

The Almighty Dragon General Chapter 6488

The Almighty Dragon General Chapter 6488-Immediately after consuming the bead, James seemed to be subjected to endless torture. He rose into the air, rolling and spinning violently in the void, his movements erratic and turbulent.

His black robe was shredded instantly, revealing his Ultimate Golden Body. Several terrifying forces instantly emerged and surged on the surface of his body.

Zeux and Hador rose to their feet, watching with nervous anticipation.

“Sir Zeux, what’s happening...” After a moment of tense silence, Hador suddenly spoke up, his voice laced with concern.

Zeux sighed softly, ‘That’s a mystic item, after all. When it integrates into the body, one will undoubtedly experience pain. But after the pain, he will gain a lot.’

Hador was anxious as he watched James in agonizing pain, struggling in the void.

James was the beacon of hope for the Ying World, and any mishap would have significant repercussions.

As James endured the excruciating pain, he lost his sanity and kept casting different Supernatural Powers to ease himself.

While crying out in agony, his cheeks contorted, morphing into various forms.

Hador implored urgently, “Can’t you help me?”

Zeux shook his head solemnly and said, “The bead is in the process of recognizing its master. We can’t intervene, or it will result in a backlash.”

Hador scurried around anxiously but was unable to do anything.

Suddenly, James's body erupted with a terrifying gray, white, and black force, instantly enveloping the Ying World.

Even Hador and Zeux covered their eyes as the blinding light spread.

After a while, the lights slowly dissipated. James had already calmed down and was sitting in a lotus position in the void, surrounded by three-colored lights.

James' appearance and figure would change with each turn the light rays made. His transformations never repeated, and his aura was always undetectable.

Hador peered into the void, his excitement evident. "He... he can change his appearance and physique, conceal his aura at will, and even transform into another completely different person?"

Zeux smiled and nodded. "It's a success! I didn't expect the HHongrome Hidden Bead to be so extraordinary. It seems this child is truly blessed."

Hador asked eagerly, "What now?" "Let him rest for now," Zeux replied, then turned around to sip his Chaos Absinthe.

Just when he was about to speak, he felt a sudden tap on his shoulder. He turned around but found nothing in sight.

The next moment, he froze in shock after his Chaos Absinthe suddenly vanished from his hand.

Zeux shouted, "Who stole my Chaos Absinthe? Who...huh..."

His voice trailed off after seeing James, who was supposed to be in the void, was gone.

The Almighty Dragon General Chapter 6489-Zeux exclaimed, "Invisibility?"

Startled, Hador also turned around. At that moment, a mysterious force pierced through the void and sliced a few strands of his snow-white beard.

While still confused, he noticed black, gray, and white lights before him.

They quickly merged and morphed into a handsome yet unfamiliar man.

The man held a jar of Chaos Absinthe in one hand and a few strands of snow-white hair in the other. He grinned at them triumphantly.

“J-James?” Hador’s lips twitched, his eyes full of shock.

The youthful man took a sip of the Chaos Absinthe. Then, lights with hues of gray, black, and white flickered before coalescing into the form of a middle-aged gentleman who radiated an aura of formidable strength and had an allure of maturity.

Hador stood in complete astonishment, utterly speechless.

Meanwhile, Zeux by his side was stroking his snow-white beard with evident satisfaction.

In the next moment, the middle-aged man transformed, assuming the exact likeness of Zeux, and imitated him, stroking his snow-white beard.

Hador pointed at the man and exclaimed, “This...this is unbelievable! I’m amazed. So this is the true power of the Hongrome Hidden Bead?”

As soon as the words left his lips, the man bearing Zeux’s likeness suddenly faltered, reverting to James’ original appearance and stature. He promptly seated himself in a lotus position on the ground, focusing on regulating his breath.

Hador marveled at James with surprise and delight, incredible, simply incredible. It’s the first time I’ve witnessed such unrestrained transformations. It would be easy for you to overpower opponents.” “You’re not proficient enough.” Zeux approached James with a smile, summoning a golden elixir and administering it into James’ mouth.

Shortly after, James’ entire body shimmered with gray light. Eventually, he opened his eyes and lifted his head once more.

Hador laughed heartily, bowed respectfully, and said, "Congratulations, James."

James uttered, "The Hongrome Hidden Bead is indeed convenient, but it drains a significant amount of energy, especially invisibility. With my current reserve of Hongrome Energy, I can only maintain it for a short period. It might be more practical to use it to alter my appearance and conceal my aura instead."

He rose slowly from the ground, bowed respectfully to Zeux, and clasped his hands, saying, "Thank you."

Zeux replied, "No need to thank me. It's not mine to begin with." After drawing close to James, he whispered, "I stole it from the Law of Paths."

James looked at Zeux with a mixture of disbelief and amusement, and then both erupted into laughter simultaneously.

Hador, standing by, appeared perplexed. He parted his lips but remained silent.

After a brief pause, Zeux placed a hand on James' shoulder. "With such an exceptional Supernatural Power, you'll survive in the Genesis Worlds. However, I must warn you to refrain from trying to break through the Zymurgy before you reach the Daeclon Rank." "You're smart and should know how to handle Tai Chi. Nevertheless, I hope you can build a solid foundation. Employ both gentleness and strength and draw from the depths of your capabilities." James gazed at Zeux earnestly and nodded, saying, "Thank you, senior, for your guidance."

Zeux smiled warmly, then turned away with an air of relaxation. "Alright, I've assisted you in accomplishing this significant task and repaid my debt. From this point forward, I won't be indebted to anyone."

