

Alex's POV

"Oh, you will both get out of here... dead." I said with an evil smirk on my face.

↵

"What are you talking about you freak?!"-Olivia screamed. She was chained to the wall.

"Freak? That's all you got? Let me show you what a freak is." I said smirking. "Unchain her and tie her in a chair." I told James.

"I feel like a proud dad"-He said sarcastically and did as I told. Olivia trashed and kicked against him but she was no match for James.

↵

"I hope you enjoy this because what's going to happen to you is a lot worse." I growled at the filthy rouge.

"You fucking crazy bitch!"-He snarled.

"Tsk tsk tsk, that's a no-no mutt, you're already on my kill list. Close your mouth or I will make your su ering longer"

"Ayla I will pull you forward but we will both be in control, I want to enjoy this as much as you"-I said

↵

"I'm so fucking ready"

"I need a bucket of water with ice and wolfsbane." I told a guard and he quickly walked outside. "James, I want you to record everything"-I said and he nodded.

↵

"Ayla?"-Gabriel asked.

"Aylex"-I winked "we are both in control"

↵

"How?"-He asked confused.

"Perks of being a silver wolf."-We said shrugging our shoulders.

The guard walked in with a bucket full of water with ice and wolfsbane.

"Okay, where do we start? Steph any ideas?"-I asked her smirking.

"I say cut all of her hair with silver scissors"-She said with an evil chuckle.

↵

James and Gabriel's eyes were wide in shock.

"Just fucking kill me bitch"-Olivia growled.

↵

"Where's the fun in that?"-I said giving her a fake sweet smile.

↵

"Let's see..."-I said walking towards a table with weapons. "Oh, these are perfect."-I said picking up a pair of scissors made of silver.

"H-how i-is it n-not burning you?"-Olivia said shocked.

↵

I walked behind her and yanked her head back hard, she screamed like a little bitch.

"I'm a silver wolf bitch silver doesn't do shit to me"-I growled and started chopping o her red curly hair and scalp. She cried and screamed, even begged for mercy but that was like asking a rock for water... not happening.

↵

When I was done I pushed her head forward abruptly. I walked in front of her and lightly slapped her face.

"Already dozing o? I'm still not done yet sweetie..."-I said smirking.

"I will fucking kill you"-Olivia muttered.

"Oh little mate seeing you like that really turns us on"-Alexander said through our link, I snapped my head towards him and saw his eyes glowing. Alexander was in control.

↵

"It's about to get better baby"-I smirked.

"James hand me the bucket"-I said and he quickly gave it to me.

"Wake up baldie"-I said pouring the bucket of water with wolfsbane over her head. She started screaming and trashing in the chair.

↵

"You're a fucking Psycho!"-The rouge said.

↵

"Well thank you"-I said smiling.

↵

"Now where is that silver knife"-I said walking back to the table.

"You fucking crazy bitch! I hope you and those mutts that you have inside of you die!"-She yelled.

I stormed towards her and plunged half of the knife in the middle of her chest.

"Say that again you fucking whore"-I snarled and she started screaming. The silver was lethal for normal wolves, so she started dying.

"Oh no sweetie I'm still not done"-I said smirking. I pulled out the knife and healed her wound.

↵

"Let's try that again okay? Now tell me, who else did you tell about me?"-I asked and she didn't reply.

"James pass me a regular knife."-I yelled and he handed me a small knife.

"I asked who else did you tell about me?"-I snarled and stabbed her hand and she screamed.

"No one, only him!"-She screamed and cried.

"How did you find out about me?"-I asked and again she didn't reply, so I stabbed her stomach.

"Oh fucking bitch!"-She yelled.

"Wrong answer"-I said smirking and stabbed her again.

"I heard when Amie told you all about Silver wolves I heard everything!"-She screamed.

"So you thought it was smart to contact him?"-I asked and she started laughing hysterically.

"I also contacted Kade"-Olivia said laughing and I felt my blood boil.

"and you are going to die like him"-in a quick motion I plunged my hand in and ripped of her heart, I threw it to the rouge and his eyes went wide.

↵

"We created a monster"-James said sarcastically and I laughed.

↵

"Can you bring me a bucket of water? I want to wash my hands."- I asked the guard.

"Alex we can continue tomorrow, I think you're tired."-Gabriel said wrapping his arms around me.

"Tired? That just boosted my adrenaline"-I said chuckling. The guard came in with a bucket of water and I washed the blood from my hands.

"I can't wait for Mark and Luke to see this"-James said.

↵

"Marks going to freak out"-I laughed.

↵

"He sure is"-Steph said laughing.

↵

"James, can you please remove the body from the chair and bring the filthy rouge to the chair?"

"Yep"-He said and unchained Olivia's dead body and threw her on the floor.

When he went to unchain the rouge the bastard extended his canines and tried to bite James, I li ed my hand and with my powers slammed him back to the wall.

"Bad bad wolf"-I growled.

"Fucking bastard"-James growled and punched him hard in the face.

"John help James to bring Adler and chain him to the chair."-Gabriel said and the guard helped James.

"Alder? What an ugly name"-I said.

↵

"I didn't know you had a dark side."-Gabriel said.

↵

"Oh she does... try to stay out of it"-James said patting Gabriel's shoulder.

↵

"I will fucking kill you!"-The rouge snarled.

"I'd like to see you try"-I smirked.

"I will kill you just like I killed your parents!"-He yelled and I saw red. I was about to launch myself at him but Ayla stopped me.

↵

"Alex stop! Think about it, he just wants us to kill him fast."-Ayla said and I knew she was right.

"Nice try fucker... now where do I start?"-I said tilting my head to the side with an evil smile on my face.

"You look scary"-James said.

"It's about to get worse"
