I woke up to someone screaming. I jolted up, seeing Leanne on the couch

I whimpered and flinched back. "Get out." Luca ordered, his eyes darkening. "Don't growl at Penelope!" I heard Leanne say. "Leave!" He said, getting o

I see Adam in the living room couch, staring at me. "Good morning." He greeted me. "It's not a good morning." I sighed quietly.

If they do the dirty in my room, I will never sleep in there ever again.

"It's okay." They said in sync. "Penny, go change. Any later we'll be late." I nodded, taking my time to go upstairs. "Today, not in a year!" I heard Phoenix yell behind me.

I went upstairs, changing into my clothes. Luckily for me, Leanne was done

taking a shower so I quickly brushed my teeth. I went downstairs while tying up my hair in a pony tail.

"Thank you." Phoenix opened the door and went out, me following behind. I slowly got in the car, remembering the accident. I gulped, before stepping in
