

The Almighty Dragon General Chapter 6361

The Almighty Dragon General Chapter 6361-At that moment, the huge dragon roared, “Your heart has already been corrupted.

Why did it have to be like this?” The other beast shouted, “Stop it, Yin governor.

If this continues, how will we support you?” The next moment, a clear female voice resounded in the dark.

“yin governor, the Ying World owes you a favor.

Now that you’ve entered a Demonic Path, we’re even.

Leave immediately, or else we will not go easy on you.” Dark Thea sighed.

“Fine.

Seeing that we used to be old friends, I’ll spare you guys just this once.

Tell James that this is the end between us, and he shouldn’t hold onto his feelings toward me any longer.

It’ll be up to him to decide whether we’re friends or foes when we meet next time.” After speaking, the darkness immediately dispersed, and the surroundings returned to normal.

The evil powers submerged into Dark Thea’s body, and she disappeared.

At that moment, countless densely packed corpses of spirit beasts were scattered throughout the sky.

Along with their bodies, a few broken limbs began to fall from the sky.

The three massive beasts hovering mid-air transformed into human forms, two men and one woman.

One of them was a tall, middle-aged man who had welcomed James.

It was none other than the Ying World’s Great Councilor, Yrian Zvecha.

The other man was handsome and young.

He donned a black robe and emitted a powerful aura.

He was the Ying World’s Law Enforcer, Taotie.

The beautiful woman, on the other hand, was the Ying World's Great Protector, Yukha.

They were the only eight -star powerhouses in the Ying World and held high status.

They immediately appeared before Clayton and Leuko.

Yrian frowned and asked, "Were you responsible for that?" Leuko bowed, clasped her hands, and said, "No, sir.

She cultivated the Heavenly Path Power on her own.

We..." Clayton sighed.

"This has nothing to do with you, Leuko.

What I said caused this.

I'll take responsibility for the crime." He looked at the three powerhouses and said, "I'm willing to accept any punishment." Yrian looked at him and said, "You're a god who doesn't belong to either the Ying or Yang Worlds.

We have no right to punish you." Taotie agreed, saying, "What happened was inevitable.

It had nothing to do with you." Yukha looked at Clayton and said, "Your mission has been completed.

'I'm free? Am I really free? My words stirred up such a big problem.

He needs to focus right now." Clayton sighed, "Fine.

I'll wait for him.

No matter how long it takes, I'll be here.

Clayton was the most arrogant and stubborn creature ever.

They never dared ask him for too much or control him.

However, he had a lethal weakness—faithfulness.

He lived by it and would never betray it.

Now that he had made a mistake, his heart was full of guilt.
