

The Almighty Dragon General Chapter 6360

The Almighty Dragon General Chapter 6360-Dark Thea suddenly smiled menacingly and said, "Thank you for the spiritual wine and advice, Mr. Clayton.

Your words made me understand what I should do and strive for now.

"Just like you said, James has already done so much for me.

How could I ask him to help me settle my past life's grievances? I'd be dragging him into the abyss again.

"Our fate seems closely intertwined.

We should end it in this life.

I'll give up my emotions and desire, then overthrow Tai Chi.

By doing so, I'll be able to clear his path to entering the Daeclon Rank and repay his feelings.

"It doesn't matter whether or not I have my emotions.

Only one of us can exist between Tai Chi and me.

Otherwise, I'll make sure we perish together." After speaking, Dark Thea's body trembled, and countless purple-pink rays emerged, transforming into sharp swords.

The sharp swords slashed at the colorful forces connected to the red energy balls.

Clayton shouted hurriedly, "What I said was bullshit! I have no idea what I was saying!" Afterward, he ushered Leuko forward and shouted, "Tell her! Hurry!" Leuko said regretfully, "It's useless.

She has already made up her mind." "No!" Clayton roared, then rushed toward Dark Thea with a terrifying Murderous Energy.

Boom! The evil power permeating from Dark Thea's body instantly shattered Clayton's Murderous Energy.

Leuko shouted, "Don't fight.

She has severed her emotions and desires to gain Dark Heavenly Path Power.

If you attack, you'd only be helping her." Clayton's lips twitched regretfully, and he wished he could slap himself.

He never thought his words would lead to such a drastic change in Dark Thea, and he worried about how he would explain himself to James.

At that moment, Dark Thea's body erupted with even more evil power and instantly shattered the remaining seven colored forces.

The 13 red energy balls connected by colored forces instantly transformed into Dark Lotuses, spinning rapidly around Dark Thea.

Suddenly, black clouds spread throughout the sky, and the surroundings became dim.

Clayton was incredibly anxious as he watched the events unfold.

Meanwhile, Leuko stood aside and sighed helplessly.

At that moment, a violent roar spread in the dim sky.

The next moment, countless spirit beasts swarmed toward Thea.

However, they immediately surrendered under the evil power's suppression.

Then, black lotuses instantly grew from their heads.

A terrifying giant dragon suddenly roared and rose into the sky, then quickly flew over the spirit beasts, shattering the black lotuses.

At the same time, another beast growled and unleashed a powerful sound wave.

The sound wave swept the area, and the spirit beasts quickly raised their heads.

The three beasts worked together and instantly made the spirit beasts that had surrendered to the black lotuses self-destruct.

Evil powers were shattered and scattered in the sky.

However, the black lotuses immediately absorbed them.

Dark Thea suddenly smiled and said, "Thank you.

Then, the giant beasts disappeared in the darkness.

The Almighty Dragon General Chapter 6361-At that moment, the huge dragon roared, "Your heart has already been corrupted.

Why did it have to be like this?" The other beast shouted, "Stop it, Yin governor.

If this continues, how will we support you?" The next moment, a clear female voice resounded in the dark.

"yin governor, the Ying World owes you a favor.

Now that you've entered a Demonic Path, we're even.

Leave immediately, or else we will not go easy on you." Dark Thea sighed.

"Fine.

Seeing that we used to be old friends, I'll spare you guys just this once.

Tell James that this is the end between us, and he shouldn't hold onto his feelings toward me any longer.

It'll be up to him to decide whether we're friends or foes when we meet next time." After speaking, the darkness immediately dispersed, and the surroundings returned to normal.

The evil powers submerged into Dark Thea's body, and she disappeared.

At that moment, countless densely packed corpses of spirit beasts were scattered throughout the sky.

Along with their bodies, a few broken limbs began to fall from the sky.

The three massive beasts hovering mid-air transformed into human forms, two men and one woman.

One of them was a tall, middle-aged man who had welcomed James.

It was none other than the Ying World's Great Councilor, Yrian Zvecha.

The other man was handsome and young.

He donned a black robe and emitted a powerful aura.

He was the Ying World's Law Enforcer, Taotie.

The beautiful woman, on the other hand, was the Ying World's Great Protector, Yukha.

They were the only eight -star powerhouses in the Ying World and held high status.

They immediately appeared before Clayton and Leuko.

Yrian frowned and asked, "Were you responsible for that?" Leuko bowed, clasped her hands, and said, "No, sir.

She cultivated the Heavenly Path Power on her own.

We..." Clayton sighed.

"This has nothing to do with you, Leuko.

What I said caused this.

I'll take responsibility for the crime." He looked at the three powerhouses and said, "I'm willing to accept any punishment." Yrian looked at him and said, "You're a god who doesn't belong to either the Ying or Yang Worlds.

We have no right to punish you." Taotie agreed, saying, "What happened was inevitable.

It had nothing to do with you." Yukha looked at Clayton and said, "Your mission has been completed.

'I'm free? Am I really free? My words stirred up such a big problem.

He needs to focus right now." Clayton sighed, "Fine.

I'll wait for him.

No matter how long it takes, I'll be here.

Clayton was the most arrogant and stubborn creature ever.

They never dared ask him for too much or control him.

However, he had a lethal weakness—faithfulness.

He lived by it and would never betray it.

Now that he had made a mistake, his heart was full of guilt.
