

Chapter: 1214

Jiang Liqun couldn't help but shook his head. He didn't dare to hesitate anymore, and said quickly: "That's it. I heard that Yuntian Pavilion is going to marry the Xuandan Sect. This time, the person who the Yuntian Pavilion sends for the marriage seems to be Tao. Miss..."

Speaking of the end, Jiang Liqun's voice was lowered a lot, and even his face became pale, because he saw that Lin Ziming's expression suddenly became cold, and the surrounding air became condensed. It was very terrifying. I can't breathe a little.

"Ms. Tao you are talking about, but Tao Sanniang?"

Lin Ziming was indeed angry, he stared at Jiang Liqun and said coldly.

"Yes, it is."

Jiang Liqun knew about the relationship between Lin Ziming and Tao Sanniang. When I saw Lin Ziming, Tao Sanniang came with him. Now, Yuntian Pavilion actually married Tao Sanniang and Xuandan Sect. This is not for Does Lin Ziming wear a hat?

Lin Ziming had just broken through the congenital realm of Great Perfection. He was originally very happy, which meant that he could go back to Huacheng immediately, but now, when he heard this message, his mood suddenly fell.

It was only half a month since his death, Tao Sanniang just forgot about him, and she wanted to put him in the arms of another man?

To be honest, Lin Ziming didn't really believe that Tao Sanniang would forget him in such a short period of time, because he knew Tao Sanniang's character. Don't look at Tao Sanniang's usual seductive look, but Tao Sanniang is absolutely amazing. Non-dissolute person, on the contrary, Tao Sanniang is still that kind of very dedicated person. Recalling the scenes he had experienced with Tao Sanniang, he absolutely did not believe that Tao Sanniang would voluntarily marry the Xuandan Sect.

The only explanation is that Yuntian Pavilion forced her.

Lin Ziming felt very angry when he thought of this kind of scene. He could fully imagine that Yuntian Pavilion saw that he was dead, so he fell into trouble and began to attack Tao Sanniang.

Last time, he saw Tao Sanniang's face, and he didn't have the same knowledge of Yuntian Pavilion, but now, Yuntian Pavilion is getting worse, he can no longer tolerate Yuntian Pavilion!

"What is the origin of this Profound Pill Sect?"

Lin Ziming calmed down a little, and asked faintly.

Jiang Liqun answered honestly: "The Profound Pill Sect is quite mysterious. It is said that all the people in it are genius doctors with excellent medical

skills, and they also have the ability to make alchemy. They are very powerful. I heard that there are also many innate realm masters. Among them, the blue star at the helm is the master of the fourth stage of the Innate Realm, and this time the marriage with the Yuntian Pavilion is the younger brother of Blue Star, Lan Feng.”

Lin Ziming had heard of this Xuandan Sect before, but he didn't have a deep understanding of it.

“The specific time and place of the marriage.”

“Just tomorrow night, Tingyu Villa. I was also invited. This time, the Yuntian Pavilion and the Xuandan Sect are married strongly, and the scene is very grand.”

Lin Ziming looked deep and muttered to himself: “Tomorrow night? Sanniang, I'm back, I won't make you feel wronged any more, wait for me.”

.....

“Sanniang, you have not eaten for two days, and if you continue to do this, your body will break down.” A middle-aged woman came in with a bowl of noodles in her hand and placed it in front of Tao Sanniang. Said: “Sanniang, I made your favorite Yangchun noodles. Would you like to have some?”
