla.

Yaquis Holiness smiled and said, "Elder Lyla's Supernatural Power is peerless.

She's almost invincible among the powerhouses at the peak of the Yuraeceon Daelm Rank's Ninth

Tribulation in the Genesis World.

But, she has gone overboard this time." "T didn't kill them.

I only captured them because my master needed cultivation resources." Lyla enunciated each word.

"Based on the law of the Genesis World, whoever wins can hold the loser captive.

No living being or force can ask the winner to let the loser free." Seeing how overbearing Lyla was, the

powerhouses behind Yaquis Holiness wanted to take action but were afraid to.

At this time, James smiled.

"Since such a law exists, I'm sure you won't break the law, right?" Upon hearing that, Yaquis Holiness

laughed.

"The law is the law, but we can negotiate." Then, he spoke to James in secret.

"T will hand over four powerhouses at the peak of the Yuraeceon Daelm Rank's Ninth Tribulation under

Yancy to you.

As for the other fourteen powerhouses, I'll take them.

What do you think?" When James heard that, he frowned.

He decided to ask Lyla about it.

From Lyla's response, James learned that the three stunning women had agreed a long time ago to not

kill any Behatarm Sect powerhouse at the peak of the Yuraeceon Daelm Rank's Ninth Tribulation.

Instead, they would seal the powerhouses and use them to help James go through tribulations.

The answer touched James.

The three women had done a lot for James.

It was a pity that Yaquis Holiness found out about it.

Otherwise, he would not have come to see James when the battle was so intense.

It seemed that Yaquis Holiness wanted to take the opportunity to get rid of Yancy and take the latter's

subordinates to expand his sect.

At that thought, James said, "There are eighteen powerhouses at the Yuraeceon Daelm Rank's Ninth

Tribulation, but you're only giving me four of them.

Don't you think that's a bit unfair?" "Six of them.

I can't give you more than that," Yaquis Holiness answered.

"Give me the rest of them.

I need them urgently.

In return, I'll owe you another favor.

If you need help, I will help you.

The soul contract is witness." Then, he took out a soul contract and handed it over to James.

James accepted the content in the contract.

As the soul contract disappeared, Yaquis Holiness suddenly grabbed Yancy, who was kneeling on the ground.

Using the Historial Power, he sealed the latter's cultivation and gave him to James.

Upon seeing that, Yancy screamed, "Sir Yaquis, what do you mean by this? You..." Before he could

finish speaking, James stepped on him.

At this time, Yaquis Holiness smiled and said, "James, I'll go and get the powerhouses now.

To avoid conflict, you should inform your subordinates." Then, he took the dozen powerhouses at the

peak of the Yuraeceon Daelm Rank's Ninth Tribulation and left.

"What deal did you make with him?" In a hurry, Lyla asked, "Don't you know that he's as cunning as

Xachary and Gladwin?" James smiled and waved his hand.

Then, he told Rebella and Xitlaly to hand over twelve powerhouses at the peak of the Yuraeceon

Daelm Rank's Ninth Tribulation to Yaquis Holiness.

He also issued an order before turning to look at Lyla.

"when they return, I will give you an explanation, alright?" Just as Lyla was about to speak, she saw

James grab Yancy and descend to the ground.

"What are you doing?" Lyla mumbled, "It's a gift from us to you.

Why are you giving it to someone else?" Then, she followed after James.

With a clang, James threw Yancy next to Wylie and said, "This couple is the real pawn." Lyla was about

to say something when she saw two figures appear in the void.

In the blink of an eye, Rebella and Xitlaly appeared before James.

"Why are you handing over twelve powerhouses at the peak of the Yuraeceon Daelm Rank's Ninth

Tribulation to Yaquis Holiness?" "James." Xitlaly also complained, "Do you know how much effort we

put in to catch those powerhouses?" "I know!" James looked at them.

'But, there's something you guys don't know." Rebella and Xitlaly were taken aback.

They looked at Lyla.

"Don't look at me." Angrily, Lyla said, "I'm clueless too.

Apparently, our good intentions were for nothing." "I didn't say that." James hurriedly waved his hands.

"Can you guys listen to me first?" The three beautiful women snorted.

Although they were angry, they wanted to hear his explanation.

Turning around, James looked at Yancy and Wylie on the ground.

Then, he raised his hand, engulfing Lyla, Rebella, and Xitlaly in a Soundproof Barrier.

At the same time, he let Truett, Xatia, and Adair out of the soul space.

Chapter 6198

The moment Truett appeared, he opened his mouth to complain to James.

"James..." "Stop.

Let me say something first." James turned around and looked at Rebella, Lyla, and Xitlaly.

"I'm touched by your effort.

I feel grateful to you.

"However, I have told Truett about this.

For my Heavenly Tribulation to enter the Ninth Tribulation from the Eighth, I can't be eager for it. I also

can't go through it with just anyone's help.

