

## Chapter: 1272

Thinking of Zhong Tao, Ma Kaiyu's panic was relaxed a lot.

As the instructor of Xuanyuan 2nd place, Zhong Tao is also a peerless powerhouse in the fourth stage of the Innate Realm. With his backing, I believe Lin Ziming, no matter how arrogant he is, would not dare to do too much.

The big deal, just return Lin Ziming's property to Lin Ziming. Is it possible that Lin Ziming would dare to do anything to him?

Thinking about it carefully, he didn't think Lin Ziming had the courage.

After calming down, he immediately called Zhong Tao.

After a while, the phone was connected, and Ma Kaiyu immediately said respectfully: "Hey, instructor Zhong, is it convenient for you to say a few words?"

On the phone, Zhong Tao's tone was lazy, and with an air of arrogance, he said lightly: "Yeah."

Ma Kaiyu took a deep breath, and then said: "Instructor Zhong, Lin Ziming is dead, he is back."

After saying this, Ma Kaiyu stopped, and his heartbeat accelerated a lot. Zhong Tao was his biggest backer. If even Zhong Tao was afraid of Lin Ziming, then he would really be finished.

The phone was silent, Zhong Tao didn't say anything, Ma Kaiyu suddenly felt a chuckle in his heart, he just relaxed, and he began to tense again, maybe even Zhong Tao was afraid of Lin Ziming!

So he tried again cautiously, "Instructor Zhong, are you listening?"

On the phone, Zhong Tao's unhappy voice came from Ma, "Mr. Ma, you know that I don't like to make jokes. If you have any business, just say directly, don't give me this one."

To be honest, Zhong Tao is a little bit displeased. In his opinion, Ma Kaiyu is just a small person. If he dares to tease him like this, he does not take his majesty seriously. In terms of his character, this is impossible. Things to tolerate!

As for what Ma Kaiyu said, he didn't care about it at all, because it was simply impossible.

He personally watched Lin Ziming being chased by Jian Rushuang and finally dying in the big bang. As far as the big bang at that time is concerned, let alone a master of Lin Ziming's level, even if he is not a bad half immortal, You have to drink hate too!

But then, what Ma Kaiyu said, made him sit up straight, "Instructor Zhong, you don't know my personality. If this is not true, how dare I call you casually."

"Huh?" When Zhong Tao heard this, his brows frowned, and there was a

sudden chuckle in his heart. He said with a more serious tone: “What is the situation, are you sure you are joking? I’m on vacation now. If you affect my mood, I will be very angry, you know!”

Indeed, Zhong Tao has been on vacation this week. He turned off his work cell phone and drove his personal cell phone. There are very few people who know this number. Ma Kaiyu is one of them. The purpose is to spend his vacation. , Do not want to be disturbed.

Moreover, his vacation this time was also to try whether he could break through to the congenital realm of Dzogchen.
