"Are you really going to do it?" Athena widened her eyes in shock when $ww \otimes .n_{\odot} V_{e} w \otimes .n_{\odot} V_{e} w \otimes .n_{\odot} V_{e} w \otimes .n_{\odot} V_{e} w \otimes .n_{\odot} W_{e} w \otimes .n_{\odot} W_{e}$

Simon took off his shirt, and Simon smirked at her.

"Give me one reason why I shouldn't do what my mate desires when this is exactly what my mind, body, soul, and everything inside me wants?"Simon bent over her, his hands on the headboard as he inhaled her scent like

some kind of drug, his chest barely touching her br*asts, making her lift her body to meet him.

But the more impatient she became, the more Simon liked to tease her.

"Athena, your words, expression, and body are speaking different

languages. Which one should I believe?"Simon rubbed his thumb over her lower lip, and Athena immediately grabbed it between her lips before she

bit it sensually and sucked the tip, making Simon's gaze turn even darker.

"Seriously? This is how you are telling me to leave you the hell alone? Is this one of those times when a girl's no should be considered a yes? I respect you, Athena, and I will never force you, but give me a signal," Simon closed his eyes as the wait was taking a toll on him.

He could see that this heat was messing with Athena too, and that's why

he wanted this to be her decision and not something that she would regret later by calling it something done in the heat of the moment.

"You want a signal?" Athena asked, and Simon hummed.

However, he didn't expect her to push him down before she hovered over

him like a cat, climbing down with her gaze on his eyes.

She inhaled his chest with lust like a predator smelling its prey before she went further down, stopping right above his member.

She took the buckle of his belt in her hand before gently removing it from

the strap and taking the belt off completely.

Simon raised his brows at the sensuality of her actions and how seductive she looked while doing this. It was becoming nearly impossible to control Onyx and not force her onto the bed before tasting and taking her endlessly like the monster he was. But he wanted Athena to enjoy this process as

much as he needed. Athena softly unbuttoned his jeans before pulling down the zipper of his

pants. However, when Simon thought she would take his pants off, she

zipped his jeans again and sat there, blinking her eyes innocently.

"On a second note, I think we should control ourselves. It's not-"Athena

couldn't complete the rest of her sentence as Simon jerked up and crashed his lips on hers, kissing her passionately while pinning her down.

With one hand under her neck, he slid the other hand below her back to

unbuckle her bra. Athena's eyes widened when she realized what he did,

and she was about to push him away, but his next step made her arch her back instead.

He didn't remove the bra completely. He slid his hand under it and grabbed Athena's right br*ast in his hand, fondling it like it was some kind of sponge ball as he massaged it.

"F*ck!"Simon mumbled between the kiss as his length was starting to

ache because of all the resistance.

"If that's what you want. Let's f*ck," Athena mumbled before biting her lips. "Mmmmhhh," Athena arched her back when his other hand grabbed her left br*ast, his cold fingers making her heartbeat increase.

The wetness in her core was only increasing with each passing second,

and she didn't know if she would be able to control it for longer.

This heat was stronger than before, and that nightmare horrified her. She has had nightmares before, but seeing a nightmare like that when she was so in love with Simon was really devastating.

"I am not going to f*ck you, Athena. I will bring you to the ecstasy of love

today,"Simon said before he removed his lips from her and traveled down to her mark.

He nibbled the mark softly before sinking his teeth slightly and sucking the mark.

"Mmm... Ahhhh," Athena threw her head back in pleasure.

Simon hasn't even started. If a simple sucking on the mark could feel like this, what would it feel like when Simon would suck her mark, his hands

would be on her br*asts and his long length deep inside her, exploring her depths. Athena thought,

unaware that her mind barrier was not up, and

Simon could hear her thoughts crystal clear. 'So, is this what my woman wants?' Onyx raised his brows at Athena's wild imagination when her thoughts turned dark toward bdsm.

As much as he wanted to do all that with her, today was her first time, and he didn't want to hurt her too much.

"Let me caress every inch of your body today, Athena," Simon removed his lips from her neck, leaving a hickey right above her mark, and Athena

hummed in response, her mind blown by his kisses that she didn't want to stop.

"I don't see myself complaining anymore," Athena opened her eyes which

were almost turning black with lust, and Onyx looked at her, enchanted.

"Is it possible to fall in love with the same person, again and again?"Onyx asked Simon, and Simon hummed in his head.

'I feel you, buddy. We got too lucky with her; Simon agreed with his wolf.

"If you are not complaining, then I don't have any reason to stop,"Simon

gently took off her shorts before sliding his hand into her inner thighs.

