

## Chapter: 2096

With the adjustment just now, Adam has also recovered some state. Although Lin Ziming's punch just now severely wounded him, he is also a powerhouse of the god-passing realm, and his physical fitness is so good that he is abnormal.

In fact, he just pretended to lose control just now, in order to be confused about Lin Ziming. First, he could adjust his state, and secondly, he also looked for opportunities. When Lin Ziming was paralyzed, he launched a sneak attack on Lin Ziming and directly turned defeat into victory!

Now he knew that Lin Ziming's strength was very terrifying, especially the control of moves. The combat instinct that was different from ordinary people far surpassed him. That's why Lin Ziming could leapfrog the challenge and succeeded.

His hatred towards Lin Ziming can be said to be that the surging river can't be washed away. Today is the most humiliating day in his life. If he wants to stand up, he has only to kill Lin Ziming.

It's a pity that his abacus was good, but Lin Ziming was able to see through it.

Lin Ziming fought him again, this time, the battle was even more one-sided, and Adam had no ability to fight Lin Ziming at all.

In less than half a minute, Lin Ziming hit Adam again and knocked him down. And stepped on Adam's chest. With great strength, Adam's body was plunged into the ground, and a big mouth of blood spurted out.

Adam was seriously injured this time, and he felt Lin Ziming's murderous intent and was even more terrified.

"No no, don't kill me!!"

He let out a screaming begging for mercy, where is the prestige at first? He now looks extremely embarrassed and miserable, and he is completely a loser.

Lin Ziming looked at him condescendingly, constantly increasing his strength, "Adam, before dying, do you have any last wishes."

He seems to be a god of death, judging Adam.

Determine the life and death of Adam.

This scene, for everyone, is no longer shocked, because they have been shocked too much, to the extent of paralysis.

"Don't kill me, don't kill me..."

The current Adam has completely lost the ability to resist. He doesn't know how many bones he has broken, especially his internal organs, which are severely displaced. Even if Lin Ziming lets him go, he will have to take a long time. Come to recuperate.

But will Lin Ziming let him go?

The answer is of course no.

“If this is the case, then you go to die.”

Lin Ziming smiled on his face, and then slammed his foot on Adam’s neck. He heard a squeak. It was the sound of his neck being broken. Adam’s pupils shrank to the extreme, and he fought fiercely. However, it was already too late. It didn’t help, Lin Ziming had already stepped on his neck.

But his vitality was extremely tenacious, and he didn’t die immediately. Instead, he stared at Lin Ziming, his eyes were full of panic, regret, despair, unwillingness...

Until the end, I lost all my look, my eyes began to fade, and my breath died. Adam, dead.

The death was so sudden and so simply.

With so many people present, no one made a sound, all were silent, and everyone was in awe, looking at Lin Ziming with fear.
