

The Almighty Dragon General

The Almighty Dragon General Chapter 6371-At the same time, Taotie, who was in extreme pain, ran around the void. He was furious. However, his anger was by consumed Hemera, so it dissipated quickly. Thus, he couldn't be angry, uncomfortable, or sad.

While he ran around the void, countless spirit beasts in the surrounding areas were either dead or severely injured. They stayed far away from him, trying to escape from him.

At this time, in the void, following the blow of the strong wind, Yukha appeared.

Looking at Taotie, who was in pain and had his face distorted, Yukha waved her hand. A blue light engulfed Taotie's huge body, calming him down from his violence.

"Taotie, why are you doing this?" Yukha asked helplessly.

"That damned James is despicable and shameless. What did he learn in Genesis World? He learned all kinds of petty tactics," roared Taotie angrily.

Upon hearing his words, Yukha rolled her eyes. She almost burst out laughing. She could tell that James and Yrian, who were in Taotie's body, were enjoying themselves in the Yuraeceon Genesis Bell.

With the protection of the Yuraeceon Genesis Bell, the countless Supernatural Powers and Five Elements of Yin and Yang in Taotie's body couldn't harm the two. Instead, they were consumed by the spiritual bodies released by James. James gained a lot.

Taotie was the most arrogant beast in heaven and earth. He looked down on everything, so how could he hold back his anger?

Nonetheless, each time his anger surged, Hemera would consume his anger. He felt extremely uncomfortable.

"Just laugh if you want to." Staring at Yukha, Taotie roared, "You guys are birds of a feather, so you guys flock together. All of you are cowards and despicable."

Hearing Taotie's curses, Yukha sighed. "Let them all out. otherwise, you will make yourself suffer." "No way." Taotie refused. "Even if a Grand Patriarch comes, they must suffer in my body."

Yukha felt helpless. "Do you think they're suffering more than you?"

Then, she waved her hand and showed the situation in his body using the energy ball.

When Taotie saw Yrian and James enjoying their lives, he was even more enraged. But Hemera consumed his anger again.

So, he took a deep breath. He didn't expect Fennec to consume that breath. He couldn't do anything.

"It seems that he has passed your second trial." Yukha looked at Taotie again. "Since he has passed your trial, you should let him out. You should let him come to challenge my trial. Do you want to kill Yrian and the Path's Chosen One in your body because you're angry? Will the Grand Patriarch let you off the hook by then?"

When Taotie heard Yukha's advice, he shuddered. "I've never suffered from such humiliation before..." "You will get used to it." Yukha sighed and said, "Both of US should learn to take things lightly and be magnanimous like Yrian. Not only did he make friends and become close to them, he also carried out his tasks perfectly."

In pain, Taotie roared, "He's a coward." "It's humanity." Yukha said in a low voice, "Otherwise, why can he become the chief while we can only be a deputy?"

The Almighty Dragon General Chapter 6372-Taotie snorted and said disdainfully, "We, as living beings who cultivate the Marciais Combat Form, have always respected and admired power. If we scheme, won't we become like the bunch of thrash from Yang World?"

"Yukha, we have a deep friendship. You shouldn't get yourself involved in this. I will deal with the Path's Chosen One today. He's too arrogant. I must teach him how to respect the living beings more powerful than him."

Then, Taotie opened his mouth and swallowed countless Elemental Powers in the surrounding areas.

Suddenly, countless powers, as if the release of water from the dam, rushed into Taotie's stomach and formed many lightning bolts of powers. They struck the hall that the Yuraeceon Genesis Bell created.

At once, the hall created by the Yuraeceon Genesis Bell shook. Dazzling gray light erupted.

In the hall, James and Yrian, who were happily chatting, frowned.

"It seems that Mr. Taotie doesn't admit defeat." Under the violent movement, James put down Bronze Chalice.

Syrian smiled and said, "Taotie respects power. He's unruly and has a hot temper. How could he just let you off the hook after you have humiliated him?" "It seems that I need to let him suffer more." James smiled. "Mr. Yrian, what's the worst outcome if I offend him entirely?"

