

The Almighty Dragon General

The Almighty Dragon General Chapter 7036-Upon seeing that, Yiulia was nervous. She didn't dare to breathe.

Thea, who was caught, took the opportunity to turn into a ray of amethyst- red Bohnwer Light with three edges. She escaped and returned to Yiulia's side.

"You're too reckless." Yiulia reprimanded, "You aren't below the Fortieth Heaven.

You aren't in all worlds either. This isn't a place where you can do anything you want because you have reached the Three Treasures Integration and Daeclon Mahayana Rank."

When Thea heard that, she clicked her tongue. "I'm not afraid of him. At most, I'll kill him and alert his master."

Yiulia was anxious. "You're bluffing. If I didn't shout James' name just now, you would have been dead."

Thea smiled but stayed silent.

She deliberately took the risk just now to probe the monster's strength. With her current ability, even if Morgott and James fought her together, they might not be her match, let alone this monster.

She was curious how mysterious the Wyrmscale Source of the Forty-Ninth Heaven was that even the Five Path Emperor couldn't enter.

At this time, the huge monster reached out a feeler and pointed at Yiulia. " You shouted James' name just now. Where is he? Is he here too?"

Upon hearing that, Yiulia was taken aback.

It was a critical moment just now. So, she just said it randomly. She didn't expect Marius to believe it. Where should she find James?

When Yiulia was stunned, Marius suddenly opened its mouth. He roared angrily.

Countless purple energy came out of its mouth. With countless sound waves, the purple energy engulfed Yiulia and Thea.

Amid the soul-shaking roar, even the powerhouses as transcendent as Thea and Yiulia could only use their strength and cover their ears.

There was a strong wind and light swords. The ground shook and purple light filled the place. The terrifying baptism seemed to last for eternity, causing Thea and Yiulia almost to have their souls leave their bodies. Their Primordial Spirit would be destroyed.

Thea couldn't bear it any longer. She waved her hands. A dazzling tower was unveiled.

In the next second, she pulled Yiulia and turned into two rays of light. She entered the tower.

At this moment, Marius' huge feelers immediately wrapped around the tower and pulled it to himself.

Looking at the tower, the monster's wings suddenly glowed brightly, turning from red to purple. They looked beautiful.

"Does the monster belong to Taishi?" asked Thea.

Then, the monster's feelers shook the tower like a child playing with a rattle.

As it spoke, its tentacles shook the pagoda like a child playing with a rattle.

The monster was fine, but Thea and Yiulia spun around inside. They couldn't stabilize themselves.

"I told you not to mess with him, but you didn't listen." Yiulia stabilized herself while complaining to Thea.

"You're a coward." Thea tried to stabilize herself. She said, "Are you still Lyla who is aloof and fights when there's conflict?"

Yiulia was furious. "I told you. I'm Emperor Zdravko!"

Thea shouted, "Lyla, Lyla, Lyla!" "You're annoying." Yiulia covered her ears irritably. It was torment.

Soon, the shaking tower became silent.

Then, Marius's voice came from outside the tower. "Tell me. Where is James?"

Upon hearing that, Thea turned around and glared at Yiulia. "Why did you mention my husband's name? Now, he's looking for him. Are you going to make him appear?"

Yiulia was at a loss for words.

She wanted to save Thea, that was why she said that. She didn't expect James to have enemies in the Wyrmscale Source and cause this outcome.

The Almighty Dragon General Chapter 7037-However, when the two goddesses were at their wits' end, an unfamiliar voice sounded from outside the tower. "Greetings, Divine Marius."

Marius grunted. "Who are you?"

The unfamiliar voice responded, "Divine Marius, I am Yule Quirin, the eldest disciple of Emperor Qadeer. I was ordered by my teacher to send an invitation to invite you to participate in the Wuia Integration Gathering that will happen two epochs later.

Marius suddenly said, "Move aside. I'm not interested."

After a loud sound, it was quiet outside the tower. However, the conversation that happened outside the tower could be heard by Thea and Yiulia.

"Has Xanthakos returned to the Forty-Ninth Heaven?" Thea looked at Yiulia.

