

## The Almighty Dragon General Chapter 6496

The Almighty Dragon General Chapter 6496-Seeing the dozens of living beings who exuded Murderous Energy around him, James found it funny and felt angry at the same time.

Initially, he thought that if he changed his appearance into a middle-aged man's and hid his Fifth Xaeclon Rank's aura, his experience outside would be smoother. He didn't expect to get into a fight the moment he left Yin's Void.

Seeing that James wasn't afraid, the middle-aged living being in a blue robe shouted angrily, "You should surrender now, or else you will be annihilated."

James laughed and sighed. "If you weren't taught well from a young age, not only will you lose your tongue, but you will also lose your life."

The middle-aged living being shouted, "Shut up! If we kill a Dark Demon, our sect will gain merits. We can get ten Tai Chi Elixirs. Do you guys know what we should do?"

"Kill him!" The dozens of Yggdrasil Sect's living beings surrounding James shouted together.

Seeing how ignorant and fearless they were, James shook his head helplessly. He raised his hand, and a ray of black-and-white light gathered in the void. It turned into Lucille.

Upon seeing that, the living beings ready to attack James widened his eyes. Especially the male living beings. Their eyes lit up.

"I didn't know there's such an enchanting female living being among the Dark Demons." The middleaged living being in a blue robe at the front smiled and said, "Our happiness is here. Remember to kill this male living being. As for the female living being, you have to catch her alive. It has been a long time since we saw such an excellent woman."

Then, the living beings around James and Lucille laughed evilly.

James smiled and said to Lucille, "Aside from the leader, I'll let you practice your skills with the other living beings. Is that alright?"

Lucille didn't answer. Instead, she waved her hand. A black short sword appeared in her hand.

Upon seeing that, the Yggdrasil Sect's living beings laughed sarcastically.

"She's quite fierce. The Dark Demons are always so stubborn."

"It's good that she's fierce. We are bored with the gentle ones. It's more fun if they struggle."

"Let's fight. We can no longer wait."

"What's your cultivation rank? I can't tell. I advise you to stop your useless struggle."

"Be gentle. She's beautiful. If she's hurt, the person who hurt her will be last."

When Lucille heard their foul language and shouting, her face darkened. The black short sword in her hand turned into a terrifying black Sword Light. It left her hand and turned into dozens of black Sword Lights.

In the next second, the living beings saw a black light flash. Then, they felt a sense of coldness in their throats.

"Trash." Lucille spat out this word.

A while later, one of the Yggdrasil Sect's male living beings held his throat and widened his eyes. In disbelief, he said, "How could you kill people this way?"

Then, blood gushed out from his throat. After that, his body exploded. His flesh and blood fell from the sky.

When the other Yggdrasil Sect's living beings saw the scene, they were terrified. They ran in all directions. However, the moment they flew, they exploded in the sky one by one. Everywhere was stained with blood. There was flesh in all places. It was a horrifying scene.

At this moment, the middle-aged living being at the front was stunned. He was so shocked that he forgot to run away.

James smiled and gave Lucille a thumbs up. "As expected from Clayton's disciple. You're ruthless."

Then, he looked at the middle-aged living beings who were still stunned. "May I know your name?"

There was no reaction.

Suddenly, Lucille flashed and appeared behind the middle-aged living being. She raised her hand and pulled him up.

The Almighty Dragon General Chapter 6497-In the next second, the middle-aged living being in a blue robe screamed in fear. "Please don't kill me. I beg you. I'm sorry. I admit to my wrongdoings. I can be your slave. I—"

Smack!

Lucille slapped the middle-aged living being on the face, causing the latter to faint instantly.

Speechlessly, James rolled his eyes. "Lucille, you're a woman. How can you be so brutal?"

Lucille snorted. Then, while dragging the unconscious living being, she landed on the ground. Without hesitation, she stabbed the living being's leg with the black short sword.

"Ah..." The middle-aged living being screamed and woke up because of the pain.

Upon seeing that, James smiled bitterly and landed on the ground. With his hands behind his back, he looked at the living being. "I'll ask you one more time. What's your name?"

"I-I'm Yadi Larsson." The middle-aged living being came clean immediately. "I'm in the upper-grade Yuraeceon Daelm Rank's Ninth Tribulation. I-I'm

Yggdrasil Sect's Fifth Elder. Our sect leader is Perthacus Wulte. He's in the Quasi Daeclon Rank."

"Wait." James interrupted him. "Who's your sect leader again?"

"Perthacus Wulte." Anxiously, Yadi said, "Sir, I."

"Shut up." James cut him off again. Then, he looked at Lucille. "Did you hear him?"

Lucille nodded. She and James didn't expect the Mount Martialis' Leader of the Timaeus Sect to go into hiding when something happened. He was a coward. How did he create a sect and reach the Quasi Daeclon Rank?"

