Chapter Seventy-Three: Intimate Reassurance Part Two

Phera POV:

Axel's eyes were filled with lust, and I couldn't help but feel the heat rising within me. He was irresistible, and I knew I was in for an unforgettable night. His lips descended on mine kissing me passionately, Damon's hands started to explore my body, his fingers tracing the contours of my curves as his brother's and mine tongues danced together, I could taste the desire on his lips.

"You're so sexy, Luna" he whispered as he nibbled on my earlobe, sending shivers down my spine.

I moaned softly, feeling his hands cup my breasts, gently squeezing my nipples.

Suddenly, Axel appeared, a mischievous grin on his face.

"Looks like my brother has quite the appetite for you," he said, his eyes locked on mine.

I couldn't help but feel a wave of excitement wash over me, knowing that I would soon be shared between these two handsome men. It should have scared, especially since it was my first time but fuck, my pussy loved the idea. I was made for them, this pussy was made for them.

Without a word, Axel stood up his eyes never leaving mine. He was all muscle, and I couldn't help but admire his perfect physique. I felt a rush of desire course through me as he approached me, his cock already hard and

throbbing.

"I want you to taste me," he said, his voice low and husky.

I nodded, eager to please him. I dropped to my knees, feeling the cool air on my naked skin. I took his cock in my hand, marvelling at its size and girth. I licked the tip, tasting the salty pre-cum, and then slowly took him into my mouth, loving the taste that exploded on my tongue. My eyes rolled back and I moaned, making my big bad Alpha hiss in pleasure.

As I sucked on Axel's cock, Damon continued to play with my breasts, pinching and twisting my nipples, making me squirm with pleasure and moan around his brother's cock. I felt a hand on the back of my head, guiding me, as Axel began to fuck my mouth.

"That's it, baby," he groaned, his hips thrusting in time with my movements. "Take it all."

Just as I was getting lost in the pleasure of sucking Axel's cock, Damon moved behind me. His fingers found my pussy, already wet and ready for him. He slipped a finger inside, then two, fucking me with his hand as I sucked Axel off.

"You're so tight, Luna. Even after taking one of your alpha's cock. Do you think it can take another" he whispered, his breath hot on my neck. "I can't wait to fuck you."

I moaned around Axel's cock, feeling the pleasure building within me. I knew it wouldn't be long before I came, and I was eager for Damon to take me from behind.

As if reading my mind, Damon pulled his fingers out of my pussy, replaced them with his cock, and slammed into

me. I cried out, the sudden fullness pushing me closer to the edge.

"Fuck, you're so tight," he grunted, his hips slamming into me with every thrust.

I could feel Axel's cock swelling in my mouth, and I knew he was close. I sucked harder, wanting to taste his cum as it spurted from his cock.

"I'm gonna cum," Axel groaned, his grip tightening on the back of my head. "Fuck, take it all."

With a final thrust, Axel erupted, his cum filling my mouth. I swallowed every drop, relishing the salty taste as it slid down my throat.

As Axel pulled out, Damon continued to fuck me, his cock pounding into me relentlessly. I could feel the pressure building, my orgasm just out of reach.

"I'm so close," I panted, my body trembling with pleasure. "Please, harder alpha. Fuck me harder"

Damon responded by thrusting even harder, his cock hitting my G-spot with every stroke. I cried out, my body tensing as the waves of pleasure crashed over me.

"Oh goddess, yes, alpha. Yes!" I screamed, my pussy clenching around Damon's cock as I came.

Zane groaned, his cock swelling inside me as he reached his own climax. He buried himself deep inside me, his cum filling me as my orgasm continued just as he pulled my hair back making me expose my neck for him to claim me. His sharp fangs sunk deep into my neck and the same explosion of love, thoughts and lust flowed through me like a live current and just as my alpha let go I grabbed

his neck and sunk my fangs in claiming my alpha for forever and always.

Just as I let go and licked my claim clean, Damon cupped my face and kissed me.

"Thank you for trusting us Luna, for giving us this chance. I love you always did and always will. Remember that my sunflower."

"And I love you my Alpha from day one."

As we caught our breath, I turned around when I felt Axel's hand on my cheek, his eyes filled with desire.

"My turn," he whispered, a wicked grin on his face.

I knew I was in for another wild ride, and I couldn't wait to see what these two men had in store for me next. The night was still young, and the air around us was thick with desire. My heart was pounding with excitement at the thought of what was to come.

"You're so beautiful," Axel whispered in my ear, his breath hot against my skin. "I've been wanting to have you all to myself for so long."

I couldn't help but smile, feeling his erection pressing against my stomach.

"Well, Alpha," I purred, "Tonight, you'll have me - all of you didl."

Axel smirked. He ran his hands over my curves, his eyes dark with lust.

"I think we've all but earned a taste of you, my beautiful mate," he murmured, his fingers brushing against my hardening nipples.

"Are you ready for me, Phera?" he asked, his voice low and gravelly.

