Kiara

"Does putting people in situations like this make you happy?" Zane yells as he pushes me into the car.

I keep mute, holding Ariana's hand for support. My mind races as I tighten my grip on Ariana. Zane stares at me for a while before he gets into the car and bangs the door.

He turns on the ignition and zooms out of the compound. I say a silent prayer as he speeds on the highway. It's partially my fault, and I don't mean for his secret to be out in the open.

"Mr. Fernandez trusts me so much, and now you have managed to taint my name in his presence. I hope that makes you happy!" He slams his fist on the steering wheel.

His phone rings, and he picks it. "Natalie not now!" He yells, tossing his phone to the passenger's seat.

I can feel Ariana's body tremble, and I hold tightly, trying to assure her that she will be fine. I feel sorry for her. It's my fault that she's in this mess, and I wonder if she will want to speak to me again.

After a while, we get to the house, and Zane drives into the compound, coming to a halt close to the front door. He gets out of the car and slams it shut, leaving both Ariana and me inside.

"Should we leave?" I ask Ariana, and she looks at me with a shrug.

I muster up courage and open the door, then I make my way to the front door only to walk into Zane with a lady.

Zane' p. o. v:

When I walk in and see Natalie in the living room, a thought occurs to me at once. I want to punish Kiara badly, and I know what's going to do the trick.

"Natalie, come with me," I say to her.

I turn around and lift Kiara, making my way to the stairs while Kiara fights hard to break free from my grip.

I take her to my room and then toss her on the couch. The moment Natalie gets into the room, I order her to shut the door.

"Natalie, come here," I say in a low tone, and she rushes towards me.

I grab her and press my lips onto hers, my hand roaming round her body while I bore my eyes at Kiara's. I pull away, then I take off my suit jacket and toss it on the bed, unbuttoning my shirt.

"Have you no sense of dignity?" Kiara asks, standing up. I push Natalie on the bed and walk towards Kiara, then I grab her and wrap my shirt around her hands.

Then I grab my hanky from the pocket of my pants and wrap her mouth.

"You will sit and watch until I'm satisfied," I whisper in her ears, and she wriggles her hands in a bid to break free.

I toss her on the couch, then I walk back to Natalie, who is already stroking her pussy in anticipation of what is about to happen.

Natalie is wild, and she has probably imagined a cuckquean kink sex. I pull her hand away from her gown and then run my hands up her thighs to the base of her panties. I take it off at once, revealing her fresh and shaved pussy, which is oozing with her juice.

"You are so wet," I say to her, rubbing my hand gently on her core before slipping three fingers in at once.

"Fuck me, please," she begs, grabbing my neck and pressing her lips on mine.

Hurriedly, I pull off her dress and fling it away, then I kiss her from her neck down to her bosoms, taking each one in my mouth simultaneously.

"Please, I'm begging, I want to feel the warmth of your cock in me," she says, and I look at Kiara, who closes her eyes.

It's obvious she's feeling the heat, and I bet she would have touched herself if her hands weren't tied down.

I push into Natalie, earning a moan from her lips. I thrust in and out rhythmically with my gaze still locked in at Kiara's. I watch as she crosses her legs.

"Faster, faster, please!" Natalie moans as I slam in and out of her.

I avert my gaze, staring into Natalie's beautiful eyes as my tongue works its way on her hard nipples, while she grabs my body very hard.

"I want you in deeper!" she begs, and I do as she says, moving in so deep that my balls slam the entrance of her pussy.

When I look up at Kiara, I see her eyes open, causing me to pause and turn Natalie over with her butt against my stomach. With my hands around her belly, I pull her towards me, pushing my cock into her while Kiara watches with her brows wrinkled.

"I bet you wish you were me," Natalie whines, earning a moan from my lips.

She understands the assignment properly, and I don't even have to stress.

"Wish you had his big fat cock going into your pussy, but you cannot because he belongs to me," she says, causing me to go faster.

Her words are getting to me and it makes me want to cum faster than I anticipated.

"Fuck me, daddy. Fuck me so that she knows how much you love this pussy," Natalie moans, and I do as she says, rubbing her clit and kissing every inch of her bare back.

Suddenly, I get to my climax, and when I try to pull away, Natalie holds onto me.

"Please, cum in me. I want every inch of you and your cum in me," she begs, and I climax in her pussy, pulling out to look at the beautiful mess I have made.

I continue to work my fingers on Natalie's clit, and she gets to her climax at once, then I plant kisses over her body.

"Do you have your pills?" I ask, and she nods. "Take them," I say, and then I stand up and walk to Kiara who does nothing but stare at me.

"I bet you had a great time," I say with a smirk on my face as I untie the hanky around her mouth.

"You are the most disgusting fellow I have met," she spits, and then she attempts to stand up, but then I grab her throat, placing her back on the couch.

I run my hands around the waist of her pants, then I slip my hand in, trailing down to her core to feel the wetness she's clad in. This is the first time I touched her, and I get carried away; my hands linger for a while, earning a moan from her lips.

"Can you see how wet you are?" I ask, and she throws her face away.

Surprisingly, she doesn't ask me to stop, but then I pull my hands out because she hasn't given me consent to do anything with her.

"That could have been you, but you have chosen to be stubborn, and therefore you will continue to watch me please other women until you learn," I say, untying her hands.