He played with the hem of her thongs, making Athena look at him in

anticipation, and Simon enjoyed the way her eyes were dilating and

concentrating on his movement.

He finally pulled her thong aside before rubbing her folds, feeling the

wetness on his finger, which was seeping out of her vag*na because of her arousal.

"You are way hotter than before," Simon commented, and a low growl

reverberated in his throat when he slid his nose on her body, traveling down to her core that was pulsating with need.

"Shall we taste it if you become even sweeter in this heat?"Simon asked,

and without waiting for her reply, he pecked her p*ssy before gently parting her legs.

"Fold them,"He ordered, and Athena did as she was told.

This was his favorite part till now, and he was in no mood to have any

hindrance. Simon was sure after today's events, his favorite part would be when his length would be deep inside her tearing her walls.

However, he wanted to taste her virgin juice one more time. The juice,

which only has her scent with no adulteration of any claim, and makes his wolf mad and territorial over her. That makes him realize that he will be the one to fill her up and reminds him that he is the one she chose.

"Open them wider, my love," Simon sniffed her wet p*ssy, and Onyx growled

as he itched to see Celine and do the same with her.

"Don't speak like that. I am becoming shy," Athena's cheeks were beyond red, and Simon quirked his brow at her.

"You weren't this shy when I ate you two nights ago,"Simon pulled her legs apart with a jerk before giving a hard lick to her wet p*ssy, making Athena raise her body with pleasure.

She arched her hips, feeling desirably uncomfortable.

"Ohhhhh, Simon," Athena closed her eyes and concentrated on what Simon was making her feel.

"Yes, my love,"Simon rubbed her cl*toris before he inserted his two fingers inside her, making her gasp as her eyes brimmed with tears with a sudden expansion of her walls.

"Easy, my love," Simon rubbed her inner thigh before kissing it, making

Athena nod as Simon started moving inside her slowly.

It wasn't long before she started moaning, moving her hips to deepen his fingers, and Simon smiled.

He f*cked her with his fingers, rubbing her cl*toris to simulate her. Every moan leaving her mouth unnerved him, making it harder for him to control himself. He increased the speed, and Athena almost started seeing black spots because of the overflow of pleasure in her body paired with the heat, and it wasn't long before she screamed his name in ecstasy.

"Beautiful,"Simon commented before licking her juices and humming with satisfaction.

"Let's go to the next step,"Simon murmured against her ears before he took

off his lower clothes.

gasp Athena looked at his length wide-eyed. It was bigger than she saw last time. Was it growing? Athena's question in her mind made Simon

smirk.

"It will fit. Don't worry. You will feel uncomfortable, but you will get used to it. Are you sure about it? You can still deny it, my love," Simon cupped her cheeks, and she looked into his eyes before smiling.

"I have never been so sure," Athena licked her lips before she sat and held Simon's girth in her hand.

"It's huge," Athena whispered to herself before she neared him even more

and kissed his chest.

Simon looked at her curiously as he saw her playing with his d*ck.

"Lie down," Athena said, and Simon raised his brows, not saying anything.

He did as she told her, thinking she was just mentally preparing herself for the mating process since this would decide their whole future together.

This was something big for werewolves who actually believed in mate

bonds.

However, he didn't expect her to sit on his legs, bend and kiss his d*ck,

making him release a shaky breath.

"What are you doing, Athena?"Simon grabbed the sheets, not liking how

helpless he was under her.

"Loving what's mine, and only mine," Athena's eyes turned dark, and Simon looked at her, amazed.

"Now, moan for me," Athena said, and without giving him a warning, she

wrapped her hand around his d*ck and took him inside her mouth.

"F*ck! Mmmmmmm! Athena! F*ck!"Simon growled, and Athena loved the look of pleasure on his face.

Now she knows why he loves making her moan so much. It's truly

satisfying. $@w \hat{W}.n @v e LW or (m). co \mathcal{M}$

"Louder," Athena said, and Simon grabbed the headboard in frustration.

He was inches away from grabbing Athena's head and f*ck her mouth. He wanted her to do everything at her pace, but she wasn't making it easy for him.

"Athena, please, f*ck, f*ck, damn it!" Simon said when Athena sucked the

tip of his d*ck, putting pressure on the head with her tongue. $\widehat{W}\widehat{W}$. $\widehat{\mathbb{O}} \circ \mathbf{v} e \mathcal{L}(w) \widehat{\mathrm{O}} \mathbf{r} \mathbf{m}$. (c)(o) \mathcal{M}

"I see you are liking it," Athena mumbled before taking his d*ck as deep as she could in her mouth, rubbing the rest of his length with her right hand

while she played with his balls softly with her left hand, rubbing the junction to stimulate him. "Suck me. Suck me harder, baby. Do it like a little b*tch you are,"Simon

growled, and Athena felt even more aroused by that.

