

The Almighty Dragon General Chapter 7499

The Almighty Dragon General Chapter 7499-The woman's eyes gleamed with malice as she stared at Thora. "You're quite beautiful. If you're so desperate to cling to us, I could find you a talented member to take you as a concubine. However, the New Shahrzad Dynasty will be completely annihilated if you remain stubborn."

Thora was livid from the humiliation, and her strong emotions caused her to cough up a mouthful of blood.

The high-ranking members of the Dooms exchanged knowing glances, their faces twisted into strange, amused smiles. Their whispers filled the Doom Ancestral Hall.

"Yadira certainly is clever. After all, she served beside the Chancellor before."

"Indeed. She learned a lot after being trained by the Chancellor."

"That foolish girl must not value her life. How dare she come here and try to put on a show?"

"We must investigate this situation. Someone must be backing her up. The mere ruler of the New Shahrzad Dynasty wouldn't dare attempt such a stunt alone."

"I wonder how Wyot will handle this..."

Amidst the murmurs, James and his companions remained composed, their expressions unchanging. Only Thea displayed visible anger.

With blood still trickling down her lips, Thora glared at the woman. "You're Yadira Dickinson? I see, so that's why the Dooms are so persistent in destroying the New Shahrzad Dynasty. You want our treasures, especially the Amethyst-Gold Heart Armor we acquired..."

Yadira's voice rose in fury. "You shameless wretch! Even now, you're still playing the victim and spouting nonsense? Unforgivable!"

In a sudden burst of anger, she raised her hand to slap Thora. However, before she could land the blow, a fiery red shadow flashed and caught her hand with swift movement.

Yadira was momentarily startled, then found herself staring at Thea, who had stepped in to intercept the blow. Her face instantly darkened with anger. "Who are you to interfere..."

Slap.

Thea swung her hand with lightning speed, delivering a loud, resounding slap that sent Yadira sprawling to the ground. The hall instantly erupted into chaos as the el high-ranking members,

who been enjoying the spectacle, hurriedly stepped forward with furious expressions. Just as they were about to attack, Wyot shouted from the high platform, forcing them to halt in their tracks.

At the same time, Yaretzi, Youcef, and Yianni also instantly rose to their feet, glaring at the Dooms' high-ranking members with hostility.

Their shameless behavior had gone too far. Not only did they destroy a Genesis World for their interests, but they were also indifferent to the damage they had caused. On top of that, they were trying to kill their accuser in public. Yadira, who had fallen aside, clutched her swollen cheek and struggled to her feet. Her face contorted with rage. "You dare to act so brazenly in our Ancestral Palace? Do you think we're easy targets?" Wyot's booming voice interrupted her. "Have you not caused enough trouble, Yadira?"
