

Chapter: 1271

Lin Ziming stood in front of the window, overlooking the sight of Huacheng, his heart surged.

This time, when he came back, he must be in Hwaseong to make a bloody storm!

“It’s okay, I just want him to go back and tell them to let them live in fear, and when their strength is twisted together, I will break it, so that I won’t miss the fish that slipped through the net.”

Lin Ziming’s words were very calm, but to Wang Shougui and others, they were full of endless domineering, as if seeing the king of Hwaseong, stomping his feet could cause a big earthquake in Hwaseong, and countless people fell to their heads. !

And Lin Ziming did have this ability.

Next, after Lin Ziming briefly rectified Ziqiong Media, he continued to look for Han Jinlong.

Han Jinlong’s Aegis security was also eaten away, and more than that, even Han Jinlong’s own power was also taken a huge blow, and now Han Jinlong’s fate is not much better than Wang Shougui’s.

When Lin Ziming found Han Jinlong, he could clearly see that Han Jinlong was more than ten years older than before. Originally, Han Jinlong had just arrived in his sixtieth year, but now he is already an old man. It’s a lot worse! When Han Jinlong saw Lin Ziming, he was extremely excited and cried on the spot.

Lin Ziming feels more guilty for such loyal subordinates as Wang Shougui and Han Jinlong. This time because of him, both of them are tired.

But between the men, there is no need to say too much, everything is in mind, and then Lin Ziming will try to make up for the two of them as much as possible.

The appearance of Lin Ziming was like a storm that swept through Hwaseong City. Not only the Hwaseong circle knew about it, but the entire province of G was aware of it!

In the Kunlun Group, when Ma Kainian was carried back home, Ma Kaiyu saw his younger brother’s miserable appearance. He was furious and gritted his teeth and said: “Lin! Zi! Ming!”

But it was not anger but fear in his eyes. Wan Wanren thought that Lin Ziming had come back from the dead.

The lesson for Ma Kai-nian was Lin Ziming’s warning to Ma Kaiyu!

“Dad, what should I do now? Lin Ziming is actually dead. With his character, he will definitely retaliate!” Ma Kaiyu’s son Ma Long is now so scared that both his legs are trembling, shaking and pulling Ma Kaiyu away. Hands, panic on his face.

Ma Long had been severely taught by Lin Ziming earlier because of Ning Yuning. He had an instinctive fear of Lin Ziming. He originally thought that if Lin Ziming died this time, he would be free, but he did not expect that Lin Ziming actually There is no death, but the king is back!

As soon as he saw the miserable uncle Ma's opening of the new year, he thought of his fate. If Lin Ziming really came to avenge him, then he wouldn't be much better!

Ma Kaiyu was already very annoyed, but now that Ma Long said this, his mood became even more irritable. He raised his hand and slapped Ma Long's face hard, cursing: "Trash thing! Why are you panicking! Just a little Lin Ziming! It scares you like this! Look at Lin Ziming, who is a few years younger than you, much more powerful than you! Look at yourself, besides sleeping women, eating and drinking, what else would you do? ,waste!"

Ma Kaiyu became more and more angry, and slapped Ma Long several times, venting his anger and panic.

Speaking of it, if it hadn't been for Ma Long and Lin Ziming's grievances back then, his Kunlun Group would not have been guilty with Lin Ziming. Hearing the news of Lin Ziming's fall this time, he would not join the team that cannibalize Lin Ziming's industry, and it would not happen today. Thing!

It's all to blame for the troublemaker Malone!

Ma Kaiyu beat Ma Long, his mind slowly calmed down, he couldn't sit still like this, he decided to call Zhong Tao!

Zhong Tao is the one who proposed to encroach on Lin Ziming's industry this time, and Zhong Tao is also their backer.