I need a great providence." Hurriedly, Rebella asked, "Is there anything wrong with getting more

cultivation resources?" "Yeah." James smiled at her and nodded.

“Did you see me absorbing anyone’s Genesis Power after I got out of Forladdt Land?” Upon hearing

that, the living beings present were stunned.

They thought about it, and his words were true.

“I don’t need Genesis Power now.” James sighed and said, “I need Historial Power and Marciais

Combat Form Power.

There’s a secret behind this.” The living beings widened their eyes, listening to James attentively.

James said, “I have the Ultimate Golden Body.

I can store unlimited Genesis Powers and turn the Golden Bones into Historial Power and Marciais

Combat Form Power.

Absorbing another person's Genesis Power is an exception.

“Now, there are other people’s Genesis Powers in my body.

I have reached the border of having a breakthrough.

No matter how much more I absorb, a Heavenly Tribulation will be triggered.” Upon hearing that, the

living beings present took a deep breath.

It turned out that James had been on the verge of death even though he looked powerful.

He could face the Three Great Heavenly Tribulations at any time.

“Let’s return to the topic of the eighteen Behatarm Sect powerhouses at the peak of the Yuraeceon

Daelm Rank’s Ninth Tribulation.” James looked at the living beings.

“I didn’t expect Yaquis Holiness to keep watch over them so tightly.

The moment you guys subdued them, he came to me.” “He’s nothing.” Rebella snorted and said, “It’s

not like we don’t have a chance of winning.” “You’re right.” James looked at Rebella.

“But, if we have a falling out now for this tiny bit of benefit, both parties will suffer heavy losses.

Not only will we lose the Sanctum Genesis World that we had just gained, but we will also make a powerful enemy.

At the same time, we will benefit the Timaeus Sect.” Truett frowned.

“Does Yaquis Holiness not have any concerns?” “Of course he does.” James smiled and nodded.

“His biggest concern is the Iustus Sect and the Skynet.

He’s also afraid of pushing us to the Timaeus Sect.

After all, we may be small in numbers, but we have enough combat power to fight against half of the

powerhouses in their new alliance.” “I get it now.” Lyla frowned.

“Because of these concerns, he chose to give up control over the Sanctum Genesis World in return for

the Behatrem Sect powerhouses at the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation.” “You

have underestimated Yaquis Holiness.” With a smile, James said, “Claiming the Sanctum Genesis

World is a deal I made with Yaquis Holiness long ago.

He came to me personally this time not only because of the powerhouses at the peak of the Yuraeceon

Daelm Rank’s Ninth Tribulation but also because he wants to get rid of Yancy, the Sect Leader of the

Behatrem Sect.

That way, he can absorb the Behatrem Sect entirely.” Upon hearing that, all living beings turned to look

at Yancy outside the Soundproof Barrier.

“Oh my.

What a vicious scheme.” “How could Yaquis Holiness scheme against the people of his new alliance?”

“Yaquis Holiness is an ambitious man.

He knows that his prestige alone isn't enough, so he had to get rid of Yancy to incite fear in others."

"How pitiful.

Yancy is probably still clueless about this." Hearing their discussion, James smiled.

Chapter 6199

James had said everything he could say.

The rest was still kept hidden.

On this journey, he always believed that true strength was the foundation that gave one influence and a foothold.

One had to be powerful.

Take Franciscus as an example; he could crush all powerhouses in Genesis World.

Other strongholds were like the Timaeus Sect and the Yaquis Sect.

They had countless powerhouses; the more the merrier.

Undoubtedly, James wanted both.

He also had the capability of having both.

Although more than half of the captured peak Yuraeceon Daelm Rank's Ninth Tribulation Behaterm

Sect powerhouses had been taken away by Yaquis Holiness, James still had six of them.

Including Yancy, the Behaterm Sect's Leader, and Wylie, the Sanctum Sect's Leader, he had a total of

eight powerhouses at the peak of the Yuraeceon Daelm Rank's Ninth Tribulation.

If these powerhouses were used as cultivation resources, it would be a waste.

However, if James used Curse Magic to control and make use of them, the Jademora Empire's overall

strength would increase.

More importantly, Yaquis Holiness wanted to take the opportunity to get rid of Yancy and absorb the

Behaterm Sect.

Of course, James could not let him succeed.

As long as Yancy and the remaining six Behaterm Sect powerhouses were in James' hands, with

Yancy's prestige, regaining control of the Behaterm Sect would not be a problem for James.

As for the Behaterm Sect, whether it would continue to stay in the new alliance, withdraw from it, or ally

with the Justus Sect and the Skynet, James could call the shots.

According to Yegor's words, Forladtt Land might be a refuge camp for all living beings from the Three

Thousand Great Genesis Worlds and countless Micro Genesis Worlds.

If so, James had to prepare in advance.

James dared not put his hope in the Skynet, but the Justus Sect and the Behaterm Sect could be used

as the foundation for the Jademora Empire to be established in Forladtt Land.

