## **Chapter 3: CHAPTER 3 Take Off Your Clothes**

Maisie's POV

"Maisie." I stood up running, I just hoped it wasn't a punishment this time.

Thanks to Raul's healing balm, my wounds are gone, and I didn't feel the pain anymore.

Rushing to the door I paused.

"Didn't you hear me call you?" He barked and I swallowed opening the door and entering his room again reminded me of that day, how he fucked her to my face.

"I'm sorry," I muttered looking down

I stilled when I saw his friends in the room, they were about five of them, I could recognize them, they drank and partied with him.

I saw the same woman from that day come out of the bathroom in her lingerie, I looked away, the pang in my chest coming back.

"I want you to do what I say today, like the good obedient slave you are." He said with a smile, even with my annoyance, I couldn't help but notice his handsome face, or his physique, he was easily taller and more attractive than them.

I blamed my inner wolf, scolding her for even noticing all that.

His friends sat down and he smiled at them.

"Trust me, this would be fun." He chuckled and they laughed.

"I can already see that." Dylan one of his friends said.

My heart thumped and I clamped my hands together nervously.

"If you don't do what I say, I'll take you to the punishment room." He said and I gasped.

"I'll do anything you want," I said I didn't want to experience the pain I felt that day anymore.

He stared at me with a wicked smile on his face.

"You're going to do anything, right?"

"Yes, I will, just don't take me there." I pleaded.

"Anything." He smiled.

"Come closer, Mina." He gestured to the wolf from that day.

"I don't know what you're planning but I'm getting wet already." Mina purred touching his chest, and he smiled.

"Take off your clothes." He faced me and I stilled, looking around the room.

"I should..." I stuttered.

"Did I stutter?" He barked and my knees wobbled.

"I said take off your clothes, don't you understand simple instructions anymore, I thought you said you'll do anything?" He asked.

I looked around, feeling everyone's eyes on me, I didn't want to undress in front of anyone, but I didn't want to go to the punishment room.

I took off the big gown I wore today, and I was left with the plain white bra and panties I wore today, I looked down swallowing my shame.

"Her lingerie is so plain and cheap like the slave she is." Ethan another of his friend spoke and they laughed.

The pain in my chest increased, and my inner wolf continued wailing.

Alpha Lance came closer to me, dragging my hair, and loosening my bun, my hair was let loose, and I could imagine how ridiculous I looked.

"Look at Mina's lingerie, she's sexy as fuck." The one named Peter said.

"Though she's a bit curvy," Dylan said and they nodded.

"But she's a slave," Ethan said and spat on me, I wiped my face with shaky hands.

My heart felt like it would jump out of my chest anytime soon.

"I hope you're not getting hard looking at the slave, though I'll admit, she looks quite hot," Dylan said again and Alpha Lance glanced at me in irritation and something else I couldn't quite recognize.

"As if." He scoffed taking Mina's hands.

"The only she-wolf that makes me hard right now is her." He kissed Mina and she kissed him back, they acted like they needed each other's kiss to breathe.

"Make sure you don't look away." He said.

I nodded quickly, it wasn't like I had a choice in whatever he wanted me to do, I either do it or get punished.

His eyes came to mine, looking at me with venom filled in it, and something else I didn't understand.

Mina pulled his boxers and his cock sprang free, putting a condom on him, she turned and he slammed into her.

She yelled like an animal, moaning and screaming in pleasure, he joined her groaning as he fucked her.

I kept my eyes on them, and my heart tore into a million pieces, it kept tearing over and over again, the pieces slowly turning into dust.

I thought the pain would stop, but my chest didn't fail to tear frantically.

He kept fucking her, his eyes on me, and my eyes on them, his friends laughed at me.

"Oh fuck yes, you do know how to hit that spot." Mina moaned shakily, as he dragged her hair, fucking her harder, I didn't know pain could be greater each day, but the pain I felt today was way worse than what I felt the first day he fucked her for me to watch.

"Fuck, I'm coming," Mina said, as she closed her eyes, her legs shaking, turning to me she smirked as she leaned against him, giggling.

"You haven't come yet?" She turned to him, kneeling.

He smiled at her shaking his head, he walked closer to me and I stilled.

"Make sure you swallow my cum." He commanded putting his cock on my face, I didn't know what to do, I haven't even kissed a guy, and I wasn't sure I could even do what he asked.

"You should be thankful, I'm letting you do this, you don't even deserve to breathe the same air as my cock." He held it wiping it on my face, I could feel his pre cum on my face.

"Now open your fucking mouth." He commanded and I opened my mouth immediately.

He put his cock in my mouth, shoving it down my throat as I tried to not choke, I sucked his cock anyhow I could, praying I won't upset him and hoping his cum will release anytime soon.

He groaned emptying himself into my mouth, and I swallowed his seed.

"You should thank me." He said dragging me out and locking his room.