"Does that mean my husband and Morgott have lost?"

A look of solemnity flashed across Yiulia's beautiful face. "This is only a matter of time, but I'm more curious as to why Xanthakos wants to hold the Wuia Integration Gathering at this time."

Upon hearing that, Thea frowned. She had heard of the Wuia Integration Gathering before. It was a huge event of unprecedented scale in all worlds. It was held every 99999 entrapochs to commemorate the place where Waitara escaped.

On the surface, it was in the name of commemorating and respecting Waitara's Daoism. It welcomed the establishment of Waitara. However, in actuality, it was the Five Path Emperors fighting for power, forming teams by getting all the forces in all worlds and hidden gods.

After calculating the time, Thea realized that it hadn't been 99999 Epochs since the last Wuia Integration Gathering was held. Why did Xanthakos hold it in advance?

Suddenly, Thea widened her eyes and exclaimed, "Xanthakos formed a team in advance. Perhaps he has encountered a stronger opponent and trouble that needs to be solved urgently.

Then, she looked at Yiulia. "In Forty-Ninth Heaven, who can be a threat to Xanthakos' status?"

"James, Morgott, Taichu and Taiyi are all possible." Yiulia took a deep breath.

“However, Xanthakos fears Lord Goyo the most.” “Lord Goyo. That makes sense.” Thea pointed at Yiulia. “My husband and Morgott are trapped in the Gate of Mystery by him. Taichu and Taiyi are both the Xanadu Nothingness Gods. Their statuses have long been determined.

Besides Taichu is Xanthakos’ support.

“So, only Lord Goyo is left. He is the reason why Xanthakos wants to gather forces in advance in the name of the Wuia Integration Gathering.

“If Lord Goyo appears, it’ll be lively in the Forty-Ninth Heaven.” Yiulia said, “For many years, although we are the Five Path Emperors of the Forty-Ninth Heaven and are in charge of a gate, Lord Goyo rarely shows up. Xanthakos always has the final say.”

“The other three Five Path Emperors are under Xanthakos’ suppression and coercion.”

“Is Lord Goyo good or bad?” Thea asked.

“He’s neither.” Yiulia shook her head. “I’ve only seen him twice. I’ve never seen his true appearance as he never interferes in the affairs of all worlds.

After hearing that, Thea was about to speak when Marius’ voice sounded from outside the tower.

“Lord Goyo is cowardly and incompetent. To deal with an ambitious guy like Xanthakos, it will take a genius like James.”

Upon hearing that, Thea and Yiulia were stunned.

“I heard your conversation just now.” Marius continued, “I also know why you broke into the Wyrmscale Source. If you can, you should come out and we’ll speak face to face.”

Thea stayed silent.

Yiulia looked at Thea. “Divine Marius has invited us. Let’s go out.”

“If you’re afraid, you can stay here.” Thea rolled her eyes at Yiulia. “If we get into a fight later, you might be a hindrance to me.”

Yiulia’s expression turned cold.

Then, Thea turned into a ray of light and rushed out of the tower.

The Almighty Dragon General Chapter 7038-When Thea came out of the tower, she didn't see a huge monster. Instead, she saw a rather handsome middle-aged man.

He sat in front of a rectangular table. He threw the luminous balls on the table into his mouth one after another. Then, he drank wine from a wine jar. He looked comfortable.

At one end of the rectangular table, there was also the tower Thea used just now. It was shining.

Upon seeing that, Thea was doubtful.

"You're quite powerful." The middle-aged man smiled and said, "Half the strength of the Yin governor is comparable to an emperor's strength."

"In my opinion, among the Five Path Emperors in the Forty-Ninth Heaven, apart from Lord Goyo and Xanthakos, you should rank third."

When Thea heard that, her face twitched. "What are you eating?"

The middle-aged man who was about to throw the luminous ball into his mouth froze. Then, he threw it to Thea.

Once Thea caught it, she found it heavy. She hurriedly used both hands to hold it.

The luminous ball in her hands was still spinning. It was as if it were alive.

"It's a planet." After observing it for a while, Thea exclaimed, "How could you swallow the planets?"