This strategy was better than any other strategy.

Next, James let Lyla, who was the most familiar with sect affairs, take over the Sanctum Sect with

Rebella and Xatia as her assistants.

Meanwhile, James went to the sanctuary where Yancy and Wylie were imprisoned.

Seeing how pitiful the two living beings looked, James walked toward a huge rock and sat on it.

Upon seeing James, the two living beings climbed up and bowed at him.

They begged for him to spare their lives.

Sighing, James pursed his lips and smiled.

"You guys should thank Tai Chi.

Otherwise, your original forms would have been exposed by now.” Upon hearing that, Yancy and Wylie were taken aback.

Although they had no idea what James meant, they sensed that he was going to spare their lives.

In a relaxed manner, James said, “I don’t care why you guys became a couple in the first place, but you guys are husband and wife now.

Do you guys want to be together always or be far apart?” Yancy raised his head.

“We want to stay together, of course.

As long as you don’t kill us, we will listen to anything you say.” Wylie hurriedly said in a coy tone, “I

want to be your assistant and protect you.” “Hey, read the room,” Yancy said angrily.

“How dare you disobey Master?” Wylie quickly shook her head.

“You're a pervert.

I don’t want to be with you.

I don't...” “That’s enough.” James sighed and said, “I’m not here to listen to a couple quarrel.” Yancy

and Wylie shrunk in fear.

They shut their mouths right away.

“T'll give you guys a chance to live.” James looked at them.

“But, it depends on whether or not you guys can grab the chance.”

Chapter 6200

Hearing that, Yancy and Wylie’s eyes burned with passion.

Their will to live strengthened.

“Master, what do you want us to do? Just instruct us.” “Master, I still want to be by your side and serve

you.” Looking at them, James said, “Sir Yancy, do you really not want the Behatarm Sect anymore?”

Helplessly, Yancy sighed.

“I can’t even protect myself now.

How can I care about the Behaterm Sect?” “Since you look down on yourself, it will be better if you’re

annihilated.” James glanced at him.

Yancy was taken aback.

He quickly lowered his head.

“I understand what you mean, but Yaquis Holiness is determined to merge my Behaterm Sect.

That’s why he took the opportunity to seal my cultivation and give me to you.

But, he forgot that the Behaterm Sect is one of the Ten Great Sects.

Did he think he could control the powerhouses at the peak of Yuraeceon Daelm Rank’s Ninth

Tribulation easily?” Then, he looked at James.

“Master, if you know how to get rid of my seal and let me return to the Behaterm Sect’s headquarters, I

can order all living beings of the sect to withdraw from the newa alliance.

I will order them to only follow your lead.” “That’s not what you actually think.” James smiled and shook

his head.

“You’re thinking of running away from here once your seal has been broken.

Then, you will lead the Behaterm Sect to take refuge in the Timaeus Sect.

You will go against me and Yaquis Holiness until death.” Upon hearing that, Yancy was shocked.

He thought, ‘This guy is amazing.

He can read my mind.’ At that thought, he tried to think of an excuse.

He lowered his head again.

“Master, I don’t have the courage to do that.” “Whether or not you have the courage to do so, I don’t

trust you.” Then, James reached out, and a line of magnificent Curse Inscriptions engulfed Yancy.

Yancy screamed painfully.

Under the countless red Curse Inscriptions, he struggled and cried out in pain.
He was in a lot of pain.

Upon seeing that scene, Wylie backed away in fear.

She had experienced such pain before.

She did not want to experience it again.

However, James already had his eyes on her.

“Master, I won’t betray you.” Wylie knelt on the ground hurriedly with a pale face.

“I know what you’re thinking.” James looked at her.

“You’ve had a difficult life.

To honor your teacher’s final wish and let the Sanctum Sect live, you had to use your body to serve
men to make ends meet.

“According to the outside world, you use the blood of babies as cultivation resources.

You're a devil who does evil things.

In reality, you were forced by the Two Gods of Yin and Yang.

They were the ones who cultivated with the blood of babies.

Yet, you took the blame.” When Wylie heard that, she was shocked.

“H-How did you know?” “In Curse Magic, Soul Retrieval is very important.” James smiled and said, “Did

you think you could hide it from me?” Wylie widened her eyes and took a deep breath.

“You really are unpredictable.” “It’s difficult for a female living being to support a huge sect.” James

sighed and said, “Nevertheless, you didn’t disappoint your teacher.

Even though you had to lay yourself down and face humiliation, you kept to your true self.

You’re a hero.” Hearing that, Wylie suddenly fell to the ground and began to cry.

Her cry sounded pitiful.

One could tell how helpless and bitter she felt.

Looking at her, James sighed and said, "Don't worry.

As long as you stay loyal to me and do not scheme, I promise you that you will live a good life.

You might even get greater providence and increase your cultivation rank.

As for the Sanctum Sect, if you perform well, I'll return it to you."
