

Chapter: 1482

Li Dao stared at Lin Ziming. At first, he was a little jealous. After all, the excitement of Zhao Xia, Sun Liang and others just now didn't look like a joke, but when he saw Lin Ziming clearly, he was really young. It's unbelievable, and the aura fluctuations on the body are not strong, and it will be the fourth stage of the innate realm if it is dead, and it is still the kind that has just entered the fourth stage.

For such strength, he can beat with three punches and two kicks.

So he wasn't scared at all, but instead folded his arms around his chest and stared at Lin Ziming with a smile.

The main purpose of his coming this time was to ruthlessly break the myths boasted by the three Xuanyuan places, so as to prove his power.

"Instructor Lin, it would be great for you to come."

Seeing Lin Ziming, Peng Zhuo breathed a sigh of relief and found the backbone.

Unconsciously, Lin Ziming has become the backbone of the three places of Xuanyuan. As long as Lin Ziming is there, they will feel very at ease. Especially, after Lin Ziming personally defeated Lei Zhen on Junlin Mountain, the people in the three places of Xuanyuan had more confidence in him, and even brought awe!

Lin Ziming nodded, and he could know what happened just now by simply looking at the atmosphere of the scene.

Li Dao squinted at Lin Ziming, his tone was very frivolous, with a lofty attitude, he did not put Lin Ziming in his eyes at all, and said arrogantly: "Little baby, you are the innate realm of great perfection who is less than 30 years old. Master? You Xuanyuan Three will be hype, talking more than singing, I think you Xuanyuan Three should not be responsible for national security, go to the entertainment industry."

Hearing what he said, everyone on the Yandu side made ridiculous noises, haha mocking.

The third place of Xuanyuan and the others gritted their teeth again and were very annoyed. They especially expected Lin Ziming to show off his might and teach these gangsters fiercely. It was too much!

Lin Ziming didn't feel anything, the expression on his face didn't change.

"Looking at you, I think I'm very powerful, don't you pay attention to Xuanyuan three places?" Lin Ziming asked with a smile.

Li Dao sneered disdainfully, "It's not what I think, but the facts. You Xuanyuan three places have already been ruined. Since they are already ruined, you should be self-knowing and shrink up! How big is your head? How important is this Kung Fu Cup? Can you Xuanyuan three can afford this important task! Cut!"

He looked like this, really the principal and arrogant, it made people

uncomfortable to see it, Lin Ziming originally didn't hate him at all, but now, he is starting to be upset.

Sun Liang couldn't help cursing immediately: "Li Dao, you are so scared! Now instructor Lin is here, it is easy to teach you! I advise you to obediently apologize to our Xuanyuan three places, otherwise, wait for instructor Lin to take action. One trick can defeat you!"

Zhao Xia also said: "Yes, Li Dao! Your three-legged cat skills are not enough in front of our instructor Lin. You'd better apologize now. When Lin Ziming takes the shot, you won't have a chance. Instructor Lin, one slap can knock you over."

The other people in the three places of Xuanyuan now had the courage and began to fight back. All kinds of taunts made Li Dao's face very ugly, and even the people who came with Yandu became annoyed.

"Li Dao, talk nonsense with them, just shoot, and slap this little kid!"

"Yeah, Lao Li, you shot and beat this man named Lin to tears!"

"Fuck him, instructor Li..."

Li Dao also began to get annoyed and looked at Lin Ziming coldly, "Boy, you irritated me. Now, kneel and apologize to me, I can spare your life, otherwise, there will be a dead end!"