Yrian smiled. "He won't give up until he dies." James nodded. Then, he contacted Lesia. "Break out of here and follow my plan."

Lesia was taken aback. "Are you sure?" "Doesn't he respect power?" James smirked and said, "Since we can't get him to respect US with kindness, we can only threaten him. If I can't even subdue a beast, what's the use of obtaining a great fortune?"

James was arrogant. Although Taotie was a beast, he was a great beast with an Eight-Star Combat Power.

Once Lesia received the instruction, she turned the Yuraeceon Genesis Bell to its original form. Holding James and Yrian, she went against the lightning bolts of powers and headed for Taotie's throat.

On the journey, James waved his hand, withdrawing Fennec and Hemera. Thus, the strength and defense of the Yuraeceon Genesis Bell had increased.

At that instant, with the cooperation of Hemera and Fennec, the Yuraeceon Genesis Bell headed straight to Taotie's mouth.

Meanwhile, Taotie opened his mouth and absorbed countless powers.

Suddenly, he felt a sharp pain in his throat. Following a roar, he became violent again.

Upon seeing that scene, Yukha engulfed him using blue light again.

In the next moment, in Taotie's opened mouth, a huge bell exuding dazzling gray light appeared. It blocked his mouth.

"Woah." When Yukha saw the scene, she covered her mouth in shock.

Then, the size of his mouth expanded. The bell in his mouth also expanded. The bell blocked his entire mouth.

After that, a dramatic scene happened.

No matter how big Taotie's mouth expanded, the bell would expand to the same size. Soon, Taotie could no longer expand his mouth.

"How is this possible?" Yukha exclaimed, "I feel bad for Taotie, but there's nothing I can do."

The playful bell exuded gray light, blocking Taotie's mouth. It didn't leave any gap as if it wanted to suffocate Taotie to death.

The Almighty Dragon General Chapter 6373-Now, Taotie felt the most uncomfortable. He couldn't spit out or swallow the expanding bell. The powers in his body wanted to break free from everything, but Hemera and Fennec on the bell consumed the powers. Taotie couldn't even roar.

At that instant, he shook his head violently and jumped up and down. He was furious but couldn't do anything.

At this time, two figures flew out from the bell that blocked Taotie's mouth. They turned into James and Yrian, appearing in the void.

In the next second, James took a Terrastride step and stood on Taotie's head.

When he spread his arms, black-and-white light exuded from his Ultimate Golden Body. Suddenly, the sky became cloudy. The bell in Taotie's mouth rang.

Following the ringing, one bell turned into two, and two turned into thousands. The bells rotated quickly around the violent Taotie. Countless bells rang at the same time.

Under the terrifying black-and-white power, Taotie, who was initially violent, seemed to have been restrained by billions of Paths. He stopped being violent. Under the ringing of thousands of bells, he became silent.

“Gathering of gray clouds and ringing of countless bells.” Yukha exclaimed, ‘The power of the Ultimate Golden Body is intimidating. It even restrained Taotie.”

Then, Yrian appeared next to Yukha.

“Did you guide him?” Yukha asked.

“I don’t have that capability.” Yrian smiled bitterly and said, “One Terrastride Step has already defeated me.” “The Paths’ Chosen One’s combat power should be below seven stars.” Yukha frowned. “How can he defeat US? We are eight-star powerhouses.” “When he came here, he borrowed the cultivation.” Yrian sighed and said,”

After drinking a few cups of Chaos Absinthe, his combat power had been restored to five stars.”

Upon hearing that, Yukha looked at Yrian in disbelief.

A few cups of Chaos Absinthe? Did she hear it wrongly?

Yukha and Yrian were above the eight-star combat power, but they didn’t have the same capability as James. Was James extraordinary?

Ahead of them, James flashed. He merged the Dawnblaze Form and Terrastride step before circling Taotie’s huge body. Each time he circled Taotie’s body, he would punch the latter one hundred times. Thus, Taotie could not fight back, and countless powers came out of his body.

