

Chapter: 1934

What else can Lin Ziming say besides a wry smile?

And, when he was helpless and distracted, Alice still mustered up the courage, stood on her toes, and kissed him lightly on his lips.

Lin Ziming was stunned. Under what circumstances, he was actually attacked by Alice?

However, he really didn't hate Alice.

Finally, he talked with Alice for a long time, and then when the ministers outside came in and begged Alice to deal with the country's internal affairs, he was able to get away.

After Alice left, he shook his head, only to feel that he had more debts on his body.

But he is no longer as annoyed as before. This is his fate, and there is no way to stop it.

But he didn't conceal Chu Fei about this matter. At the moment, he called Chu Fei and confessed Chu Fei generously about the existence of Alice.

After listening to Chu Fei, she was not angry, but instead said in a joking tone, "Okay, Instructor Lin, you are lucky now, and there are beautiful women like them everywhere. Now even the future queen of the Eagle Dog country is You won it, awesome."

Lin Ziming smiled bitterly and said, "Feifei, don't laugh at me. I don't have that relationship with Alice."

As a husband and wife for many years, how could Chu Fei not know what Lin Ziming meant, she smiled, her tone relaxed, and said, "People are also deeply affectionate for you, sometimes I will go back and see her. Oh yes, or else You can bring her back directly next time, so that I can also know this sister."

After Lin Ziming listened, what else could he say besides being moved?

However, he could also hear that Chu Fei was not forced to laugh, but was really relieved, so he was also relieved, otherwise, if this is a kind of harm to Chu Fei, then he really wouldn't dare to have sex with the opposite sex in the future. Contacted.

Moreover, in terms of his fate, as long as he comes into contact with the opposite sex, he cannot stop the opposite sex at all. Fall in love with him!

This is really a painful thing.

Next, Lin Ziming called Tao Sanniang again, and also told Tao Sanniang about Alice.

Compared to Chu Fei, Tao Sanniang saw more openly, and she even clapped her hands, very happy, "Yes, yes, Tao Sanniang finally has a sister to share it with, hahaha. Ziming, when are you Bring this sister back?"

Lin Ziming was even more speechless when he heard Tao Sanniang's excitement.

Tao Sanniang is such a person. Originally Tao Sanniang herself was a mistress. When she was with Chu Fei, although she did not show anything on the surface, in fact, she had always been afraid of Chu Fei.

Now there is one more Alice, in her opinion, she is a younger sister, and she can “bully” a bit at that time.

And according to Tao Sanniang’s statement, there is an extra Alice to share with Chu Fei, because Lin Ziming is too powerful, even if she and Chu Fei add up, Lin Ziming can’t be dealt with.

Lin Ziming could only shake his head for Tao Sanniang’s theory.

However, deep down in his heart, he also breathed a sigh of relief, not because Chu Fei and Tao Sanniang were willing to accept Alice, but because both of them were not hurt, that was the best.

After hanging up the phone, Lin Ziming had no ink stains, and immediately rushed to the beautiful country.

However, when he walked out of the Queen’s Royal Highness, he immediately felt that someone was following him, and he was still an absolute master! ! !