"It's my preference, but I'm not evil." The middle-aged man said with a smile, "The planets I eat are all abandoned."

Thea took a sharp breath.

The middle-aged man was Marius.

"Yin governor, I'll call you this for now." Marius put down the wine jar and said, "You and Yiulia want to go through the Wyrmscale Source as a shortcut to Wuia Palace to save James?"

Upon hearing that, Thea stared at Marius warily. "How do you know my husband?"

"We are old friends." With a smile, Marius raised his head. "It's just that we haven't met in a long time. It's kind of sad."

"I believed he would obtain the Supreme Path one day, but I didn't expect him to grow so quickly. He even made the Five Path Emperors fear him."

"Old friends?" Thea narrowed her eyes. "Why have I never seen you?"

"Times have changed. This moment is different from other moments." Marius continued, "Maybe he won't recognize me when he sees me now."

Then, he waved his hand again. "Alright, let's continue about the past next time.

Now, let's talk about how you can save James."

At that mention, Thea lowered her head. "It seems that it might be difficult now."

"Xanthakos controls the Gate of Mystery, but he's only helping Waitara to control it." Enunciating each word, Marius said, "He can use it, but he can't fully exert its power. Besides, the Gate of Mystery is the root of the heavens and earth. It gathers everything in all worlds. It's mysterious and vast. James being inside might not be a bad thing."

Upon hearing that, Thea was astonished. "Do you mean that my husband could do something in the Gate of Mystery?"

"You underestimate him too much." Marius chuckled and said, "James getting the Supreme Road is a small thing. When nothingness is eternal, Zenthur is endless. His future is above and further than ours.

Looking at Marius, Thea couldn't say anything.

The Almighty Dragon General Chapter 7039-After all, these words spoke highly of James and gave Thea who was uneasy a different kind of comfort.

However, she was still curious as to where Marius was from. How did he meet James? How did he know James so well?

"Since you're here, for James' sake, I can't let you go around the place blindly." Marius stared at Thea. "As for Yiulia, she has no power. In the Forty -Ninth Heaven, there are Five Path Emperors, but only two of them hold real power." "Lord Goyo and Xanthakos?" Thea blurted out.

"Yeah!" Marius nodded. "If you want to save James, you must meet Xanthakos first as he carries the Gate of Mystery.

"You must have heard what I said just now. Xanthakos is going to hold the Wuia Integration Gathering. Do you want to give it a try?"

Upon hearing that, Thea shrugged. "Didn't you make the person who sent the invitation leave?" As soon as she finished speaking, Marius waved his hand and a vivid screen appeared in the void.

Inside, there was a handsome middle-aged man in a purple robe. He was standing at the entrance of the Wyrmscale Source, anxiously waiting for something.

"Is he the one who sent the invitation on behalf of Xanthakos?" Thea asked, surprised.

'Yeah.' Marius smiled and said, "If I don't accept the invitation, he won't leave because Xanthakos needs the help of the Wyrmscale Source."

"Why?" Thea asked. "Is it to deal with Lord Goyo?"

'Yeah.' Marius nodded with a smile. "In the Forty-Ninth Heaven, among the eighty-one gates, twenty-five Holiness and the emperors, Lord Goyo and Xanthakos are almost equally matched.

"However, Lord Goyo is powerful in holding the three swords of the Wuia Demon-Slayer Sword. With Taichu's support, he has the power to reward good and punish evil on behalf of Waitara."

"As for Xanthakos who is in charge of the Gate of Mystery is slightly weaker.

Nonetheless, with Taiyi's support, he is on par with him.

"In the past, Lord Goyo never interfered in the affairs of all worlds. Naturally, Xanthakos could be the leader and have the final say.

"But once Lord Goyo appears, Xanthakos' supreme position will be in jeopardy.

Do you think he can sit still?"

After hearing that, Thea nodded. She was deep in thought.

"Does that mean that the Wyrmscale Source that you control becomes the key to breaking the balance of power between them? Whichever side you're on, that side will win?"

'You're smart.' With a smile, Marius pointed at Thea. "As expected of James' woman. You're indeed smart. So, do you want to represent the Wyrmscale Source?"

