

The Almighty Dragon General Chapter 7497

The Almighty Dragon General Chapter 7497-James was stunned to hear her name again. He looked in her direction and watched the beautiful woman struggle to climb up. Yet, aside from her appearance, everything about her was vastly different from the woman he knew in the past.

Thea telepathically said, "I sense Waltraud's power within her."

James nodded in response. He could sense that Yemima was a completely different person. Even if she had been reincarnated, it was impossible for her to possess Waltraud's power.

Yemima staggered and wiped the blood from her lips, glaring at Wyot angrily. "I'm your wife, Wyot! How could you..."

Wyot interrupted her, "You'd better leave immediately. This is the Doom Ancestral Palace. The Chaos Bell is meant to summon the high-ranking members of our race, and you're not one of them."

Yemima hissed, "You!"

"Get out of here," Wyot roared, preparing to attack again.

Yemima shouted, "Beat me to death and kill the child in my womb then!"

Wyot immediately halted in his tracks, staring at her in shock.

ㄨ The other high-ranking members, who had been silent in fear, also cast surprised glances at Yemima. They could not believe she was pregnant. After all, Wyot had been busy with the Jademora Empire's affairs and had not returned to the Dooms' territory for many years. Everyone began to question how she was carrying a child. Sensing the situation had taken a turn for the worse, Thea waved her hand, enveloping Yemima with her Hongrome Aura, transporting her into a different space.

Yemima's sudden disappearance startled the high-ranking members, prompting them to cast suspicious glances at Thea.

"Continue, Wyot," Thea urged, then fell silent.

Wyot took a deep breath, clenched his fists, and said through gritted teeth, "Who else thinks that I am not qualified to ring the Chaos Bell and manage the Dooms' affairs? Step forward now."

The group of high-ranking members looked at each other. Though some were dissatisfied, they were horrified after witnessing Wyot's cruelty just moments ago. He had just killed their senior elder in front of them and wouldn't hesitate to kill them either.

However, his actions stirred up ๖๖๓ many questions in their hearts. Wyot rarely interfered with their affairs and had always been easygoing, turning a blind eye to their actions. For some reason, he was so ruthless today, and they were taken by surprise. “Since there are no more objections, let’s get to the point.” Wyot scanned the room, then pointed at Thora, who was behind Thea.

“You! Step forward and tell us everything about what happened to the New Shahrzad Dynasty.”

Thora was incredibly nervous to be suddenly called upon. With Thea’s encouragement, she timidly stepped forward.
