

Chapter: 1212

Yes, Lin Ziming has now successfully broken through from the fourth stage of the Innate Realm to the realm of Dzogchen in the Innate Realm!

The realm of sitting on the same level as the sword.

Moreover, the most important thing is that he broke through to the Great Perfection of the Innate Realm, which is nothing more than consuming half of the life source of the Heaven and Earth Spirit Fruit.

For the remaining half, he can continue to fuse, and when that time comes, he will be able to fight like frost, and even crush the sword like frost!

He made a simple fist, and suddenly he made a loud noise, like a collision of gold and stone, sonorous and powerful, and it was full of power and heart palpitations!

Now Lin Ziming's punch is not just for fun, even if he is a strong man in the fourth stage of the Innate Realm, he can't hold his punch.

A master like Zhong Tao and Fang Xingping had to kneel even if he hit him with a punch, and was seriously injured every minute.

Feeling the surging power in his body, it is constantly flowing, and it is a completely different concept from the fourth stage of the innate realm, even if his xinxing is very strong, he can't help but get excited!

This is not only brought about by strength, but the most important thing is that after he successfully breaks through the innate realm and Dzogchen, it means that he can go back to Hwaseong, and there is no need to hide his name like this!

Although, just counting time, he left Hwaseong not too long, less than half a month.

However, over the past half month, too many things have happened. Mainly he walked around the ghost gate, everyone thought he was dead, and many things had changed tremendously.

When the time comes, he will go back and land in Hwaseong. What kind of sight is that like?

How happy would Chu Fei see him?

There are also old men like Wang Shougui, Han Jinlong, and the clown. They are afraid that they will be too happy to speak.

By the way, there is also Tao Sanniang.

This fairy-like woman often wears a cheongsam, and she is a woman coveted by countless men. Even now, Lin Ziming still clearly remembers the scene when she first met Tao Sanniang.

And, many things happened afterwards, a woman like Tao Sanniang fell in love with him unhesitatingly.

Thinking of Tao Sanniang, Lin Ziming couldn't help but smile. He hadn't seen Tao Sanniang for a long time, and it was impossible to say that there

was no miss.

Although he and Tao Sanniang only established a relationship and never took that step forward, deep down in his heart, he already accepted Tao Sanniang.

I just don't know, how did Tao Sanniang live during this period of time? Did you already know the news of his death? Will it be very sad, or will it be relieved after being sad for a while?

There is also Yuntian Pavilion. After he is 'dead', will he be embarrassed by Tao Sanniang?

In an instant, Lin Ziming thought of a lot of things in his mind, and his feelings for Tao Sanniang grew stronger.

The most important thing is that in the dark, he felt some bad premonitions, it seems Tao Sanniang, there will be some trouble?

This kind of hunch is very mysterious, it is difficult for him to analyze, but his thinking, vaguely received some information from the void, it seems to be some mysterious brain waves.

It really exists, but in his current state, he can't analyze it at all.

Lin Ziming is a very careful thinking person. Since he has received this kind of information, he has to understand whether it is true or not.

After adjusting his image, he began to walk out of the secret room.

Outside, Jiang Liqun was the first to find him out, and immediately stood up, hurriedly greeted Lin Ziming, and greeted him respectfully, "Welcome Lin Dong to leave the pass!"
