

Chapter: 1819

With this shot, he immediately used a lot of strength to take Lin Ziming down in one fell swoop.

Even if he was on campus now, he was acting unscrupulously. As long as he didn't kill Lin Ziming immediately, there would be nothing wrong.

His idea was to first maimed Lin Ziming, then detained, dragged to a place, tortured severely, and let Lin Ziming die in the torture that life is not as good as death!

He rarely did this kind of thing.

The others held their breath when they saw him making a move, and they all agreed that Lin Ziming must be dead. You must know that Du Wei's strength is very strong.

And Li Qianyu also exclaimed nervously, "Du Wei..."

It was too late and it was fast. In the blink of an eye, Du Wei was already in front of Lin Ziming. He stretched out his paw and was about to grab Lin Ziming's face.

His hand is similar to Eagle Claw Skill, and his five fingers are like iron tongs. Even if it is a brick, he must not be scratched.

In his mind, he already saw Lin Ziming's face being scratched by him, and he screamed for mercy.

However, what happened next was beyond his expectation. Lin Ziming was not afraid at all. He just took two steps back easily and avoided his inevitable attack.

"what?"

Du Wei immediately let out a surprise. He obviously didn't expect Lin Ziming to escape.

"I said you are so courageous, so you really have a bit of strength! If that's the case, then I can't spare you even more!" Du Wei sneered very gloomily, matching his hideous expression, it seemed incomparably incomparable Horror, chilling.

Li Qianyu suddenly panicked and anxious, "Du Wei! What are you doing! Stop it! Otherwise, I will call the police!"

Du Wei sneered twice, and said: "Call the police? Do you think the call is useful to me! There is no woman I Du Wei is fond of that can escape the palm of my hand!"

Li Qianyu was instantly shocked by the look in his eyes. There was a kind of fear that he had never had before, as if he had encountered an evil demon. After that, Du Wei immediately continued to shoot Lin Ziming again. He mainly used his five fingers to grab Lin Ziming, and the speed was faster than once!

But Lin Ziming didn't fight back from start to finish, and it seemed that he had no strength to fight back, and the defeat was a matter of time.

As a result, Li Qianyu became even more anxious. If Lin Ziming was injured because of her, she would be very sorry.

Lin Ziming still didn't make a move. He just dodged Du Wei freely. It's not that he was afraid of Du Wei. This Du Wei was at most the first stage of the Innate Realm. For him, what is the difference from Ants? Yes, he mainly discovered Du Wei's moves, which were different from those he had encountered before.

This little Du Wei, every time he makes a shot, there is a heart-palpating smell of evil and gorefiend, and his shots are also swallowed. When Lin Ziming was touched by him at close range, you can clearly feel that part of his qi and blood seems to be swallowed by him.

He had never seen this kind of exercise before.

It was also because of this that Lin Ziming was interested.

Du Wei didn't take Lin Ziming even later, he became even more anxious, more violent, and even more fierce in his shots.

"Grass! I won't play with you anymore, die!"

I saw Du Weifang yell, and then shot Lin Ziming even more quickly. At this moment, even the people in the whole cafeteria felt the evil on him, and they couldn't help but hit Lin Ziming.

They don't know why Du Wei feels so terrible, but they think Du Wei is really terrible.

Especially this time, Du Wei grabbed a hole in the pillar with one claw, and tore off a large piece of the wall. This situation shocked all of them and quickly backed away.
