

## Chapter: 1285

Bang bang bang bang bang...

The sound of fists to the flesh continued to sound, and the movement caused by the four of them was too great, even more terrifying than the earthquake. Fighting at their level is no longer a person that ordinary people can understand.

Zhong Tao and the three of them became more frightened as they fought, and more frightened as they fought. They had already stimulated all their potential and played out their most powerful moves, but Lin Ziming could not help it!

Lin Ziming is like a god of war, and they are no longer on the same level. I “Are you capable of this? I’m so disappointed.” Lin Ziming was able to speak calmly at this time, obviously still far from his limit, with ease, “If this is the case, then you will give it to me. I’ll fall down.”

After saying this, Lin Ziming opened his half-squinted eyes abruptly, and his aura also ushered in an earth-shaking change, giving everyone present the feeling that he is the Thunder Lord opening his eyes and destroying the world!

Especially Lin Ziming’s sharp eyes, like the scorching sun, shining on them, actually made them feel the heat, as if to burn their whole body.

Of course, this is an illusion, it is Lin Ziming’s mental power that is too strong, causing them to feel this way.

“not good!”

“This person is too strong, the three of us are not rivals!”

“Retreat!”

All three of them were deeply shocked by Lin Ziming, and a retreat emerged in their hearts, and they didn’t dare to fight anymore, turned around and ran away, and flew separately.

It’s not that they are timid, but that Lin Ziming’s strength is too terrifying, they can’t match it at all!

Lin Ziming sneered and said, “Do you think you can run away!”

With a swish, Lin Ziming chased directly towards Fang Xingping. In less than a second, he grabbed Fang Xingping, pinched his neck, hit the ground heavily, and smashed the ground directly out of the ground. Fang Xingping was lying in a pit, vomiting blood vomiting, he didn’t know how many bones had been broken in his whole body, and he had no ability to move.

Next, Lin Ziming didn’t make any stops, and continued to pursue Lu Qisi on the other side.

His speed is already close to the speed of sound, and the air is stunned. It seems that at this speed, if his body is not strong enough, his heart simply cannot withstand such a large acceleration.

In just three seconds, Lin Ziming chased behind Lu Qisi and shot directly,

and also grabbed the back of Lu Qisi's neck, like a chicken.

Lu Qisi felt Lin Ziming's breath, scared him to fright, the goose bumps were all erected, and anxiously begged for mercy: "Instructor Lin, this is a misunderstanding, I..."

But he hadn't finished speaking yet, and Lin Ziming had already grabbed his neck and threw it directly on the ground.

Lu Qisi never thought that his master of the fourth stage of the innate realm would be so vulnerable in front of Lin Ziming.

With a bang, at least half of the bones in his whole body were broken, and the severe pain made him scream.

Lin Ziming didn't even look at it, and continued to chase Zhong Tao.

"Zhong Tao, you can't run away."

Zhong Tao, who had already rushed several hundred meters away, turned around and saw the movement, he was already scared to death, and at the same time he was extremely regretful. He had known that Lin Ziming had already broken through to the innate realm, Dzogchen, and gave him a hundred courage. He didn't dare to provoke Lin Ziming!!