I nodded eagerly, unable to speak. The anticipation of what was to come had me trembling with excitement.

Axel chuckled softly, his fingers tracing the curve of my hip. "Good, because I'm going to fuck you like you've never been fucked before."

Damon pulled me closer, his hands roaming over my body as he kissed me again. I moaned into his mouth, feeling Axel's hands on my breasts, teasing my nipples. Zane watched from the sidelines, his eyes hungry with desire.

"On your knees," Damon commanded, breaking our kiss. I sank to the floor, my eyes locked on his muscular frame. Axel and Zane stood on either side of him, their cocks already hard and ready.

I reached out, wrapping my fingers around Damon's thick shaft. He groaned as I stroked him slowly, my eyes never leaving his. I flicked my tongue over the head of his cock, teasing the sensitive skin.

"Fuck, that feels amazing," he growled, his fingers tangling in my hair. I took him into my mouth, sucking him deep.

Axel and Zane watched, their cocks twitching as they stroked themselves. I reached out, taking Axel into my hands. He groaned, his hips thrusting forward as I pleased him and Damon.

"You're a dirty little slut, aren't you?" Damon growled, his hand tightening in my hair. I moaned around his cock, nodding eagerly.

"Yes, alpha" I breathed just as he let my mouth go so I could answer, my eyes locked on his.

"Good girl," he murmured, his hips thrusting forward as I sucked him deeper.

I could feel Axel's hands on my breasts, pinching my nipples as I pleased him with my hand.

Zane's breathing was growing ragged, his hand moving faster as he stroked himself. I could feel the tension building in the room, and I knew it was time to take things to the next level.

I pulled away from Damon's cock, gasping for breath. As I turned towards Axeland said

"Fuck me, please," I begged, looking up at him with pleading eyes.

Axel grinned, his eyes dark with lust.

"As you wish, my little mate," he growled, pulling me to my feet.

Damon and Zane stepped forward, each taking one of my arms and leading me to the bed.

They helped me onto the bed, and I lay there, my heart pounding with anticipation. Axel knelt between my legs, spreading them wide. His eyes were locked on my soaking pussy, and I could feel the heat of his gaze burning through me.

"I'm going to fuck you so hard, you'll forget your own name," he growled, his fingers tracing the curve of my thigh.

I moaned, my hips lifting off the bed as I begged for more.

Damon and Zane stood on either side of me, their hands roaming over my body. They pinched my nipples, teased my clit, and whispered dirty little secrets in my ear. The room was filled with the sounds of our heavy breathing and the slap of skin against skin.

Axel positioned himself at my entrance, his cock glistening with pre-cum. I whimpered, my hands gripping the sheets as I begged for relief. He thrust into me, hard and fast, his cock filling me to the brim.

"Oh goddess, yes, Alpha. Fuck me!" I cried, my hips bucking against his.

Damon and Zane watched, their hands working furiously as they stroked themselves.

Axel fucked me with a brutal intensity, his hips slamming into mine with each thrust. I could feel my insides stretching to accommodate his massive cock, and the sensation sent me spiralling into a world of pleasure.

"Fuck me harder, Alpha," I begged, my voice hoarse with desire. "Give it to me rough."

He groaned, his fingers digging into my hips as he pounded into me. Damon and Zane moved closer, their hands exploring my body as they watched us fuck.

"You're so tight, mate," Axel growled, his eyes locked on mine. "I can feel you milking my cock, and it's driving me wild."

I moaned, my eyes rolling back in my head as I lost myself in the pleasure. Damon and Zane were getting more and more aggressive, their hands moving faster as they stroked themselves.

"I want to cum inside you," Damon growled, his hips thrusting faster as he neared his climax. "I want to fill you up with my seed. Swell that belly up with our heir" 1

I cried out, my orgasm building inside me as I felt his cock swell. He groaned, his hips bucking wildly as he emptied himself into me. I could feel my insides stretching and aching, but I didn't care. The only thing that mattered was the orgasm that was building inside me.

Axel and Zane came hard, covering me up with their seed as they groaned with pleasure. I cried out, my orgasm exploding through me like a supernova. I could feel my body shaking, my pussy clenching around his cock as I came harder than I ever had before.

Just as Axel came his fangs extended and pierced my neck and completed our mate bond and sensations that I hadn't felt when his brothers claimed me flew through me like a broken dam and everything disappeared in a white light just as my fangs extended and claimed my final alpha.

We collapsed onto the bed, a tangled mess of sweaty, satisfied bodies. I lay there, my heart pounding as I tried to catch my breath. The room was filled with the sounds of our heavy breath. Axel was still inside me, his cock was still hard and throbbing. I knew I'd be sore for days, but I didn't care. I'd never felt so satisfied, so alive.

As we lay there, basking in the afterglow of our pleasure, I couldn't help but smile.

"That was amazing," I whispered, my eyes locked on Axel's. "I've never felt anything like that before."

He grinned, his eyes dark with satisfaction.
