

Chapter: 1202

Lin Ziming really has no interest in such ants.

And Yao Sheng is Jiang Liqun's old enemy, so he naturally wouldn't kill Yao Sheng with his own hands.

He said directly to Jiang Liqun, "Old Jiang, I'll leave it to you."

Jiang Liqun nodded vigorously, his eyes were all red!

Then he walked over in strides, he was looking forward to this day, it has been too long, and now that this day has finally arrived, his whole mood will explode!

Even with his xinxing, he has experienced so many winds and waves, at this moment he couldn't help but feel sour in his nose and tears.

To him, Yao Sheng is his life's greatest enemy and the person he hates most. He hates Yao Sheng completely, and he wants to eat Yao Sheng's meat, gnaw Yao Sheng's bones, and drink Yao Sheng's blood. !

Originally, he had a very happy family, which was destroyed by Yao Sheng.

For so many years, Yao Sheng has been overwhelming him, so that not only he could not take revenge, but also suffered humiliation.

Now, I finally waited for this opportunity to take revenge.

He took a deep breath, held his tears in, and laughed up to the sky, "Hahahaha! Yao Sheng! Yao Sheng, Yao Sheng! You have today, and you have today! Aren't you arrogant and arrogant just now? Show me the arrogant one!"

Jiang Liqun raised his eyebrows and was happy from the inside out. He hadn't had such a happy life for a long time.

Yao Sheng knelt on the ground, his face was pale, incomparably resentful, and incomparably humiliated, and gritted his teeth, but he had no way of doing it. Who would let him lose tonight.

However, he was still calm in his heart, not too scared, because he didn't believe that Jiang Liqun would dare to kill him on his fiftieth birthday. With Jiang Liqun's conservative character, he would at most make him indemnify and bleed heavily. That's it. As long as the others are still there, there is still a chance for everything, and he can make a comeback at that time!

Therefore, he chose a temporary humiliation and said to Jiang Liqun: "Brother Jiang, I was wrong. For so many years, I can't help you! I thought that everyone used to be brothers. If you have a lot of adults, please forgive me. Let me do it this time, I swear, I will never dare to fight against you again, from now on, I will be your subordinate...No, I am your dog!"

As he said, he began to kowtow to Jiang Liqun, but the corners of his mouth showed an imperceptible sneer.

Jiang Li looked condescendingly. As an old opponent for many years, he was still a brother before. How could he not know Yao Sheng's tricks!

“Yao Sheng, are you really willing to be my dog?” Jiang Liqun asked.
Yao Sheng quickly said: “Of course! Brother Jiang, I will be your dog from now on, and everything about me is yours!”
“Well, since this is the case, then I will let you go once.” Jiang Liqun sighed and said, it seems that Yao Sheng has really been let go.
Yao Sheng heard a burst of joy in his heart, he quickly raised his head and took a look, but what he saw was Jiang Liqun’s cat-and-mouse-like joke expression.
Yao Sheng is not stupid. He didn’t even realize that Jiang Liqun was only teasing him, and he suddenly felt angry.
But at this moment, he didn’t dare to vent, and continued to humbly said: “Brother Jiang, if this is the case, then I should go first?”
Then he tried to back up, he kept smiling flatteringly, and then just after he walked a few steps, Jiang Liqun suddenly said, “Du Feng, dispose of Yao Sheng for me.”