At that thought, Lucille pulled up Yadi who was screaming. "Where is he?"

Yadi had given up resisting. In a hurry, he answered, "H-He's in Yggdrasil Sect."

"Bring us there," said James with his hands behind his back.

Then, Lucille grabbed Yadi and flew to the sky. James used the Terrastride Step and followed after them.

In the blink of an eye, they appeared in an unfamiliar void. Below them was a sect formed by hundreds of universes. The scale wasn't big, but the inside was vibrant.

More importantly, in James' Zen, he sensed billions of slaves in the universes. They were currently fighting against beasts.

However, the cores they obtained from the beasts weren't theirs. They were taken by the watchers who had a higher cultivation rank. If the watchers were dissatisfied with a core, they would kill the slaves.

Based on their auras, most of the slaves were living beings from the Dark World. James saw someone familiar.

"T-This is the headquarters of Yggdrasil Sect," said Yadi timidly.

James frowned. He scanned the familiar living being's body with his Zen. Then, he sighed.

“Who did you see?” Lucille asked suddenly.

“An acquaintance.” James said, “It’s good for him to suffer a bit. Let’s meet Perthacus first.”

Then, he took Lucille to the highest part of the headquarters in Yggdrasil Sect.

The Almighty Dragon General Chapter 6498-When James and Lucille landed, they were surrounded by dozens of powerhouses in the Yuraeceon Daelm Rank’s Ninth Tribulation.

Upon seeing that, Yadi quickly waved his hands. “Please don’t misunderstand this. These two are Mr. Wulte’s friends.”

At this time, a beautiful female powerhouse came forward. “Yadi, are you being threatened by them?”

Upon hearing that, Yadi was astonished.

On the other hand, James stared at the female powerhouse who was speaking. He was surprised because the female powerhouse looked similar to Lyla.

Under Lucille’s push, Yadi said, “Law Enforcement Elder, you have misunderstood this. I’ve said that they are Mr. Wulte’s friends.”

When James heard that the powerhouse was the Law Enforcement Elder, he almost fell to the ground in shock. It seemed that Perthacus had a soft spot for Lyla. Not only did he create a female powerhouse that looked exactly like Lyla, but he also gave her the same position as Lyla in Timaeus Sect.

At this time, the female powerhouse that looked like Lyla snorted. “Do you think anyone can meet Mr. Wulte? Tell me your name.”

Upon hearing that, Yadi looked at James and Lucille helplessly.

He knew how strong the two were as he had experienced it firsthand moments ago. They were at least at the peak of Yuraeceon Daelm Rank's Ninth Tribulation. However, he didn't know their names. He dared not ask either.

Lucille looked at the female power. "Are you Lyla?"

When the female powerhouse heard that, she was astonished. "Do you know Lyla?"

"Of course." Rudely, Lucille said, "Tell Perthacus to meet us now. Otherwise, we will tear his sect apart."

Her words stirred up discord. Thus, the dozens of powerhouses at the peak of Yuraeceon Daelm Rank's Ninth Tribulation took out their weapons.

Meanwhile, the female powerhouse who looked like Lyla narrowed her eyes. "Whoever dares to address Mr. Wulte by his first name must die."

Then, a golden whip appeared in her hand. "Kneel and apologize immediately. Otherwise, you will be killed."

"Are you done showing off?" Irritatedly, James said, "Go and report to Perthacus. Tell him that Mr.

Caden has come to see him and that he has to fulfill the previous bet."

At that, the atmosphere became heavy. The female powerhouse in the lead clenched her fists. "Are you humiliating our sect leader?"

"How troublesome." James sighed and waved his hand. In that instant, a three-color power of gray, black, and white shot out. It was accompanied by a gust of terrifying Galeat Wind. Immediately, the female powerhouse and the dozens of powerhouses at the peak of Yuraeceon Daelm Rank's Ninth Tribulation flew away.

Upon seeing that, Yadi's eyes widened. He was so shocked that he dared not breathe.

The powerhouses were at the peak of Yuraeceon Daelm Rank's Ninth Tribulation, yet James blew them away with the raise of his hand. How terrifying.

“Perthacus.” James shouted, “I’m here to see you. If you don’t come out to see us, we will annihilate your sect.”

Then, a ray of golden light exuded from Yggdrasil Palace as the door opened.

In the next second, a terrifying golden light exploded from the inside. It turned into an elder in a blue robe with white hair in the void.

“Who dares to annihilate my sect? You’re seeking death... Uh...” Perthacus couldn’t continue speaking because he saw Lucille and James looking at him interestingly. It was as if they were asking why was he still showing off when he was so old.

Taken aback, he no longer acted prestigious. He landed on the ground.

James had already changed into a middle-aged man, so Perthacus couldn’t recognize him. However, Lucille was familiar to him.

