

The Almighty Dragon General Chapter 6350

The Almighty Dragon General Chapter 6350-“A three-star powerhouse will have the strength of someone at the Yuraeceon Daelm Rank’s Fifth Tribulation. A four-star powerhouse is about the Yuraeceon Daelm Rank’s Sixth or Seventh Tribulation. Meanwhile, a five -star powerhouse equals the Yuraeceon Daelm Rank’s Eighth Tribulation.”

James frowned and asked, “So a six-star powerhouse has the strength of someone at the Yuraeceon Daelm Rank’s Ninth Tribulation?”

Yrian said smilingly, “Yeah. However, a six-star powerhouse is enough to defeat powerhouses below the Yuraeceon Daelm Rank’s peak.”

James’ eyes widened in shock, and he asked, “Doesn’t that mean a sevenstar powerhouse is enough to rival someone at the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation?”

Yrian smiled and replied, “Nope. A seven-star powerhouse can suppress all the Genesis World’s cultivators at the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation. That’s exactly what Franciscus did.”

James looked at Yrian in shock and asked, “Wasn’t Franciscus so strong because of the Historial Curse Magic’s sixth extreme and the peak strength of the Yuraeceon Daelm Rank’s Ninth Tribulation?”

Yrian said smilingly, “Historial Curse Magic is a Supernatural Power. I’m talking about his combat strength.”

James frowned and said, “But he told me he was only at the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation...”

Yrian explained, “That’s only part of his strength. After activating the Marciais Combat Form and Historial Curse Magic, he has the strength of a seven-star powerhouse.”

James was shocked by the discovery. He never expected the mysterious world to have such a different ranking system. He pondered, ‘If a sevenstar powerhouse could defeat all the Genesis Worlds’ powerhouses at the peak of the Yuraeceon Daelm Rank’s Ninth Tribulation, then an eight-star powerhouse

would dominate the Genesis Worlds.' Yrian smiled at James and said, "Let me put it this way for you. You've met the God of Death, Clayton, right?"

James nodded hurriedly.

Yrian smiled and asked, "What do you think his star ranking is?"

Stunned, James replied, "Clayton is known as the most powerful person in the Genesis World. He should at least have an Eight-Star Combat Power, right?"

Yrian said smilingly, "Nope. We only have three powerhouses with an Eight-Star Combat Power and one with Nine-Star Combat Power."

James exclaimed in shock, "If he's not an eight-star powerhouse, then is he a seven-star powerhouse?"

Yrian nodded, saying, "Bingo. However, the Seven-Star Combat Power can also be divided into upper and lower grades. Franciscus is in the lower grade, whereas Clayton is in the upper grade.

"Queena, whom you met just now, is also a seven-star powerhouse. Her strength should not be underestimated."

James almost fainted at the news. Clayton was a powerhouse that dominated the Genesis Worlds, yet he only had a Seven-Star Combat Power in the Yang World. He thought to himself, 'Then how strong is an eight-star powerhouse like? If someone like that were in the Genesis World, they'd be terrifying.' He frowned and asked, "Can I ask about your cultivation rank?"