Upon seeing that, Yrian smiled bitterly and said, ‘Taotie is doomed. He has a bad temper, but he didn’t expect the Path’s Chosen One to have a worse temper.”

Yukha said, "With the Chosen One's current attack power, he can't hurt Taotie."

Yrian smiled. "Is that so?"

Then, James created multiple afterimages. With countless black Sword Lights, following the sound of slashes, each time the Sword Light struck at Taotie, a wound would be left behind on his body.

Soon, Taotie's body was covered in blood and wounds. Countless powers came out of his body. It was a bloody scene. It was horrifying.

When Yukha saw that, she became anxious. "How can the Path's Chosen One hurt Taotie?" "It's because of the transcendent Divine Tool in his hands." With his hands behind his back, Yrian smiled and said, "Taotie's body can ignore all energy attacks, but it can't continuously handle the attacks of transcendent Divine Tools."

When Yukha heard that, her face turned cold. "Will the Path's Chosen One kill Taotie?"

Calmly, Yrian said, "No, but it's a must to kill Taotie's arrogance. After all, Taotie is a pet. If he can't be tamed, it will be hard to control him in the future."

The Almighty Dragon General Chapter 6374-"A pet?" As if Yukha was looking at a devil, she stared at Yrian. "The joke has gone too far."

Yrian smiled but kept silent. He watched James bully Taotie.

James' attack power was restricted by his cultivation. So, his attacks didn't cause much damage to Taotie. However, the scene appeared terrifying. Taotie faced extreme humiliation.

A while later, with the Dawnblaze Form, James appeared beside Yrian and Yukha. His body still exuded black-and-white light. He looked like a war god.

"Aren't you going to continue fighting?" With a smile, Yrian asked.

James smiled bitterly and said, "Do you want me to kill him?" "You have greatly offended him." Yukha said, "He won't let you off the hook until he dies."

James was taken aback. He looked at Yukha. Instant, he was captivated by her beautiful appearance.

Yukha had a perfect body and appeared mature. Her appearance was incredible. In comparison to Dark Thea and Light Thea, only her aura was different.

It was rare to see such a beautiful woman in Genesis World. Lyla, Rebella, Xitlaly, and the others were beautiful too, but they were pale in comparison.

“Let me introduce her.” Yrian smiled and said, ‘This is Ying World’s guardian, Yukha. She’s the pioneer of all flying living beings. The phoenixes and peacocks are nothing in front of her. She’s also one of the three great powerhouses above eight stars in Ying World.’

Upon hearing that, James greeted Yukha respectfully. “Greetings, Ms. Yukha.”

Yukha quickly said, ‘I can’t accept your courtesy. If you do that to me too, I will feel embarrassed.’

Awkwardly, James said, “I don’t want to offend Mr. Taotie either, but his anger is too much. I don’t have a choice.”

Upon hearing that, Yukha looked at Taotie, who was still struggling in the gray clouds and ringing bells. She sighed and nodded. “He’s indeed arrogant. It’s time for someone to punish him.”

Then, she looked at James. “Do you know the consequences of offending him?” “I have low emotional intelligence. I offend people a lot.” Feeling a bit awkward, James smiled and said, “But I believe Mr. Taotie will forgive me.”

Yukha was speechless.

Forgive him? To Taotie, everything in the world was edible, but he didn’t know the concept of forgiveness.

Nonetheless, Yukha understood what James meant. If Taotie refused to forgive James, James would beat him up until he forgave him.

After all, the current Chosen One had two great Supernatural Powers. Even if he couldn’t severely injure Taotie, he could suppress the latter at any time.

Suddenly, James looked at Yrian. “Mr. Yrian, does this mean I’ve passed the second trial? For the third trial, do I need to cultivate the Xeme Supreme Sutra?”

Upon hearing that, Yrian and Yukha exchanged glances before laughing simultaneously.

James frowned. “Am I wrong?” “She should answer this question.” Yrian smiled and pointed at Yukha. “You should talk more sweetly, or it’ll be hard.”