Afterward, Zeux glanced at Hador and said, "It's time to return that foolish disciple of mine, right?"

Startled by the sudden question, Hador bowed respectfully and replied smilingly, "Are you sure he'll return with you?"

Zeux responded wryly, if this were in the past, then he wouldn't. But now that the Genesis World boasts a new powerhouse, he can't change that."

Hador cast one final glance at James, chuckled, and then nodded in agreement.

Zeux waved his hand, and a surge of energy pulsed through the void.

In the blink of an eye, a chilling, murderous aura surged forth, materializing into the form of Clayton, who instantly descended to the ground.

As soon as Clayton saw Zeux, he swiftly dropped to his knees and greeted, "Master." "Have you indulged yourself long enough? It's about time you come home," Zeux stated without entertaining any further discussion.

Clayton rose to his feet. He looked at Zeux, then turned to James before sighing resignedly.

Meanwhile, James was utterly dumbfounded.

James exclaimed, "No, wait. Huh? Y-you're Mr. Clayton's master?"

Zeux turned to James and said, "Mr. Clayton? Yianni and I share a bond of life and death. You, being the successor of Yianni, are of the same hierarchy as Clayton. I'd already be a form of flattery if you addressed him by his name."

James looked at Clayton in shock.

Finally, James solved a puzzle. He wondered why Clayton could effortlessly make the Tai Chi's clone vomit blood with a single strike when they were in the Genesis World.

Moreover, he showed no fear of Tai Chi whatsoever. This was not just because of his formidable strength but also because he had a powerful master behind him.

Due to this connection, Clayton could command the respect and admiration of numerous formidable individuals in the Ying world despite possessing only a Seven-Star Combat Power.

However, another question arose in his mind. If Clayton had such a powerful master, why was his strength inferior to Yrian, Taotie, Yukha, and the others?

Under James' intense scrutiny, Clayton sighed, "If I had known this would happen, I wouldn't have brought you to the Ying World. Now that you've become the strongest individual, I must return to my cage."

Thud!

Before Clayton could continue, Zuex tapped his head and reprimanded, "What nonsense are you spouting? Hurry and say your goodbyes. It's time to head home "

Clayton looked at James and suddenly grinned, saying, "I'm handing you the responsibility of taking care of this world. No matter who comes, kill them and think about it later!"

James laughed and asked, "When can we meet again?"

Clayton scratched his head and said, "Anytime soon! Who knows, I might escape again someday! Remember to save some space for me in the Forladdt Land!"

James nodded and replied smilingly, "Definitely!"

Zeux said impatiently, "Alright, that's enough. It's not like someone is dying.

Let's go." After speaking, he waved his whisk, and a golden light enveloped Clayton. The next moment, the two disappeared.

The Almighty Dragon General Chapter 6490-"I can't believe he's just leaving like this," Hador said, sounding somewhat reluctant.

James muttered on his own, "What a surprise. Clayton is his disciple."

Hador said, his tone tinged with annoyance, "I suddenly remembered he only bid farewell to you. He didn't say a word to me! That guy is so heartless! I supplied him with so much of our wines!"

James chuckled awkwardly. "What could he possibly tell you? Perhaps he doesn't want to go back either."

Hador inquired solemnly, "How much do you know about him? Do you know why he gave up his status and came to a small place like ours?"

James shook his head.

Hador gossiped, "He's just like you. Ensnared by love."

James' eyes widened in surprise as he asked, "Who's his wife?"

Hador clarified with a smile, "He's single and without a wife. He harbors feelings for someone he can't have." "Who?" James inquired.

Hador sighed, "Lucille's mother, Celeste Babs. He fell victim to an unrequited love. After seeing Lucille, his heart must've been broken."

James looked at him in shock, asking, "Xachary's daughter, Lucille..."

Hador interjected, abruptly halting James. "She's not Xachary's daughter.

Her father is Franciscus, and she inherited a Veleno Body."

James' eyes widened in shock.

After that, Hador elaborated on the sage of Celeste and Franciscus in detail.

James' countenance turned icy as he said, "Celeste endured indignity and immense burdens to help save Franciscus' lineage? She should be hailed as a heroic figure!"

James' tone carried a palpable sense of murderous intent as he asked, "Is Clayton aware?"

Hador glanced at James and replied, if he knew, the Ying World would be flooded with blood. However, he will still be ultimately sealed and punished. Even his master did not have the power to save him."

James inquired with furrowed brows, "Is it because of Tai Chi's schemes?"

Hador sighed softly, "It's not just that. Clayton had abolished his own cultivation base and was cast out from the Zymurgy. Even so, his powers are still supreme in the Genesis Worlds.

"He does kill a few powerhouses here and there, but Tai Chi turns a blind eye because of Zeux."

However, if he were to go on a massacre in the Tai Chi World, it would be a different story.

“Clayton has also exercised great restraint. Despite his ability to dominate the Genesis Worlds, he had only taken action four times.”

James nodded, finally understanding Clayton’s backstory. No wonder he remained mysterious despite being the strongest in the Genesis Worlds.

Suddenly, Hador looked at James and said tentatively, “James, there’s something I must apologize to you about.”

James looked at Hador, puzzled.

Hador touched his nose awkwardly and said, “Uhm...your wife...”

James’ eyes remained fixated on him, waiting for him to continue.

Hador could not bear the anxiousness of keeping the secret, so he spilled everything about Dark Thea’s departure. Then, he prepared himself to be beaten up. “It’s my fault. I’ll accept any kind of punishment.”

Seeing Hador’s pitiful look, James simply asked, “Do you still have Chaos Absinthe?”

Hador was dumbfounded by his response.