At that, Thea was astonished. "Me?"

'Yeah.' Marius nodded. "I don't like to interfere in affairs regarding reputations.

You can go on my behalf. It means that you will represent the Wyrmscale Source. In this way, you will have a bargaining chip with Xanthakos. It will no longer be difficult to rescue James.”

After hearing that, Thea was even more shocked. They were fighting each other moments ago, but now Marius gave her such benefits and power. It was like a dream.

“What’s the matter? Don’t you trust me?” Marius asked with a smile.

The Almighty Dragon General Chapter 7040-Thea shrugged. “Since you don’t tell me how you met James, I feel suspicious.”

Suddenly, Marius raised his head and laughed. Then, he waved his hand. An exquisite token appeared.

Thea was taken aback. “What’s this?”

“It’s the Wyrmscale Token.” Enunciating each word, Marius said, ‘With this token, you will be the master of the Wyrmscale Source. Everyone in the Forty Ninth Heaven knows it.”

Then, Marius waved his hand again. A ray of purple light entered Thea’s right arm.

“Alright. Now, you’re the master of the Wyrmscale Source.” Leisurely, Marius said, ‘Whether you believe it or not, if you want to save James, this is the best

way.”

Upon hearing that, Thea took the token without hesitation. No matter how the situation developed, it couldn’t be worse than it was now.

Seeing Thea’s actions, Marius waved his hand in the void. He grabbed a handsome young man wearing a purple robe.

He was none other than Yule who was scolded by Marius but still stood at the entrance of the Wyrmscale Source.

Once he came back to his senses, he immediately greeted Marius excitedly.

“Divine Marius...”

“Alright.” Marius waved his hand indifferently. ‘We will attend, but I’m going to meditate in seclusion soon. So, I will send the new master there.”

Upon hearing that, Yule raised his head. “Do you mean...”

“Here.” Marius pointed at Thea. “She’s the master of the Wyrmscale Source.

She can represent me and the entire Wyrmscale Source. She can make all the decisions. Whatever her decisions are will be the decisions of the Wyrmscale Source.” When Yule heard that Marius had granted such great power to Thea, he was shocked. Even Thea was stunned.

Marius frowned. “Did you hear me?”

“Y-Yeah.” Yule quickly bowed at Marius.

In the next second, at Marius’ signal, Yule turned around and presented the invitation to the Wuia Integration Gathering respectfully.

Thea glanced at Marius. Then, she took the invitation hesitantly. “Can I set off now?”

Upon hearing that, Yule nodded. “It would be great if you could set off now!”

“Go ahead.” Leisurely, Marius said, “Go and return early. I won’t be in seclusion for a long time.”

After looking at Marius, Thea took out several jars of Chaos Absinthe and put them down. Then, she took the tower and left with Yule.

Once the door was closed, Marius slowly raised his head.

“James, there’s only so much I can do for you. Whether or not it will succeed depends on your wife’s intelligence.”

Then, he grabbed a jar of Chaos Absinthe and poured it into his mouth.

However, after taking a few sips, he opened his eyes. His expression changed.

“What wine is this? Is the Yin governor taking revenge?”

Then, he fell to the ground with a loud bang. He was drunk and unconscious.

On the other side, the Bohnwer Light filled the inside of the Gate of Mystery, making the place more dazzling.

In the Bohnwer Light, three figures rotated counterclockwise along the trajectory of the light. Their speed increased as they absorbed the endless energy and power released in the light.

They were none other than Yianni, Morgott and Lesia.

As they went through intensive cultivation, they seemed to have gotten new lives. Their cultivation and Supernatural Power were purified and baptized tens of thousands of times. Their strength had reached the point of perfection.

A while later, Morgott broke away from the trajectory of the Bohnwer Light first.

He extended his arms. Two balls of demonic flame gathered in his palms. He pushed out his palms. The two balls of flame turned into two Helblaze Dragons.

The Helblaze Dragons headed to the void with roars.

At the same time, Yianni frantically seized the Bohnwer Light. A black Sword Light flashed by. A black sword headed straight toward the Helblaze Dragons.