Hearing Yrian’s reminder, James pleaded, “Pretty Yukha, please guide me.”

Upon hearing that, Yukha was taken aback before bursting into laughter.

“Why do you follow other people’s instructions so easily? Don’t let Yrian have a bad influence on you.”

The Almighty Dragon General Chapter 6375-Although Yukha said that, she liked being called pretty.

Then, she explained to James about the third trial patiently.

The third trial wasn’t a secret room for studying inscriptions and cultivation methods. It wasn’t needed to comprehend the Xeme Supreme Sutra either. According to Yukha, James hadn’t reached the level of learning the Xeme Supreme Sutra.

She wanted to teach James the Chaos Yin-Yang Eyes. By learning this, he could differentiate the worlds and see through cultivation ranks. He could predict his opponents’ moves too. He could see through the souls’ and living beings’ thoughts.

Only by understanding his enemy could he discover the enemy’s weakness. In that way, he could attack by targeting the enemy’s weakness and end the fight in one move. He could kill the enemy instantly.

After hearing Yukha’s introduction, James frowned. “Pretty Yukha, does the Chaos Yin-Yang Eyes cultivate the Zen or the actual eyes?”

Yukha was taken aback. She was surprised by James’ words. “As expected of the Path’s Chosen One. You comprehend things easily. I’ll make it clear to

you then. Although the Chaos Yin-Yang Eyes has the word, 'Eyes,' you don't need to cultivate one hundred thousand eyes. Instead, it focuses on cultivating the Zen." "When your Zen reaches a certain level, you can see and hear the situation in the far distance. No matter how many powerhouses attack you, you can deal with them easily."

Upon hearing that, James became excited. Quickly, he thanked Yukha. "Thank you, pretty Yukha, for teaching me!"

Yukha glanced at Yrian and smiled before saying, "He knows how to please people. It's a fortune you deserve. I'm not teaching you. I'm only watching over you." "However, before this, you have already passed two trials. Theoretically speaking, you can ask for two wishes. I wonder if you have asked for them."

When James heard that, he was taken aback. He looked at Yrian. "Is that truer Yrian hesitated for a moment before rolling his eyes at Yukha. it's so useful to call you pretty." "He deserves it. Why can't I give it to him." Yukha snorted and said, "Anyhow, he's the Path's Chosen One."

Yrian sighed before turning to look at James. "Why don't you ask for a wish first? We will try our best to fulfill it." "Where's my wife?" James stared at Yrian. "I want to see her." "Is this your wish?" As if Yrian was looking at a monster, he stared at James.

"Can't it be fulfilled?" James raised his eyebrows. "She came along with me. It should be easy for you guys." "We can't fulfill this wish." Yrian said helplessly, "We aren't scamming you. It's just that she is cultivating under the Grand Patriarch. Her fortune will be on par with yours." Upon hearing that, James was surprised. He didn't expect Thea to be under the wings of Ying World's Grand Patriarch. She gained happiness from accidents.

"Change your wish." With a smile, Yrian said, "We have known each other for many years. I won't go back on my words!"

After thinking for a while, James asked, "I want to let the living beings from the Dark World into Ying World for practice. I wonder..." "Are you sure?" Instantly, Yrian interrupted James.

Seeing Yrian's expression, James wanted to curse. Yrian and James had gone through life and death. They had also chatted happily while drinking. Why did Yrian look like he was going to make James fall into a trap?

“We can fulfill this.” Yukha looked at Yrian. “The Dark World is part of Ying World. It’s time to open up a first-level space for them to practice. At the same time, it will be considered as the first teaching material for teaching the Chosen One.”

With Yukha, who had a high status, Yrian wouldn’t reject her.

Seeing that Yrian was about to leave by stepping into the void, Yukha turned to look at James. ‘What about Taotie?’ “Let him suffer for now.” James smiled and said, “He has a hot temper. He has to calm down.”

Yukha laughed. She disappeared from the spot while holding James.
