## Chapter: 2208

Tao Sanniang was extremely panicked when she saw her like this, but there was no other way.

Fortunately, Chu Fei's current situation is not as bad as it was just now, and her cold body slowly warmed up a bit, and her face was also as scary and pale as just now.

But even so, Tao Sanniang was still extremely worried, because she knew that Chu Fei had something wrong, and it would definitely not work if it continued like this.

But Chu Fei said so, and she was not good at advocating, if something really happened, then she would be guilty for a lifetime.

"Feifei, what should I do then? You can't keep doing this. Your body is getting worse every day. If this continues, it won't take long for your body to collapse!" Tao Sanniang said anxiously, "You and Ziming After so many years of marriage, you have never given birth to a child for Ziming. In any case, you have to keep going!"

Having said that, her eyes were already full of tears, and her face was full of pain and sorrow.

The way she is now is too desolate and pitiful. Tao Sanniang felt very distressed when she saw it. She hugged Chu Fei tightly, and her eyes turned red: "Fei Fei, I'm sorry I just said something wrong., My mouth is cheap!" After she finished speaking, she slapped herself heavily, and regretted incomparably. Why did she so irritate Chu Fei just now!

"You and Ziming will definitely be able to have children. They are not born right now, but the fate of the child is still not achieved. This time when Ziming returns from the secret realm, you will definitely be able to have children with you, and give birth to a fat boy!" Tao Sanniang said.

However, Chu Fei shook her head, her eyes were filled with sadness, all the light had disappeared, and now her lips were pale, "I can't give birth, I can't give birth...I used to wonder why I I've been living with Ziming for so long and couldn't get pregnant. I thought it was the reason for Ziming's practice. As a result, the problem was with me..."

Having said that, her tears fell silently again.

Tao Sanniang said: "Feifei, the current medical skills are so advanced, it can

definitely be cured! When Ziming comes back, he will be cured, and you can definitely have a baby!"

Chu Fei just shook her head and didn't say anything.

Because she knew that this problem on her body could never be cured.

This is her life...

The only thing she prayed for now was that she could hold on for a little longer until Lin Ziming came out of the secret realm and saw Lin Ziming's last side.

Then, she waited for fate to impose sanctions on her.

However, Lin Ziming at this moment did not know that Chu Fei was facing such pain, otherwise, with his character, he would definitely not enter the secret realm, but would be by his side.

It's just that there are no things in the world, and once it happens, it will be irreversible for the rest of your life.

At the same time, in the secret realm, Xiaoyao King had already obtained two fruits, Lin Ziming didn't know yet, because after he entered the secret realm, he had never encountered Xiaoyao King.

"Senior Brother Xiaoyao, you really are the chosen son of heaven. How long has it been since you entered the secret realm that you have already received two fruits!"

On the side of King Xiaoyao, there were several people standing beside him, all of whom were super arrogant in the martial art world.
