

Chapter: 2113

When Lai Shao heard this, he was already furious. As a master of Dzogchen in the Innate Realm, he is only in his early thirties this year. Looking at the whole world, he is an incomparable genius. Where has he been so angry?

If he can bear it, it's not him.

He snorted coldly, stopped staying, and broke out directly, launching a fatal blow at Lin Ziming, "I don't know whether to live or die! Just like you ants, dare to be presumptuous in front of me!"

His speed is extremely fast, especially in fact, it can be said to be very scary, his shot, for everyone in the box, it is basically a doomsday scene, all the sights in front of him suddenly disappeared. Up.

In their feelings, it seemed that they had seen the end of the world coming, which made them dumbfounded, and they didn't dare to move at all.

Almost in an instant, at such a close distance, Lai Shao's fist came in front of Lin Ziming.

I have to say that this Lai Shao still has two brushes, and in the hands of the Dzogchen Master of the Innate Realm, that can be regarded as an upper-middle level.

If it were for someone else, just facing Lai Shao's move, he would not be able to resist it and would be severely injured.

And the consequence of serious injury is death, the price of life.

However, for Lin Ziming, Lai Shao was still too far away, and the gap between them was not of an order of magnitude at all.

When Lin Ziming faced Lai Shao's attack, his face had not changed, and he always had a faint smile. When Lai Shao punched him, he still stretched out himself like the first big man. With his right hand and five fingers open, he is about to pick up Lai Shao's fist.

When Lai Shao saw his movement, the corners of his mouth rose even more, thinking that he was looking for death, and no one had ever dared to hold his fist so big.

In his mind, he had already thought of a set of combos that would surely kill Lin Ziming in one go!

However, what happened next greatly exceeded his expectations.

I saw that when his fist fell on Lin Ziming's palm, the surging force, enough to blow up a truck, was actually eliminated, like a mud cow entered the sea.

In an instant, Shao Lai opened his eyes wide and showed an expression of disbelief. At the same time, he blurted out, "This is impossible!!"

Lin Ziming laughed and said, "Your talent is not bad. At a young age, you have cultivated to the Dzogchen realm of the Innate Realm. It seems that the martial art world is generally stronger than the national world."

Facing Lin Ziming's old-fashioned guidance, Lai Shao only felt it was a huge humiliation!

If Lin Ziming is older than him, it doesn't matter, but the problem is that Lin Ziming is obviously younger than him, and it is a great shame for him to point him like this!

He saw Lin Ziming and did not counterattack, he was obviously playing him, his anger became more serious, and after retracting his fist, he continued to attack Lin Ziming like a storm.

Lin Ziming didn't fight back from beginning to end, and he was playing cats and mice.

Lai Shao was frightened as he fought. The guy in front of him had already subverted his cognition by his strength. You know, he is a master of Innate Realm Dzogchen, and he was actually played by the opponent like this!

He suddenly had the idea of running away, turned around and ran away. "Want to run? It doesn't exist."
