

The Almighty Dragon General Chapter 949

Cynthia had no business meddling in James' affairs.

Upon seeing Thea, she had the urge to say something but swallowed the urge.

Thea walked toward the sofa and sat opposite Cynthia.

Then, she looked at James.

"Honey, what are you planning on doing next?"

James also sat down. He shook his head and replied, "I've no plans for now."

He was like a blind man that was not able to see the path ahead.

"We'll stay in Cansington for the time being and observe the overall situation. Right now, there isn't much to do. All I can do is hone my skills and continue to improve my strength as much as possible."

Maxine had made James aware of how far beneath the Ancient Four's strength he was.

As he was, he was too weak to achieve anything. He was nothing compared to the Ancient Four.

Unless he reaches the fifth rank, he would essentially be a sitting duck for his enemies.

Regardless of his rank, he would still end up doomed if the Ancient Four were really determined to eliminate him.

"Honey, can you send me to the military region? I'd like to train there for a while," Thea asked unexpectedly.

She had no actual combat experience despite having achieved the third rank of True Energy cultivation.

to James, she had to accustom herself to the True Energy within her body as soon as possible. Her physical strength also needed to be built up to
