

The Almighty Dragon General Chapter 6362

The Almighty Dragon General Chapter 6362-In the Jaert Region, a black light pillar reached into the sky.

Dark Thea rushed through the void with a terrifying evil power.

However, she suddenly hit a formation and was quickly knocked away.

She steadied herself and looked forward in disbelief.

In front of her was a lean old man with long snow-white hair and beard.

He appeared out of the formation, riding on a green bull.

The powerhouse looked relatively simple and down to earth.

He had no fancy energy fluctuations but still emitted a sacred aura.

It seemed like he could destroy everything with just the snap of a finger.

“Yin Ancestral God, Hador Delms.” Dark Thea frowned.

Hador asked slowly, “Why are you doing this?” Dark Thea sighed, “I’ve already severed my emotions and desires.

There is no need to persuade me.” Hador smiled faintly and asked, “Then why do you remember me as your best friend?” Dark Thea was suddenly speechless.

Hador waved his hand, and colorful energies from the surroundings gathered into 13 forces.

As soon as they appeared, they showed a reaction to the 13 black lotuses around Dark Thea.

At that moment, the black lotuses made buzzing sounds.

Dark Thea’s expression immediately changed upon seeing the emotions and desires that she had forsaken.

‘No! How is this possible? How can the Yin Ancestral God be strong enough to gather them?’ Hador said calmly, “You have the final say in the Ying World.

But in the Yin’s void, I have the final say.” Dark Thea’s pretty face darkened, and she said calmly, “If you insist on stopping me, I won’t hold back.” Hador smiled faintly but said nothing in response.

The next moment, Thea flipped her hand, and evil power swept the area.

To her surprise, Hador stood in place and calmly absorbed her evil power.

Hador looked at her with a calm and gentle smile as if the attack was nothing to him.

Dark Thea was silent.

“Let go of the hatred.

It’s not worth the suffering.

Swoosh! Swoosh! Swoosh! The wind gushed toward her.

After resisting three attacks, Dark Thea was eventually knocked away.

Before she could react, she was already surrounded.
