

Chapter: 1566

The above Guan Shuyao's identity, if you go to the hotel to register, you will definitely be known by Shangguan Shuyao's family. By then, it will really be unclear if you jump into the Yellow River.

The best way is to bring Shangguan Shuyao home.

Of course, it is impossible to bring it to his own home. If Chu Fei and her father-in-law see it, it will not explode.

He thought for a while and called Wang Shougui directly, asking him to send a driver to pick him up, and arrange a house for him to stay one night in the past.

He didn't explain anything on the phone, Wang Shougui felt a little strange, but he didn't ask too much.

Wang Shougui's speed was very fast. After a while, the driver drove the car over. When he opened the door, Lin Ziming was covered with black lines. It was Wang Shougui himself who came out. He saw the whole person hanging on him. Shangguan Shuyao's face suddenly showed a man's tacit expression.

"Hey, Chairman, I didn't expect you to love this bite too."

Wang Shougui's smile is very cheap, he clearly thinks that Lin Ziming has hooked up with a beautiful woman outside, and now he wants to hide in the golden house.

Lin Ziming kicked it directly and cursed: "I love you! This is mine... Forget it, don't explain it, anyway, it's not the kind of relationship you imagined. Now I'm going to send her to the house. , Don't follow along."

Wang Shougui nodded, but his expression clearly did not believe Lin Ziming's words, "I understand, this is an ordinary friend!"

Lin Ziming wanted to give Wang Shougui another kick, but he still resisted it. This kind of thing got darker and darker, so he didn't talk more about it.

As he got in the car, Lin Ziming thought of asking what to ask, and quickly said to Wang Shougui: "Also, this matter can't be told, no one can tell, you know? Especially my wife's side, otherwise... .."

Wang Shougui interrupted him and said: "Chairman, you don't need to explain this, the subordinates understand this, you know it, you know me, it's impossible to know it to five people... .. Oh, yes, there is a driver... Chairman, do you want to silence the driver?"

The driver in the car was immediately shocked and swore: "Chairman, Mr. Wang, I won't say anything, I don't know anything, I don't see anything, so don't stop talking."

Lin Ziming gritted his teeth angrily, Wang Shougui, this fellow, seems to be floating, he even dared to make a joke, it is simply outrageous!

Seeing that Lin Ziming's expression was not right, Wang Shougui said quickly: "Stop joking, stop joking, haha, I must know that the chairman is a

person, how could the chairman be Jinwu Cangjiao's person! Driver Pan, can you? Don't slander the chairman!"

The driver also knew that they were joking and wouldn't stop talking, so he breathed a sigh of relief and smiled.

Lin Ziming was too lazy to see Wang Shougui, so he let him go, and then got into the car.

The most important thing now is that he first send Shangguan Shuyao to the place to rest, and then he finds a place by himself to treat his wounds, and after he has done everything, he can go home.

Fortunately, Wang Shougui has a lot of real estate in Hwaseong, and the arrangement is not far away, and he will arrive in a while.

However, Shangguan Shuyao didn't know if it belonged to an octopus, so she hung on him like this, and dragged her tightly. Lin Ziming couldn't break it even when she tried to break it.

There was no way, so I had to go to the residence and put Shangguan Shuyao down again.

Ten minutes later, Lin Ziming finally put Shangguan Shuyao on the bed and put Shangguan Shuyao on the quilt, and he was relieved.

I have to say that Shangguan Shuyao is still beautiful when she falls asleep like this.

Lin Ziming didn't know how much he stayed, he came out of the room, left a note for Shangguan Shuyao, and left.

Shangguan Shuyao didn't sleep for too long, and she woke up in the middle of the night.

She realized that she was in a strange place, screamed ah, panicked, and then her thinking slowly recovered, remembering what happened tonight, her face was burning.

Especially, she found a note left by Lin Ziming on the bedside. She was demented a lot and her expression was complicated...
