Chapter 833

“Hail to the Dragon King! Hail to the Dragon King! Hail to the Dragon King...”

A chorus of cheers reverberated throughout the area as soon as James stepped off the helicopter. The voices came in waves, each one louder than the last.

He looked straight ahead at the tens of thousands of soldiers in front of him, raised his hand, and gave a single downward wave.

The cheers ceased abruptly.

Then, a few generals dressed in military uniforms approached him.

“Hail to the Dragon King,” Henry spoke first, a brilliant smile on his suntanned face. “We’ve been looking forward to this day for so long. The long-awaited Dragon King has finally returned.”

“You brat. When did you learn to be such a glib talker?” James clenched his fist and gently tapped Henry on the chest.

“Hehe.” Henry laughed mischievously.
