

The Almighty Dragon General

Chapter 6700

The Almighty Dragon General Chapter 6700-Suddenly, the baby who was enveloped in a mass of the purple Hongrome Aura started spinning slowly.

“Qi! What’s happening?” Morgott called out nervously, “I didn’t tell you to spin!

Why are you spinning now?”

The baby spun faster, despite his frantic screaming. A stiff wind blew, causing the purple auras to swirl in the air.

A short while later, Morgott started screaming in pain.

“Shit! This... This is a girl with the Ultimate Yin body type! I didn’t expect this...”

James had a look of bewilderment on his face as he listened to Morgott’s desperate cries.

Meanwhile, Herodias and Yegor were visibly delighted to hear what was happening.

On the other hand, Lesia had moved the Yuraeceon Genesis Bell to hover above the baby. She appeared to be attracted to the energy emanated by the baby.

“No! No!” Morgott shouted in a shrill voice, “I was wrong! I admit that I’m wrong!

Let me go! Release me!”

Unfortunately, Morgott’s pleas were completely ignored.

Just then, the spinning baby could be seen growing in the thick mass of purple Hongrome Aura. She grew to the size of a three-year-old toddler and finally stopped spinning.

The Quasar Light flashed across those orbs as the baby opened her eyes. She immediately grabbed onto something on her stomach with her small, chubby hand. Then, the baby pulled a transparent human-like figure out of her body.

She started pulling the figure on both ends and stretched it.

“Ahhh! Stop pulling me! I was wrong!” Morgott’s voice came from the transparent figure held between the baby’s hands just then.

James, Yegor, and Herodias were all stunned by the sight before their eyes.

Meanwhile, the baby was having a lot of fun. She shaped Morgott's spirit into a ball and started playing it like a yo-yo.

Morgott screamed frantically when the baby cast him out flying at a high speed.

When he returned to her hand, the baby started shaping him into another toy cheerfully.

Morgott's spirit was a taboo to all living beings. He was also who all Zymurgy's supreme beings considered their number one enemy.

In the hands of a three-year-old toddler, he was just a toy now.

"James, save me! I was wrong!" Morgott's spirit shouted for help.

James snapped to his senses and burst out laughing.

Yegor put his hands on his back and took a step forward. "This is karma. You've met your natural enemy now."

"She's beautiful!" Herodias fixed her gaze on the baby, who was fiddling with Morgott's spirit. "I'm going to be her godmother!"

Yegor snickered, "Weren't you trying to kill her just now?"

"I didn't!" Herodias retorted, "I was trying to kill Morgott."

"You can't be her godmother." James chuckled. "Yegor is like a brother to me."

You can be the baby's god-grandmother."

Herodias was rendered speechless.

At that very moment, Thea's voice came from a distance. "James, come here!"

James swiftly turned around and looked at Thea, who was still surrounded by purple gases. "Thea, you're awake?" He rushed to her side immediately.
