

## Chapter: 1295

Shangguan Wei'an didn't interrupt him either, I believe that by now, Huangpudao has understood what he meant.

After coming over for nearly a minute, Whampo Road asked: "Have you ever investigated, why did he disobey the military order and embezzle the colorful origin fruit? What is his purpose for doing this?"

This question made Shangguan stalwart for a moment. He said, "Does it still need to be investigated? The Colorful Origin Fruit is the treasure of heaven and earth. It is a reborn treasure for any human being, and for a master of innate realm like Lin Ziming. , Is full of fatal temptation, which can make him stronger. He later broke through to the innate realm of Dzogchen, not because he swallowed the colorful origin fruit."

According to this logic, there is nothing wrong with what Shangguan Weian said.

However, Huangpu Dao shook his head and said: "I think it is not that simple. Since this young man can cultivate to the fourth stage of the Innate Realm within two years, it means that he is an extremely smart person. It is impossible not to know. The consequences of this. Besides, after he was 'resurrected from the dead', he did not immediately escape the country, but returned in an open manner, indicating that he has his own dependence... Waiting for you to send someone to find him."

The more Huangpudao said, the brighter his eyes, and the more intense interest on his face, he said: "This young man is a bit interesting, but I am really interested in seeing him."

Shangguan Wei'an is not a stupid person. On the contrary, his IQ is extremely high, surpassing most of the innate realm masters. Otherwise, he would not be able to walk to where he is today as a mortal. He immediately said: "Brother Huangpu, take your Meaning, the reason why this young man did this is because of his difficulties?"

Huangpudao said: "I am not sure about the difficulties, but according to my judgment, the reasons are still there. Moreover, now he is waiting for you to send someone to call him. This young man is a great talent!"

In Huangpudao's eyes, he made no secret of his appreciation for Lin Ziming. Shangguan Wei'an also thought about it. He said, "Brother Huangpu, disobeying the military order is a capital crime. Do you think you can let him go?"

This sentence was very serious, but Huangpudao laughed and said, "I said, Brother Shangguan, you don't want to come here with me. If you really don't let him go, you won't come to me. It's a genius like this. As long as there is no treason, what is this wrong? Back then, I didn't defy your orders. You look at you and are willing to put me to death? Hahaha."

Shangguan Wei'an laughed after hearing it, and remembered the tragic years

of many years ago. At that time, Huangpu Road was also a young man with strong temperament and rebellious personality, but he rarely defied the military order and made them jump.

“You guy, I’m ashamed to say that I didn’t get involved in you, how many times did I wipe your butt!” Shangguan Wei’an said with a straight face, but he laughed after he finished speaking.

Then, he directly said to the person next to him: “Arrange someone to investigate Lin Ziming’s starting point for doing this, and bring him over.”

“Yes, Shangfeng!”

The two subordinates of the fourth stage of the innate realm led their orders to leave.
