She jump towards at Adam's side and whisper “ lets finish this quickly “. Adam nod as he understood what she meant

He run faster towards at Alexander's side but the young master manage to defend himself as he thought ' these ancient people are too weak. Adam and Eve ? they were nothing but a weak opponent '

His ego was hurt earlier that he thinks of them as nothing but a weak opponent. He couldn't forget what happen, he was generous enough to bow his head at them but the so called Adam and Eve didn't say anything.

He clenches his fist as his eyes change its color. He closely look at the moon suddenly change and shape shift into his beast form.

“ ah ! this is the best ! No one could able to defeat me ! “ he mumbles while his appearance was changing

He believes that no one could able to defeat him with his beast form. He will use all of his power to obtain them.

He clenches his fist as he howls loudly at the moon. His canine teeth became longer and sharper. He looks around and saw some of his guard was defeated by them.
