

## Chapter: 1221

“Yes, yes, we are all blessing the bride and groom, Mr. Fan, you heard me wrong, haha.”

They all waved their hands to deny it, and did not dare to offend Fan Zhenbang.

Fan Zhenbang’s face looked better now, and he said, “Is it this way? It seems that Fan heard it wrong.”

However, just as Fan Zhenbang was about to turn around and leave, another voice rang from the crowd, “Hahaha, misunderstanding? I don’t think so! Looking at the entire circle, there are a few people who don’t know about Tao Sanniang and Lin Dong’s Relationship? When Lin Dong killed Wu Meizi that day, your Yuntian Pavilion was as scared as a mouse. If it weren’t for Tao Sanniang’s plea, would you Yuntian Pavilion still live to this day? Now that you hear that Lin Dong is dead, you will avenge your grievances. Tao Sanniang is a victim of your Yuntian Pavilion’s frustration with the Profound Pill Sect? Fan Zhenbang, you are really not a thing.”

This voice was so loud that it spread throughout the audience at once, attracting everyone’s attention.

After Fan Zhenbang heard it, his face was so ugly that he was so angry that his lungs exploded. He turned around and saw no one. He gritted his teeth and cursed, “Who is throwing dirty water behind?” Get out of me!!”

Indeed, the lethality of this sentence is too great, it can be called a nuclear bomb, and it hit Yuntiange’s face fiercely.

The whole audience fell silent as if they were tapped, and the music of the wedding was still playing, and it seemed extremely ear-piercing.

Lan Feng, who was on the stage, also had a gloomy expression. Today is his happy day. Someone makes trouble like this, and he really doesn’t take him seriously!

As for Tao Sanniang, she clenched her teeth, and her mind was completely uncontrollable. The scenes that happened between her and Lin Ziming, the kind of yearning for Lin Ziming, and the sorrow of Lin Ziming’s death. The child rushed into her heart like a tide, encroaching on her whole body, and she couldn’t help crying.

“Ziming, I really miss you so much...” She sobbed in a low voice.

When Lan Feng saw her reaction, he was even more annoyed. Isn’t this slapped him in the face fiercely!

Bitch, wait until tonight to go back to the bridal chamber, see how I concoct you!

Lan Feng glared at Tao Sanniang.

Everyone is looking for who is so courageous to say such a thing.

However, they searched everywhere, but they couldn’t find it.

Fan Zhenbang's gaze shot through the crowd with electricity. He is really angry right now. Someone dares to provoke him like this. If he doesn't pick this person out, where will Fan Zhenbang's face go in the future? !

"Dare to do it or not? I think you are just a rat, pour the dirty water of my Yuntian Pavilion! It is best that you continue to be a tortoise with your head and pray not to be found by me, otherwise, I will skin you!" Bang said murderously, now he must show an absolutely strong posture in order to hold the ground.

After his voice fell, no one came out to admit it.

In desperation, Fan Zhenbang had no choice but to continue to ignore and let the wedding go on normally.

Lan Feng was very annoyed, but he could only endure it first and let the wedding host begin to make a marriage declaration.

"Lan Feng, do you want this woman to become your wife and enter into a marriage contract with her? Love her, take care of her, respect her, accept her, and treat her regardless of illness or health, poverty or wealth, or any other reason. Be loyal to the end of life?"

Lan Feng: "I am willing."

"Tao Sanniang, do you want this man to become your husband and enter into a marriage contract with him? No matter whether he is sick or healthy, whether poor or rich, or for any other reason, love him, take care of him, respect him, accept him, and treat him forever. Be loyal to the end of life?"

Everyone's eyes were on Tao Sanniang, but Tao Sanniang was silent. In her heart, she set off an endless struggle!

Lan Feng frowned, he was very dissatisfied with Tao Sanniang's performance tonight, and now his patience with Tao Sanniang is almost worn out!

However, right here, the voice just appeared again, "I oppose this marriage!"
