

## The Almighty Dragon General Chapter 7450

The Almighty Dragon General Chapter 7450-Yasmina carefully examined Yianni's destiny scroll and said solemnly, "Strange.

With his birth, early life experiences, and entry into his cultivation path unclear, you must be cautious with him-even if he were your biological parent, let alone your master."

Taichu took a deep breath and said, "Yianni is one of the Greater Realms' greatest cultivation geniuses. Let's hope that's all there is to it."

After listening to their statements, James nodded thoughtfully. He was slightly uncertain about investigating Yianni's background, but now he felt it was necessary after considering the other deities' opinions. Even those he once admired most, like Emperor Jabari and Franciscus, had turned out differently than expected. He could not afford to be careless.

After pondering for a while, James said, "I've already decided about Yianni.

What about Emperor Cosimeon?"

The four deities exchanged glances and said in unison, "He can't become a god and should be executed."

James was utterly surprised to see their unanimous agreement. It was rare for them to have a unified opinion.

Wesley said, "I'll handle this. Since I'm the Supreme Emperor of Life and Death, I should deal with him according to the order of cause and effect.

"The Forty-Ninth Heaven can't continue in chaos. It's time to establish order and uphold the rules of the Supreme Path."

After Wesley clarified his stance, the other three nodded in agreement.

James smiled faintly and stood up. "Alright, then we're done with Zymurgy's matters. With you four overseeing the Forty-Ninth Heaven, as well as Hankin, Quintus, and Quentyn in charge of Zymurgy, I can rest assured."

After speaking, James waved his hand and put away the destiny scrolls. Then, he cast a Supreme Path Source into the sky, resurrecting Hankin and Quentyn.

At the same time, Yianni, Marius, and Quintus were released from James' spatial storage.

Biefren was also directly teleported to them.

After conferring titles upon them and taking charting instructions and secrets of Daoisms, they left to fulfill their respective duties.

Soon, only James and Yianni remained in the space.

Gazing at Yianni, James suddenly asked, "Do you have anything to say, Master?"

"Uh..." At first, Yianni was taken aback but laughed. "What do I have I'll do whatever you need me. Alright. We need to change our appearance and return to the Greater Realms." James did not waste any words.

"Return to the Greater Realms? At a com time like this?" Yianni was surprised.

James nodded. "Yeah. Is it inconvenient for you?"

Yianni shook his head casually and said, "Not at all. Shall we go then?"

James raised his hand, and they instantly teleported out of the mysterious space.
