

Chapter: 1204

Jiang Liqun shouted loudly, with unprecedented seriousness and earnestness, and Lin Ziming couldn't help being moved.

For Jiang Liqun, to be honest, Lin Ziming didn't have any impression before, because to him, Jiang Liqun was just a small person. Even if Jiang Liqun succeeded in business, he would not be innate, but a mere mortal.

Later, Jiang Liqun broke through to the innate realm, and it was also with his help. After that, although Jiang Liqun surrendered to Lin Ziming, Lin Ziming did not have too much regard for Jiang Liqun.

Until now, Lin Ziming saw Jiang Liqun's performance tonight, and the vicissitudes, seeing through, and deep gratitude in Jiang Liqun's eyes moved him.

"Okay!" Lin Ziming laughed three times, and then personally helped Jiang Liqun up, and said very seriously: "Old Jiang, as long as I have Lin Ziming a sip of soup, I will definitely not treat you badly."

Jiang Liqun was overjoyed, "Thank you Lin Dong!"

Du Feng watching this scene, his eyes could not hide his envy, he knew that Jiang Liqun had completely become Lin Ziming's person, and as long as Lin Ziming was there, he would definitely not provoke Jiang Liqun. Otherwise, it is against Lin Ziming.

To tell the truth, it was the first time he saw a genius like Lin Ziming, so amazing and stunning.

Who can cultivate from ordinary people to the innate realm, who is not the dragon and the phoenix among people, the genius among the geniuses?

Take Du Feng himself as an example. He is a genius among geniuses. He was from the same age as him, with so many brothers, so many opponents, and he has cultivated to today's realm, the third stage of the innate realm.

Originally, he had always been complacent, very arrogant, thinking that he was the absolute king, but now, compared with Lin Ziming, he really is nothing.

Even at that instant, he had an impulse, like Jiang Liqun, to surrender to Lin Ziming.

At this moment, Lin Ziming's gaze came over, and he took a meaningful look, his eyes were extremely deep, as if he had seen through him directly, causing him to sweat all over his body.

Hastily lowered his head.

Soon, Jiang Liqun had people clean the scene, the banquet resumed, and the atmosphere became even hotter than before.

It seems that nothing happened just now.

The banquet continued, and no one of the guests left. When they looked at Jiang Liqun, their eyes were even more different.

It is conceivable that Jiang Liqun has already dealt with Yao Sheng, so the forces in the future will definitely grow stronger!

And the most important thing is that Jiang Liqun's current patron is Lin Ziming.

Although they asked many of them who didn't know Lin Ziming's sacredness, they all saw what happened just now. It was obvious that this was an absolute boss, and he was no longer on the same level with them.

Jiang Liqun's mood is more relaxed now, and the smile on his face has never disappeared. Now he has let go of his heart knot, and the spirit of his whole person is different.

As for Du Feng, he didn't have the face to stay here anymore and left in a desperate manner.

Lin Ziming watched him leave, his eyes flickered a few times, originally trying to stop him and warn him not to tell his whereabouts. But he immediately thought about it, there was absolutely no need for it.

Because so many people at the scene have seen him, knowing his name, it will be spread out soon.

Now he has returned to the peak state before the injury, and the life source in his body has not been completely digested. When he digests it, it will be the day when he has stepped into the congenital realm.

Since this is the case, there is no need for him to hide anymore.

He greeted Jiang Liqun and left. He wanted to send Yin Hong home first.
