

## The Almighty Dragon General Chapter 6590

The Almighty Dragon General Chapter 6590-“Was that everything? Your formation is impressive and undoubtedly potent. Unfortunately, it was useless against me.” A faint voice came from the void.

Xabat was startled after she recognized James’ voice. Despite being trapped within the Goldawn Formation, he remained calm.

She pointed toward the formation and said, “Your resilience is commendable, James. However, your arrogance won’t last much longer. Though you have an Ultimate Golden Body, it’ll be impossible to breach my formation.”

“Is that so? You’re quite confident.” James chuckled.

At that moment, a larger golden body emitting gray, black, and white light rays materialized behind Xabat.

The surroundings were enveloped in a shroud of ominous gray clouds, the pressure mounting like an impending storm.

Sensing the immense force bearing down, Xabat panicked. She turned around and saw a massive fist being swung toward the formation.

With a deafening boom, Xabat’s proud creation, the Goldawn Formation was shattered. A cascade of energies rippled, destroying countless universes.

“No! This can’t be!” Xabat shouted in disbelief, as blood spewed from her mouth. After her formation was destroyed, she suffered backlash and was injured.

Suddenly, James extended his massive hand and grabbed Xabat by the neck with a tight grip.

“In light of what you just said about feeling regretful about having to eliminate me, I’ll spare your golden body. However, only under the condition that you submit to me,” James declared, his grip tightening around Xabat’s neck.

Xabat struggled to free herself, and said in retaliation, “Never! I’m Tai Chi’s third disciple...”

Before she could finish proclaiming her loyalty, James tightened his grip and solidified the Tai Chi Power in her body.

James jeered, "You're a loyal hound, aren't you? Was it Tai Chi's brilliant idea to release the Demonic Spirit just now? So has Tai Chi conspired with Morgott?"

The realization hit Xabat like a thunderbolt, halting her struggles to escape.

After a while, she opened her eyes wide and roared, "Impossible! The shadowy figure that I saved was the leader of the Righteous Alliance and Timaeus Sect. It wasn't Morgott! You're falsely accusing."

James felt there was no need to engage further. He waved his other hand, unleashing Historial Curse Magic that swiftly enveloped Xabat's golden body.

As crimson inscriptions cascaded around her, Xabat's colossal figure was ensnared, causing her to scream in agony.

Her golden body was released from James' grasp and began spinning at breakneck speed through the void. Her Tai Chi Power leaked to the surroundings, causing mass destruction.

Cursing a formidable figure like Xabat proved no simple feat. James concentrated nearly all of the Historial Curse Magic Inscriptions to shrink Xabat's golden body and return her to her actual form.

James descended upon the ruins and observed the creature behind. He chuckled, "So you're a ninetailed fox?"

"You despicable, shameless human," the nine-tailed fox spat at James.

James put his hands behind his back, and said with a smirk, "My friend, Quattro, has been going on about wanting a beautiful wife. You're quite suited for him. I wonder what the offspring of a pig and fox will be like?"

"Obscene," the golden nine-tailed fox retorted and lunged at James, only to be caught in his grasp.

Unrelenting to her fate, the fox attempted to bite down on James' arm. However, his golden body reflected the force.