The Almighty Dragon General Chapter 6499-“You...” Perthacus looked at Lucille. His expression turned from shocked to surprised. “Lucille, you’re alive.”

Lucille clicked her tongue. “You haven’t died. How can I die before you?”

Perthacus laughed. “It’s great that you’re here.”

Looking at how Perthacus lost his cool, Yadi was bewildered. He didn’t expect the mighty Yggdrasil Sect’s Leader who was hard to meet and should be divine to have such a happy expression. Were the two really Perthacus’ friends?

At the same time, Yadi felt relieved. Luckily, the two were powerful yet magnanimous. If they killed him just now, the outcome would be worse than now.

Lucille threw Yadi away. She looked at the happy Perthacus. "You're living a good life. You're no longer the Mount Martialis' Master of Timaeus Sect, but you have established your own sect."

"Sigh. Stop talking about that." Perthacus shook his head. "It's a long story."

Then, he looked at Yadi. "Are you my sect's disciple?"

Yadi quickly knelt on the ground. "I'm Yggdrasil Sect's Fifth Elder. Greetings, Mr. Wulte."

"I don't know you. Get lost," said Perthacus irritably.

At once, Yadi felt relieved. Upon getting up, he glanced at Lucille.

"He can't leave." At this time, James raised his hand. A mysterious power sealed Yadi here.

Lucille did not react as she watched James' actions. On the other hand, Perthacus was astonished. "This is."

"Your father." James glanced at Perthacus.

At that, Perthacus' face darkened. "How could you say such a thing."

"Do you want to beat me up?" James interrupted him.

Seeing that the two were about to fight, Lucille said, "Mr. Wulte, can we discuss something here?"

Perthacus was taken aback. He nodded. "Of course. This is my turf."

Then, he looked at James. "But this guy."

James ignored him. With his hands behind his back, he entered Yggdrasil Palace directly.

"How disrespectful." Suddenly, Perthacus was enraged. "Who is he? How could he."

Before he could finish speaking, Lucille said, "Stop making a fuss. He's someone you know. We'll talk about it inside. Also, set up a few Soundproof Barriers, or else you and your sect will be doomed."

After that, Lucille entered Yggdrasil Palace with her hands behind her back too.

Perthacus shuddered. He felt that something was odd. Ever since his adventure and entering Quasi Daeclon Rank, he had never felt this way before.

Nonetheless, he still did as Lucille instructed. He set up thousands of Soundproof Barriers around the palace before entering the palace.

The Almighty Dragon General Chapter 6500-James was in Yggdrasil Palace. He was staring at a painting.

The painting was the scene of James, Lucille, Perthacus, Xzavion, Stephen and Truett during the battle against Woodrow when they were in Timaeus Sect.

What was even stranger was that if a trace of power was injected into the painting, the scene of the battle would come alive. It was terrifying.

“Hey, who let you touch this painting?” Perthacus’ furious roar came from behind James.

In the next second, his terrifying aura headed toward James. Nonetheless, James ignored it. The moment it touched him, it bounced back.

With a loud boom, Perthacus stumbled backward by his aura. At once, he spat out blood.

Then, he looked at James in disbelief. He was stunned. Who was this rude man? How did he rebound the aura of a powerhouse in the Quasi Daeclon Rank?

More importantly, this man didn’t even move, yet he did such a thing. If he made a move, how terrifying would he be?

At that thought, Perthacus clutched his chest and looked at Lucille. “W-Who is he?”

Lucille stayed silent.

“Mr. Wulte,” James suddenly said, “Is this painting very important to you?”

Perthacus’ face twitched. “I admit that you’re stronger than me, but if you want to humiliate my sect—”

Before he could finish speaking, James reached out and opened the secret compartment behind the painting. In a second, three tomb plates flew out and appeared before James.

“Don’t touch my stuff.” Perthacus was furious when he saw this. As he was about to rush forward, he was stopped by Lucille.

Furiously, Perthacus said, “Lucille, I welcomed you guys because you’re my friend. I didn’t allow you guys to be so...”

He could no longer continue to speak because Lucille stared at him with a complex expression. She seemed to have an endless story. In an instant, Perthacus’ heartstrings were tugged. He immediately fell silent.

“James’ tomb plate, Xzavion’s tomb plate, Stephen’s tomb plate, Truett...” Looking at the tomb plates, James frowned. “Is Truett dead too?”

Upon hearing that, Perthacus clenched his fists. “Put down my things. Although you’re powerful, I’m willing to fight you even if my entire sect will be implicated.”

James turned around and stared at him. He activated the Chaos Yin-Yang Eyes. At once, he could see Perthacus’ soul.

Then, he understood everything.

Back then, Truett’s and Xitlaly’s wedding ignited a battle. After the fight of the powerhouses, the entire Genesis World changed.