She bobbed her head up and down in a tempo, licking and sucking him. It wasn't long before she felt his member swelling inside her mouth.

"Baby, I am about to cum -"Simon warned Athena so that if she didn't want to drink it, she should pull out, but Athena only increased her pace, making him come inside her mouth as she drank and licked every drop of him.

Wiping her mouth once she was done, she looked back at Simon with a

hungry gaze, and Simon noticed how her eyes were a little less black now. This look in her eyes was dangerous.

"That was something," Simon said, and Athena lay beside her.

"I know," Athena smiled while looking at the ceiling before turning to him

when she heard the sound of a wrapper tearing.

She looked at Simon, wide-eyed, who was putting protection on his d*ck.

"How did that -"Athena pointed at Simon's member, and Simon chuckled. "It will take a few more rounds before it calms down. Now come here,"

Simon grabbed her leg and pulled her towards himself, parting her legs

with his knees gently.

"It will hurt only in the beginning. I promise," Simon said before he bent and placed his lips over Athena's mark, sucking it.

"Mmmm," Athena moaned, and he started entering her vag*na at the same time, trying his best to distract her with her mark as he bit into her.

"Simon, aaaa,"Athena moaned in pain, and Simon hushed her.

"Sshhh, it will be over soon. I promise," Simon slid inside her before

pausing.

"Tell me when I can move," Simon patiently waited for her, and when Athena didn't feel any more pain, she nodded at him.

"I will go slowly first,"Simon said before he slid further inside her, moving his d*ck into her slowly.

"Wow,"Athena mumbled in amazement when she felt his d*ck hitting her abdomen every time he thrust inside her. Simon hummed before he placed his mouth on her right br*ast and sucked it, making her arch her hips, and as she did that, taking Simon further inside her, she moaned in bliss.

The pain got replaced with pleasure.

"F*ck!"Athena growled as she started moving her hips against Simon, and seeing his woman enjoying the process now, Simon bit her n*pple, making her moan before he lifted his body, cupping her br*asts with his palms.

"I love you, Athena," Simon said before slamming inside her, and Athena's vision started seeing black spots again as her whole body and mind were filled with ecstasy, even more than before. Her eyes rolled in the back of her head as her toes curled.

Athena crossed her legs around Simon's abdomen, bringing him closer.

"Love me as much as you want," Athena said, and Simon loved the sound of that sentence. He lifted her leg and placed it over her shoulders, hitting her core and making her scream in pain and pleasure.

"Aaah! Aaaah! Aaa! Ah!" Athena moaned as their bodies slammed on each other while Simon increased his pace of thrusting inside her. The smell of lust, desire, and sweat filled the whole room.

"Simon, 1..... I am about to come, Athena said, and Simon grabbed both of her legs before lifting her, hitting her core even deeper, and she screamed even louder.

Simon placed his mouth on her mark, making her do the same as they sunk their teeth into each other's flesh.

"Mmm, mm, mmmm-Simon!"Athena screamed the loudest, and Simon felt her legs trembling in his hands as her walls clenched against his d*ck

painfully, making him reach his climax at the same time, and he released into the protection while still inside her.

The mating bond was half completed, but it was more than enough. The

mating would be complete when Simon would release his seed into her and fill her with it, but they knew they were not ready for that kind of

responsibility with the war nearing.

"Damn! One day I will f*ck you raw and rough, and at that time, I want to

feel your juices on the skin of my d*ck," Simon kept thrusting in and out of her, driving both of their orgasms, and Athena kept moaning. She would've lost control of her body long ago if Simon hadn't been grabbing her.

"You are mine now, Athena Mathews. You are now Athena Simon Scar," Simon kissed her forehead before removing his protection.

"Are you sore?" Simon asked, and Athena hummed.

"Only a little," Athena smiled.*w*ww. $\mathring{N} \odot Ve\ell WOr\mathcal{M}$. $\odot om$

"Let me feel you without protection," Simon said before he pushed his di*k, and feeling his raw member inside her, Athena's eyes widened as it felt like her whole body was alive once again.

Simon was no better. Her hot fresh orgasm made it easy for him to slide

inside her, and it aroused the monster inside him again.

"I knew one round would not be enough," Simon quickly tore another

protection packet before putting it and slamming himself inside her.

He took himself out briefly before turning her around, forcing her on her

four before he slammed inside her from behind, making Athena throw her head back and scream at his depth.

"I will f*ck you all night today, my love," Simon made a promise to himself before he started his assault again.
